### *History of Milby*

The history of Milby has been one of continual growth and expansion. In March, 1927, about two hundred and fifty students came from what is now known as Harrisburg Elementary School to the new Charles H. Milby Senior High School, 1601 Broadway. The school was named for Charles H. Milby, who was a member of the school board of the Harrisburg Independent School District.

Until 1928, the schools in the east end of the city were built and supervised by the Harrisburg Independent School District. J. O. Webb, now the director of senior high schools, was the superintendent of the Harrisburg School District. W. I. Stevenson, the present principal, was also the principal of Harrisburg High School, and was the first principal of Milby.

Milby has grown from two hundred and fifty students to almost a thousand. The north wing, the swimming pool and the shop have been added, and two temporary rooms were built on the south campus in 1935. The annex is now under construction. It will have six class rooms, a boys' gymnasium and an extension to the present lunchroom and kitchen. This is being built at a cost of \$96,167, financed by school bonds and a federal grant. The bonds and grant will afford the school district with \$3,821,450 for a building program which includes five new schools and additions to one hundred existing buildings.

### *Dedication*

In appreciation of the generous support she has given the school, the cheerful spirit she has always manifested, and because of the high esteem in which she is held, we, the senior class of 1936, dedicate this Volume V of The Buffalo to Mrs. Bess Whitehead Scott,

## 1936 Class History

Most of the members of the graduating class of 1936 entered Milby in the fall of 1933. A number of them, however, entered in February of that year, and most of these left Milby at mid-term this year. Some of them stayed in school in order to receive more credits.

The majority of the students came from Edison, Deady and Jackson Junior High Schools. At that time Maxine Chapman came from Electra, Texas; Adenia Wade from Haskell, Oklahoma; Darrell Moutray from Baytown; Blanche Hannah from Liberty; Lee Roy Long from Fort Worth; Norman Newsome from Galena Park; Lurlyn Butler from Teague; August Weiss from San Antonio; and Dorothy Peterson from New Orleans. Deede Brunner changed from Reagan to Milby in the fall of '33 and Kathleen Hall came from Reagan the next spring. Fred Gillespie changed from Sam Houston to Milby about the same time.

The next year, in September when school opened, seven students came here from other schools: Charles Cobb from Pensacola, Florida; Mary Margaret Hardy from Jeff Davis; Pauline Stephens from Beaumont; Dorothy Kerley from Sumrall, Mississippi; Harry Waters from Sam Houston; Mary Davis from Lufkin and Gertrude Waegner from Reagan. In November, 1934, Franklin Waggoner transferred to Milby from Sam Houston.

At mid-term, 1935, Daniel Raymer and Albert Talley came to Milby from Sam Houston, and Tommie Lou McComas joined the class in April '35, having come from Urbana, Illinois.

Seven more students entered the class in September, '35. Bettie Wittlinger and Harris Winfree from San Jacinto; Barney French from Sam Houston; Paul Hazel Catchings from Davis; Eva Louise Pate from Austin; Ruth Smith from Woodstock, Georgia; and Margarette Wood from Midland.

In November 1935, James Sharp came to Milby from Gilmer, Texas, and the next January, Ina Mae Sparkman came from Ada, Oklahoma.

The class of 1936, after gaining some students and losing others through failures, consists of one hundred and seventy-five graduates, twenty-five mid-term graduates, one hundred and twenty-nine June graduates and twenty-one summer school graduates. The senior registrars are Miss Lucille Frazer, Miss Fannie Harrell, Miss Inez McCoy and H. A. Miller.

## *Milby R. O. T. C. Battalion*

### COMPANIES K AND L

The Milby R. O. T. C. unit was formed in 1930 under Captain John Lee with an enrollment of thirty-five cadets. Since that time the R. O. T. C. unit has gradually grown under the command of Major George D. Bronson to a present enrollment of one hundred and eighty-one cadets under the command of Lt. J. B. Miles.

The first battalion in the history of the school was formed during the spring term of 1936 with Cadet Major Edward Loeffler as commanding officer. The battalion is composed of two companies of three platoons each and a band, Company K being commanded by Cadet Captain Obert Nordin, Company L by Cadet Captain John Wittie and the band by Cadet Captain Hans Hansen.

The Milby Parent-Teacher Association is one of more than 28,000 local units which now comprise the National Congress of Parents and Teachers.

All persons interested in the objects of the association may become members.

The objects of the Parent-Teacher Association are: To promote child welfare in the home, school, church, and community; to raise the standards of home life; to secure adequate laws for the care and protection of children; to bring into closer relation the home and school, that parents and teachers may co-operate intelligently in the training of the child, and to develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, moral, and spiritual education.

