

# BUFFALO

1950

## *Foreword*

The year 1950 marks the twenty-fifth anniversary of Milby. One-quarter of a century ago the principal, faculty, and students marched from old Harrisburg High School to the new Charles H. Milby High School and began work as a unit of the Houston Independent School District.

We, the Buffalo staff, in presenting to you this Silver Anniversary Annual, have endeavored to record not only the most interesting events of our present school year, but have endeavored to include a few reminders of the past and a glimpse into the future. By including scenes from our great building and expansion program now in progress, we hope to point you to a future that promises a far greater Milby than was perhaps even dreamed of when the memorable march was made from Harrisburg to our present location. Harrisburg, parent school, we thank you; and Milby, Greater Milby, we salute you!

## *Our Principal Speaks*

The poet has said, "Time makes ancient good uncouth," but such is not the case with Charles H. Milby High School. In 1925-1926, one quarter of a century ago, this educational institution took its place along with other senior high schools of Texas, then few in number. Since that time three major additions have been made in the building program, which brings it up to date with the new \$670,000 construction now under way to completion.

The school is located in one of the nation's strategic places, the center of a great and growing metropolitan area. It has set and maintained a high standard in the cultural development of those who have come under its influence. Over the years has come a wonderful tradition built by the school and by its student bodies. The faculty, the courses of study, the library facilities, the student activity program, the scholastic and athletic competition with other schools, the guidance program, the special emphasis on the industrial, vocational, and commercial department training - all are established on a scale broad and general enough to challenge individual interests as well as to encourage further educational pursuits. It is the hope of all that these experiences, established on a fair and democratic participation of student body and faculty, will result in turning out citizens of the future who have a love for the way of life that has made this nation of ours great.

Milby now stands before the roseate dawn of a rapidly approaching future. We know that in the years ahead she will continue to take her place with those of noted achievements and write high her name in the halls of fame. ONWARD MILBY!

Mr. W. I. Stevenson, Mrs. Clara McLendon, Miss Fannie Harrell, Miss Nannette Barcus.

The teachers who joined in the march from Harrisburg High School to Milby Senior High School celebrate the 25th Anniversary.

The club sponsors the annual basketball banquet for the team, makes the yellow 'mum corsages, sponsors the annual Christmas dance after the Milby-Austin game.

The winning of the Sportsmanship Trophy this year proves that the members guided by the cheerleaders were really on their toes. The club, when called upon, aids many other organizations.

On April 7, 1947, another organization was added to the list at Milby under the leadership of Mr. Bayless.

The organization was formed by a talented charter group, whose example has been carried on these three years. One month after organized they presented the senior play. The following year they made the assemblies livelier with enumerable acts and skits. Again the following May they produced another senior play *He Who Hesitates*.

Next spring the Thespians were sponsored by Richard M. Niemi. A three-act play was presented in December and in the spring the one-act play won first place in Texas Interscholastic League competition—then in May came the annual senior play. Interspersed among all this was the Valentine Varieties, floor shows, and other forms of entertainment.

In the fall of '48 a junior branch, the Blackfriers, was organized because of the increasing interest in dramatic. It was open to anyone interested in drama but was limited to 100 members. This society is founded upon the principle that true education creates a well-rounded personality in the development of the character of the individual and his relationships to those around him. So we honor the students who in the opinion of their teachers and classmates are building in their school life this four-fold foundation—character, scholarship, leadership, and service.

## FOOTBALL REVIEW

By Kohen White

When the dust of the High School Stadium settled and the lights were turned out for the last time in 1949, the Milby Buffs finished a season worth remembering. Tackling one of the toughest schedules yet, the Buffalos fought their way into a two way tie for third place in City and a won-five, lost-five record for the season.

Blazing forth in the season opener, Milby displayed some of the power and coaching brains predicted for the mighty eleven. Milby outscored a persistent but weaker Pasadena eleven 31-28.

The following week the Herd traveled to Port Arthur to face the Yellowjackets. The Jackets ran across eight scores to Milby's one. Capitalizing on a Port Arthur fumble in the final quarter, Cook pushed across from the two-yard line for only touchdown. Five hundred students journeyed to see the game, cheering to the last. Score, 50-6.

As hosts to Crozier Tech, the Buffs forgot their manners and soundly trounced Tech, 40-13. Every Buff played in Championship form.

A jinx is hard to shake, and the win-one-lose-one that dogged Milby all season was still there at the conference opener. Facing surprisingly strong Sam Houston scrappers, Milby could not click with their running game. Playing this one in the mud, the Buffs held the lead all the way until the final quarter when a Sullivan-to-Miller pass broke the ice to end the game 13-7.

