The Buffalo

1945

Annual Staff

Dorothy Cravey, Nettie Grey Moses, Nelwyn Williams, Christine Dillard,
R. F. Pringle, Albert Hooke, Rex Hager

Foreword

The Milby Buffalo staff of 1945 gratefully acknowledges our indebtedness to all students and faculty who have cooperated in making possible this year book. It is our hope that this characterization of the life of Milby will, in the years to come, bring wholesome and refreshing memories as you turn the pages of this volume. This production has been prepared for all who have entered the gates of this educational institution, and we trust you will find its contents instructive, interesting, amusing, real, and make-believe. Read it and be wise.

Dedication

In deep appreciation the Annual Staff of 1945 dedicates this book to the greatest basketball five ever developed in Texas; to a team which was selected as "all-city five"; to a team which has established every record available; to a team which won 32 out of 33 games and placed third in the State playoff; and to a coach whose skillful instructions and tireless interest made this winning team possible.

Lt. Col. Odell Tschoepe, 2nd Lt. Karl Oelfke, Capt. Rifle Team Van Cargill, Major Willie Lee Caldwell, Capt. Richard Macaulay.

Expert Rifle Team

Milby can well be proud of her outstanding Expert Rifle Team.

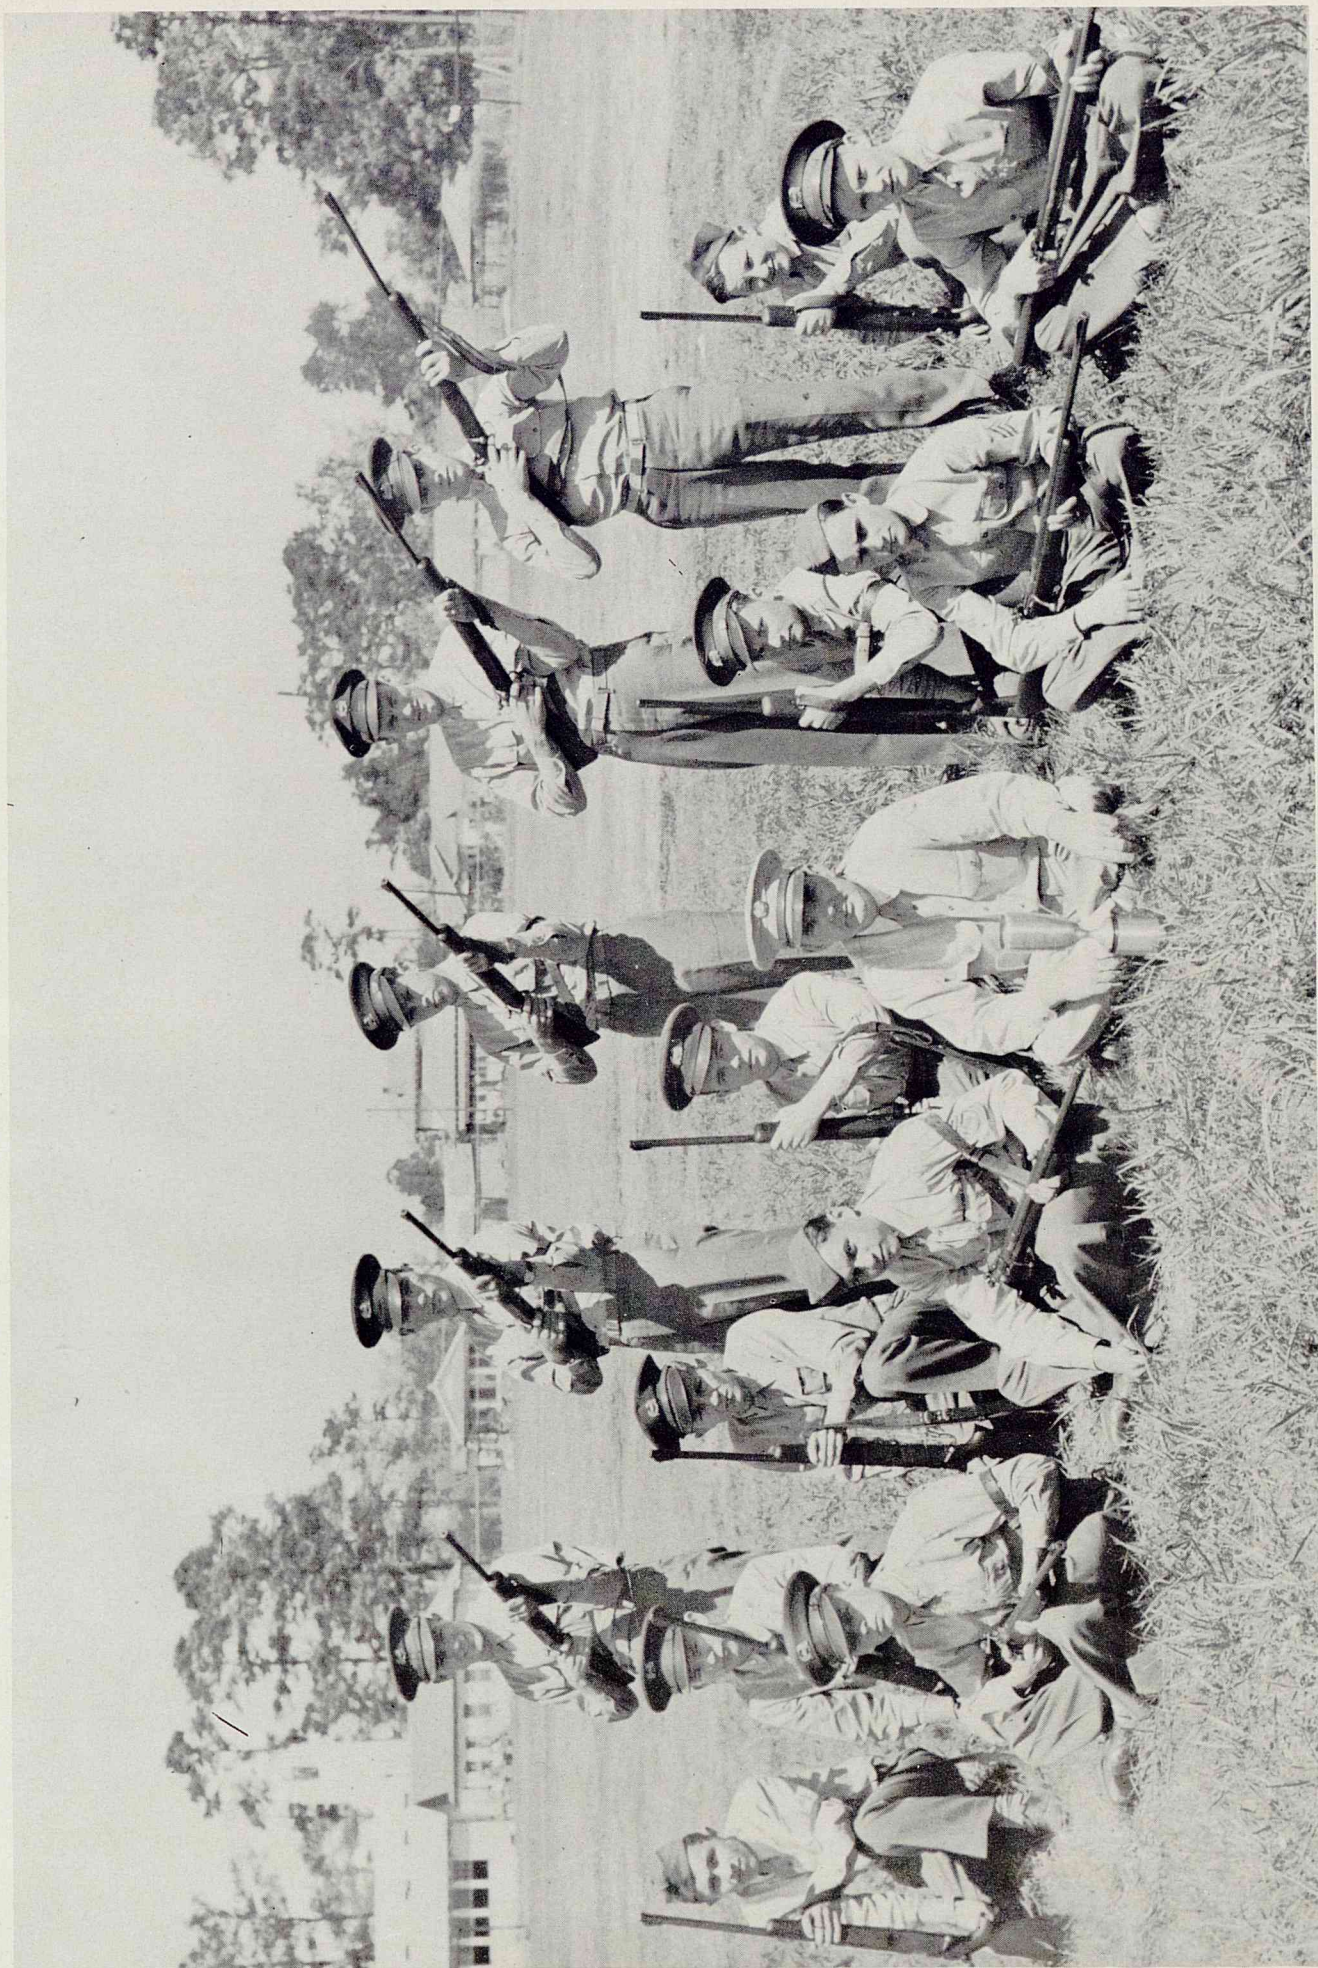

During the school year and under adverse conditions they managed to come through with their colors flying high and at present are still looking forward to a chance of being the Champion High School Rifle Team of the Nation.