Through the efforts of the Milby unit many students have been aided so that they were able to continue their school work. Glasses have been provided, dental work cared for, and equipment and clothing furnished.

The Dad's Club of Milby High School was organized in 1934 for the purpose of fostering and encouraging enthusiastic support of school athletics in all forms; to promote harmony and good will between the faculty, coaches, and all athletics to the end that complete co-ordination of efforts will prevail at all times; to council with the coaches and assist in every way possible to encourage scholarship and clean sportsmanship among athletes and student body; to urge fair and impartial publicity by the newspapers of all school activities entered into by the schools within the district; to encourage and assist in developing interest in the R. O. T. C. unit and School Band; to lend encouragement and support to any competitive activity of an academic nature entered into by either boys or girls.

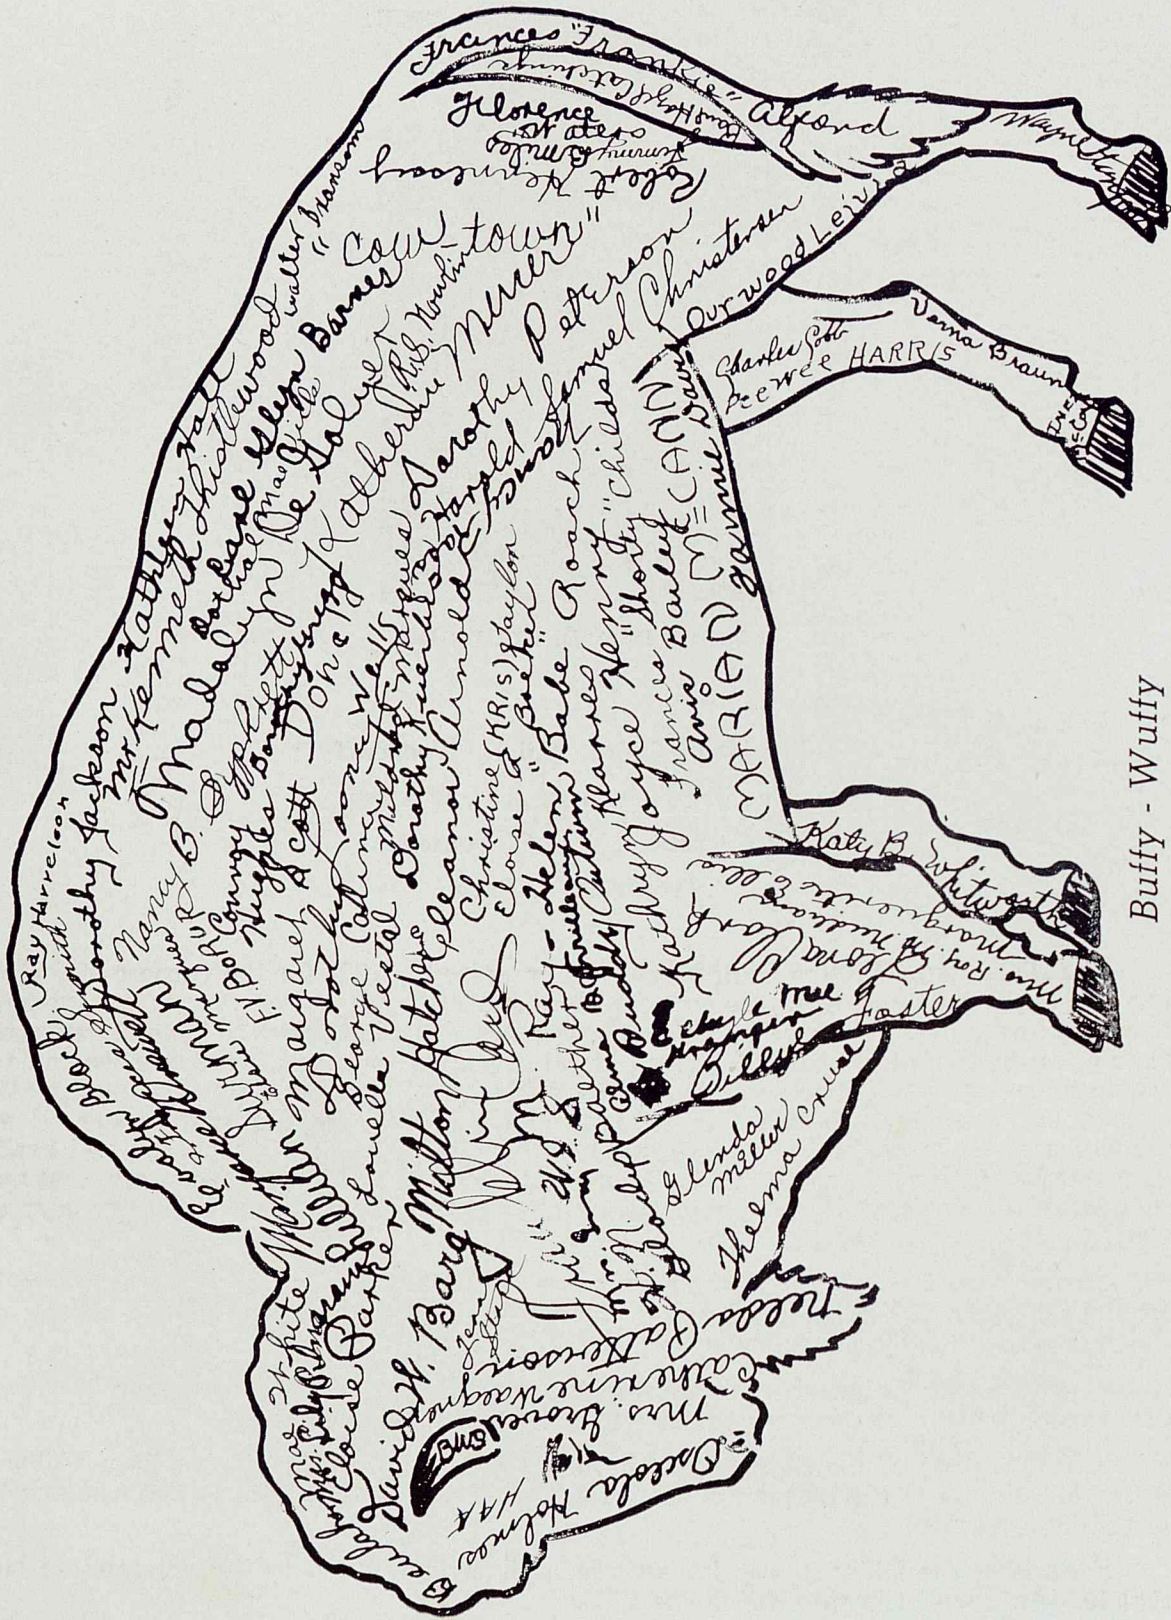

The membership is limited to male members and is composed of fathers and male relatives of Milby pupils, or any friend of the school together with any male citizen of Houston who subscribes to the purposes and objectives of the organization.

There are regular membership dues in the amount of \$1.00 per school year. Members paying more than the regular dues are known as sustaining members.

It is the desire of the club to grow in membership, thereby increasing its usefulness to the school and also rendering a helpful service to the patrons and to the community served by the school.

Each year, the Milby Dad's Club awards a silver loving cup to the outstanding boy athlete. Aubrey Gatlin won the cup in 1935.

This is my library ; I shall not talk.  
Mrs. Ray maketh me to be silent.  
She watcheth me from her desk,  
She leadeth me in the realms of silence for the students' sake,  
She delivereth a lecture to me in the presence of mine classmates,  
She anointeth mine ears with warnings.  
Mrs. Ray cometh over—  
