

Color Guard

Color Guard is a compliment to the Marching Band. The students rehearse separately and then come together to perform half-time entertainment and competitions with the band. After school practices are required.

Heights High School Music Department

Heights High School would like to extend you an invitation to continue your musical talents and skills by becoming a member of our Music Department.

413 East 13th St.
Houston, TX 77008

Band

The marching and concert bands are designed to develop the techniques of full band and ensemble playing through the performance of a variety of music. Student involvement is required for all types of public performances (competitions, festivals, halftime shows, parades, concerts, and other public engagements). After school practice is required to be part of these activities. A beginning band class is also available for students wanting to play an instrument.

Percussion

Percussion is a curriculum class in which the students will develop technique and skills relating to percussion performance. Students will be involved in drum line, percussion ensemble, and concert band.

Jazz Band

Our award winning jazz band is designed to familiarize the student with the various styles and types of jazz / stage band music. Jazz band is a curriculum class that meets daily during the assigned period. Students must be enrolled in band or have director approval.

Choir

Choir is designed to further develop the singing voice. Admission to the advanced choir class is through audition only. Auditions are held in the spring of the previous school

Mariachi

This co-curriculum class is for students interested in pursuing music relating to the Mariachi genre. Beginning and Advanced classes are offered. Involvement in Mariachi includes performances in and outside of school. Students will have the opportunity to learn violin, vihuela, guitar, guitarron, and voice.

Tri-M

Tri-M is the international music honor society recognizing secondary music students for their involvement, and community service.