With bad weather, no practice, and on the old open range they scored 3322 in the City Rifle Match, being defeated only five points by Davis High School.

After the range was remodeled by the addition of heat, lights, concrete floor, and a roof, the team scored 3459, placing eighth in the Eighth Service Command Match, defeating their nearest Houston competitor, Davis High School, by 157 points and earning for themselves the right to compete in the National Intercollegiate Match.

The boys really got down to serious shooting for this match, practicing both before and after school every day for about three or four weeks. Results plainly showed when Sgt. Houlihan, their coach, announced that the Milby Rifle Team shot 33 points higher than the score shot last year by a Detroit, Michigan, high school team who were National Champions of 1944. Milby's team score was 7677 points, which is only 323 points from the perfect score of 8000.

Lt. Col. Miles, former Commandant at Milby, offered a trophy to the school making the highest aggregate score of all rifle matches participated in by Houston High schools. Milby is now proud possessor of this cup, awarded this year for the first time. Milby's aggregate score for the third match was 7531, thus defeating the nearest competitor by 82 points.

NEW RECORDS SET

1. Milby rounded out the greatest season of any basketball team to play on the hardwood of Houston by winning 32 of their 33 games. This record was previously held by Reagan with 30 victories.
2. With their second game against San Jacinto, the Milby basketball team broke their own record which they had set the game before with Austin by crushing the bears 84-12, a record which many think will long stand. The record was 72 held by Davis.
3. Another record fell when Milby came through their 12 district games with an amazing total of 705 points while allowing their opponents only 356 points, a fine, defensive as well as offensive record.
4. Billy Joe Steakley, Milby's smooth-working ace shot-maker, hit the hoop against San Jacinto for 35 points, breaking Stater Martin's previous record by 6 points.
5. In the last game of the district with Davis, Steakley made 12 points, bringing his total up to 198 points, a record formerly held by Cox of Lamar with 174 points.
6. One of the most unusual of all the records set by Milby is the one placing all five of their starting line-up on the All-City Team. Milby will always be proud of their All-City men—Steakley, Gatlin, Hooke, Caldwell, and Philips.

Milby also boasts for the first time in the history of the School an All-State player, Norman Philips. Philips, who stands 6 feet 4½ inches, played the best games of his basketball career in the state tournament, well earning his place on the All-State Team.

For those who have wondered just how many points the Milby basketball team scored in the whole season of '44-'45, these figures will tell: In all 33 of their games they piled up a sum of 1,738 points against their opponents' 939.

