We, the staff of the 1944 Buffalo, have tried to present in graphic form scenes and incidents which will serve to recall the succession of events that highlighted the school year. Laughter, fun, play, and work are reflected on the pages. Veiling all is a shadow, poignantly beautiful, cast by the memory of those of our number who have given their lives in the flaming holocaust of war. Spurred by their sacrifice we resolve to "press the battle to the gates," whether we be called to engage in military con-

flict or to follow the peaceful pursuits of everyday living.

District 13. We won four and lost two, to finish in a three-way tie for second place with Reagan and Austin.

Tom High, a three-year letterman, was one of the main reasons for success. The best passer in the state, he completed an eighty-five yard pass against Sam Houston.

Walter Coffer, the back of the district, ran three kick-offs back for touchdowns, which meant winning three more games.

W. R. Lee is the dumb boy who has proved he is smart by his great work on the gridiron for three years.

John Myrick and Walter Ruthstrom are the boys who blocked Milby's greatest team to the school's greatest season in its history.

TOURNAMENTS

Billy Joe Steakley, Milby's turkey-necked cager, was outstanding shot-maker in the city race. He gathered 160 points during the district race. The sports writers of the city were unanimous in their choice of Steakley for ALL-CITY forward.

Milby entered three basketball tournaments this season. The first was at LIVINGSTON where they were eliminated by Lufkin in a close game.

The next was at CONROE where they were eliminated by the strong Reagan quint from Houston.

The third was at KATY which they won by beating Sugarland.

Billy Joe Steakley made All-Tournament First-Team forward at LIVINGSTON, CONROE, and KATY.

Bill Beard and Lee Caldwell made All-Tournament Second-Team center and forward at KATY.

ARE YOU READY FOR A JOB?

When you apply for a job you will be asked: “What can you do?” If you can type, if you can write shorthand, if you can keep books, you will get the job. But if your preparation is limited to the general education of the high school and the university, you still need something more that you can trade for a semi-monthly salary check. This is a business world. You will not fit into it until you have had business training. It is, therefore, important to you that you learn now what you are sure to need when you seek a job; not just any job, but a position that will lead to something in keeping with the time and effort you have invested in your education. The quickest, surest and least expensive way to such a position is through a course in Massey Business College.

Massey guarantees satisfaction or your money refunded.

JUST A PIECE OF CLOTH

That's all it is—just a piece of cloth. You can count the threads in it and it's no different from any other piece of cloth. But a little breeze comes along, and it stirs and comes to life and flutters and snaps in the wind, all red and white and blue. Then you realize that no other piece of cloth could be like it.

It has your whole life wrapped up in it: the meals you are going to eat; the time you are going to spend with your friends; the kind of things your boy or girl will learn at school; those strange and wonderful thoughts you get inside a church on the Sabbath.

Those stars in it—they make you feel just as free as a star in the wide, deep night. And those stripes—they are bars of blood to any dictator who would try to change it.

Just a piece of cloth—that's all it is—until you put your soul into it and give it meaning—until we make it stand for everything we believe in and refuse to live without.