The Herd made a striking comeback in outclassing and outscoring a determined Davis team. Climaxing a 53 yard drive in the first quarter, Gardner crossed from the one for the first tally. Gardner scored two more in the fourth, capitalizing on a Davis fumble and a wobbly pass. Schroeder proved true on all three conversions and when the siren sounded, Milby had pulled into the win column, 21-0.

In spite of the standing hex, the Buffs gained recognition as the team to watch as the season progressed. Fielding eight lettermen, they proved more than once that they could upset the biggest. Behind such a line as Hopkins and Dorsey at ends, Barsh and Silva at tackles, Poston and Hart as guards, and Aranyas at center, the backfield of Cook, Flanagan, Rollins, and Gardner had little trouble. The substitute problem was cared for with such reliables as Lambert, Bankston, Foreman, Hamilton, White, Jones, and Gentry.

Milby's next battle was against San Jacinto, but the Bear's Carl Johnson was everywhere that Milby did not want him. Taking first blood in the second quarter, the Buffalos held the lead until Johnson ended a 72 yard drive in the third quarter with a 54 yard sprint. The Bears scored again in the fourth to leave the game 14-7.

In the nip-and-tuck battle with Reagan, Milby took everything but the last ten seconds of each half. Driving up one side and down another, Milby just could not find the goal stripe. Playing twin halves, Reagan waited until the fading seconds of each half to score. Reagan 13, Milby 0.

Showing again the fire and power displayed at the first of the season, Milby overwhelmed the Mustangs 47-0. A new star in Buffalo land, Foreman, outdistanced the Austin secondary twice for scampers of 84 and 63 yards. Ralph Cook, all-city back, crossed the golden stripe three times with Hart-to-Dorsey and Hart-to-Flanagan completing the scoring melee.

Playing the last out of town game for the season, Milby lost a hard one to Corpus Christi. Dan Hart completed 14 of 24 passes and Cook ran as never before, but a persistent Buc team pushed over one more TD to end the game 26-19. Everyone began planning for the Lamar Game.

Facing Lamar for the first time in three years without a championship at stake, the Buffalos out-charged, out-ran, and out-rallied the Indians to end with success a hard-fought season. Lamar scored the first one, but from the third period on it was Milby's game. Hart raced 90 yards behind beautiful blocking for the first Buff score, and Cook and Hamm accounted for the game clinchers. Everyone was happy as the band played "Fair Milby" for the last time during the 1949 season, and the Buffs went home with a 19-12 victory.

Though in the win-lose column the figures showed five for five, the student body looked upon the season as a successful one. Three Buffs won berths on the all-city eleven: Ralph Cook in the backfield and Dan Hart and Bobby Dorsey on the line. Two arch rivals had been vanquished and the most coveted award of all, the Sportsmanship Trophy, was brought back to Milby, a grand compliment to loyal boosters and a hard-working team.

## BASKETBALL REVIEW

### Kohen White

The Herd returned to the hardwoods this year with fire in their eyes and a State Championship in their hopes. Every team in the city was aiming for the top and a wonderful season it was. Although they dropped a few hard ones, the end of city play found Milby with 8 wins to 4 losses, and a season record of 19 wins to 7 losses. Placing second in city, Milby gained a berth in the State Playoffs in Ft. Worth where, as the annual goes to press, they hope to win the State Crown.

Boasting five lettermen, Milby gained respect as the season progressed. Hampered by height, they more than made up for it by fine floor play, sharp shooting, and good teamwork. Two lettermen, all-city Bobby Flanagan, and Ball-hawking Gerald Patton sparked the Buffs at the guard positions, pivot man-and a big one on the back boards-was all-state Richard Wheeler. Controlling the backboards and starring at forwards were letterman Earl Tip-ton and a new comer but showing fine style, Roscoe Hayes. Milby lost only one man, Donald Caldwell, who played good ball and was helpful in many situations. The sub problem was capably handled by a seasoned reserve squad. Through the use of the reserve men at his command, Coach Lee Beeson was able to always field a fresh and strong team. Helping in the tight spots without the glory were such good ball handlers and court men as Carl Nixon, Johnny Hernandez, Bobby Johnson, Walter Lee, and Alfred Salazar.

The regular season was as exciting as one could ever want. Winning two games by only one point and losing three by only 1-3 points could always produce a thriller. It was only fitting that such a season should be ended by such a game as the Milby-Lamar game. Improving as the season progressed, Milby played a brand of ball that many respected. With the chance to go to state at stake Milby beat Lamar by only one point. The lead changed hands several times and Lamar led at the last minute until Hernandez stole the ball and passed to Wheeler for the ticket to State, thus ending a typical game with a typical thrilling final.

For a very good season and one that every Milby booster should be proud of, we congratulate the team and their coach. They well deserve it.

Final news of the season: After this page had been shipped to the publisher, word was flashed from Fort Worth that Milby won the City Conference state crown by defeating Crozier Tech 40-39. Congratulations to Coach Beeson and our championship team!