End Is Sudden and Painless;
Funeral to Be Held Saturday

WARM SPRINGS, Ga., April 12.—(P)—President Franklin D. Roosevelt died unexpectedly Thursday at 4:35 p. m. of a cerebral hemorrhage, at the age of 63. Mr. Roosevelt's last words were: "I have a terrific headache."

Cabinet Called for Emergency Meeting; Chief Expires in Sleep at Warm Springs.

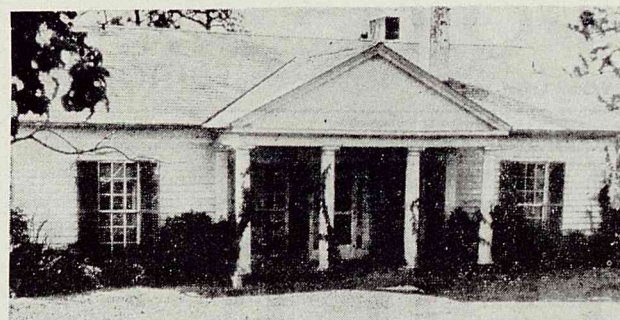

A National Calamity (An Editorial)

PRESIDENT ROOSEVELT'S sudden death is a national calamity paralleling that of Abraham Lincoln 80 years and one week ago. It leaves the nation reasonably assured of victory in the war, but less sanguine as to the outlook for a world peace organization.

Without warning or preparation, the nation has lost its commander-in-chief who has led us through four years of conflict to the threshold of final triumph in Europe, and to the invasion jump-off point in the Pacific. He fell in line of duty, as truly as if he were a soldier on the battlefield.

Mr. Roosevelt's death puts a new complexion on the entire national situation, and on the global picture.

Passing of Franklin Roosevelt a Tragedy
Whose Dimensions Are Inscrutable
In Present Light

By HUBERT ROUSSEL.
THIS is probably one of the most tragic days in the long struggle of man to discover his way in the world. It will probably prove one of the most fateful in the history of American life. It is a day when fate

20-Year Interval Tradition Borne Out in President's Death

NEW YORK, April 12.—(P)—President Roosevelt's death Thursday carried on an American tradition that Presidents elected at 20-year intervals die in office. The list includes:
1840—William Henry Harrison.
1860—Abraham Lincoln.
1880—James A. Garfield.
1900—William McKinley.
1920—Warren G. Harding.
1940—Franklin D. Roosevelt.

EXTRA

BY ASSOCIATED PRESS.
Washington, April 12.—The White House announced late Thursday that President Roosevelt had died of cerebral hemorrhage.