Surely she shall watch me all mine hours in the library and I shall dwell in silence there  
forever.

### *Soph In Library*

Dear——?

We've been in Milby a couple of months now and it's not what it was cracked up to be. I thought I'd like it but—woe is us!! I'm so busy keeping out of the way of the juniors and "high and mighty" seniors that I never see you between classes.

I know I'm pretty bold to say this, but I surely like you and may I walk home with you after school and carry your books?

### *Junior In Geometry Class*

Dearest——?

Honey, you don't really think I was two-timing you just because I was talking to that dizzy little blonde in the hall, do you? Honest, I was just getting a home work assignment. You know mom said if I didn't pass geometry I couldn't date you on Friday nights any more.

So you know I still love you. I'll see you tonight since this is Friday.

Love,

### *Senior In Chemistry*

Listen Babe,

The news is getting 'round that you're playing me for a great big chump and I'm not taking it, see? Either you shoot straight or we call it quits and I don't mean perhaps.

Just because you've got blue eyes and yellow curls, and look like a doll, doesn't mean you're going to wrap me around that painted finger of yours. Aw, gee baby, I do love you and I'm sorry if I've been a sorehead but I can't stand the idea of the big G. B. so I'm glad you still love me like you say. Let's step out tonight so you'll realize which side your bread is buttered on. How's about it?

Well, I'll let you see me sometime.

Love and kisses,

## What After High School?

Let Massey introduce you to an office position in keeping with your educational background. We do not promise to make of you a business executive; but we will train you for, and place you in, a starting position where your talents and education will open to you opportunities without limit.

We are receiving constantly more calls from employers for Massey graduates than we have available to fill the very desirable office positions open to them.

We invite your investigation of our record in starting Milby High School graduates on the road to success.
