The Midway

In this eighteenth volume of the Milby Buffalo, we, the members of the staff, have endeavored to present a record of the highlights of the school term. We hope this pictorial history will give you pleasure through the years, and we suggest that—

“When you are old and gray and full of sleep And nodding by the fire, take down this book.”

and again enjoy your Milby of 1951-1952.
The Barker

The staff dedicates this annual to gay, carefree youth. May your life be as full of "joy unconfined" as is the Big Top of a five-ring circus.

Laugh and be merry; remember, better the world with a song.

Better the world with a blow in the teeth of a wrong.

Laugh, for the time is brief, a thread the length of a span,

Laugh and the proud to belong to the old proud pageant of man.

—John Masefield.