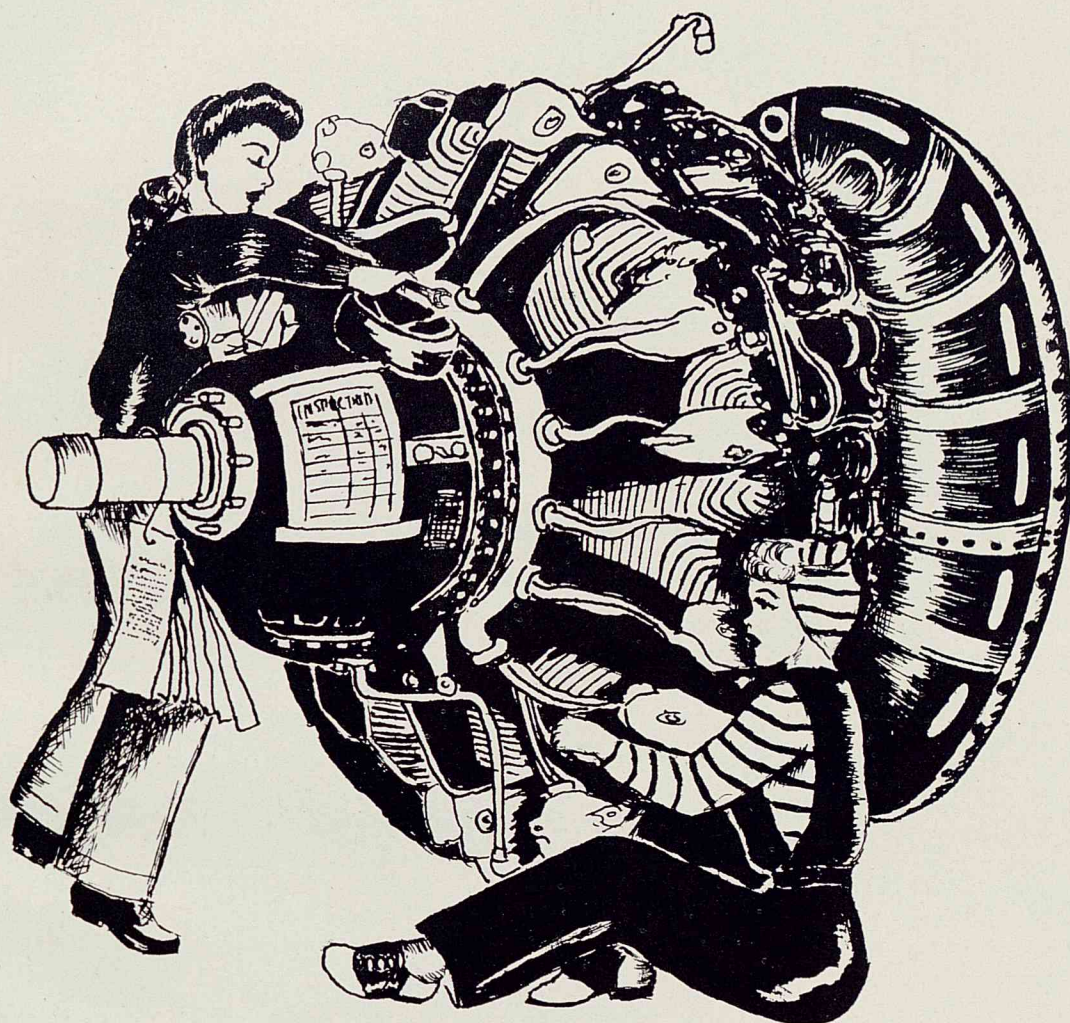

The death occurred this afternoon at Warm Springs, Ga.

A White House statement said:
"Vice-President Truman has been notified. He was called to the White House and informed by Mrs. Roosevelt. The secretary of state has been advised. A cabinet meeting has been called."

"The four Roosevelt boys in the service have been sent a message by their mother, which said that the president slept away this afternoon. He did his job to the end, as he would want to do."

Bless you all and all our love, added Mrs. Roosevelt. She signed the message, mother.

*You Can Assure
... to Yourself* **A BRIGHT FUTURE!**

Secretaries, accountants and stenographers are demanded by business firms and professional men in greater numbers, and at higher salaries than ever before in the history of this country. Their future is very bright. They perform their duties in the presence of business executives, who are always looking for young people, with adequate business training, whom they can promote to executive positions. If you are ambitious and desire to assure yourself a bright future, you should obtain, without delay, the basic

business training which only a well conducted, efficient business college can supply you. To obtain and hold such a position it is necessary that you receive your business education in a business college that is thorough, that provides a modern course of training, and has the prestige and the contacts with prosperous business firms so that it can place you, when you finish your course, in the kind of position that will pay you an attractive salary from the start and that leads to ever larger salaries and greater responsibilities. This you will get if you take a course in

HERE'S A CAREER FOR THE HIGH SCHOOL GIRL

ARE YOU INTERESTED IN WORK THAT OFFERS AN OPPORTUNITY
BOTH FOR PATRIOTIC SERVICE AND FUTURE ADVANCEMENT?

We have a number of positions for ambitious young women who want clean, safe, permanent jobs with ideal working conditions.

The Telephone Company is well known as a "good place to work." Progressive wage policies keep earnings in step with learning. Promotions are filled from the ranks . . . allowing excellent prospects for advancement as you gain in experience. And remember you will be helping in a vital war-time service.

If you are in the June graduating class, and can qualify, we will be able to place you immediately.

We'd like to tell you more about telephone work. Let's talk it over.
