

A stylized illustration of a buffalo's head in profile, facing left. The head is rendered in a dark blue color with a textured, almost stippled appearance. It is set against a background that is split diagonally from the top left to the bottom right. The upper right portion of the background is a textured gold color, while the lower left portion is a solid dark blue. The buffalo's head is positioned in the upper right, overlapping the gold background.

Milby High School

Houston, Texas

Recording and keeping a record of each yearbook sold is a big job but Mrs. Perkins books are extremely accurate.

Devotion

We, the staff of the Milby BUFFALO, dedicate the 1966 yearbook to our loyal friend, Mrs. Clyde Perkins.

We could have no truer or more devoted friend than you, Mrs. Perkins.

You have worked without ceasing. You have given of your time and knowledge to your students and to the BUFFALO staff. You could have given no greater gift, and we will remember you always for your devotion.

Mrs. Perkins pauses for a cool drink in the lounge.

Whither Shall We Travel?

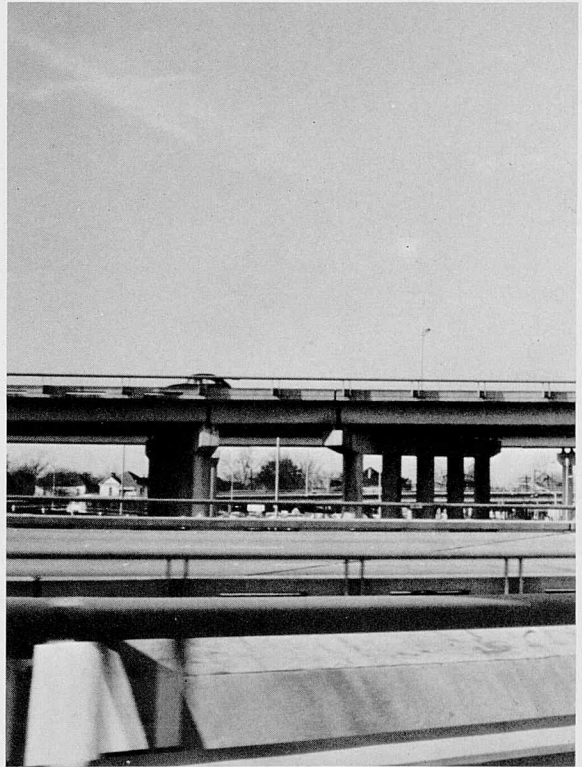

The year has arrived, and many major decisions must and will be made.

The years which have come and gone surely have instilled within our hearts and minds many things which will be remembered always. We have learned in our homes that much love and understanding is contributive to good moral learning and Christian living. Our leaders and teachers during our school years have contributed greatly to our growth in mind and body; and without their patience, devotion, and love for teaching others, roads to a successful future would be extremely difficult to travel. It is to these teachers and our parents that we owe our thanks.

As we travel through life, our pitfalls will be many; however, the road to happiness and success depends greatly on decisions made today.

We must remember always that the world owes us nothing, but we owe all to the world. Happiness in our world depends on us.

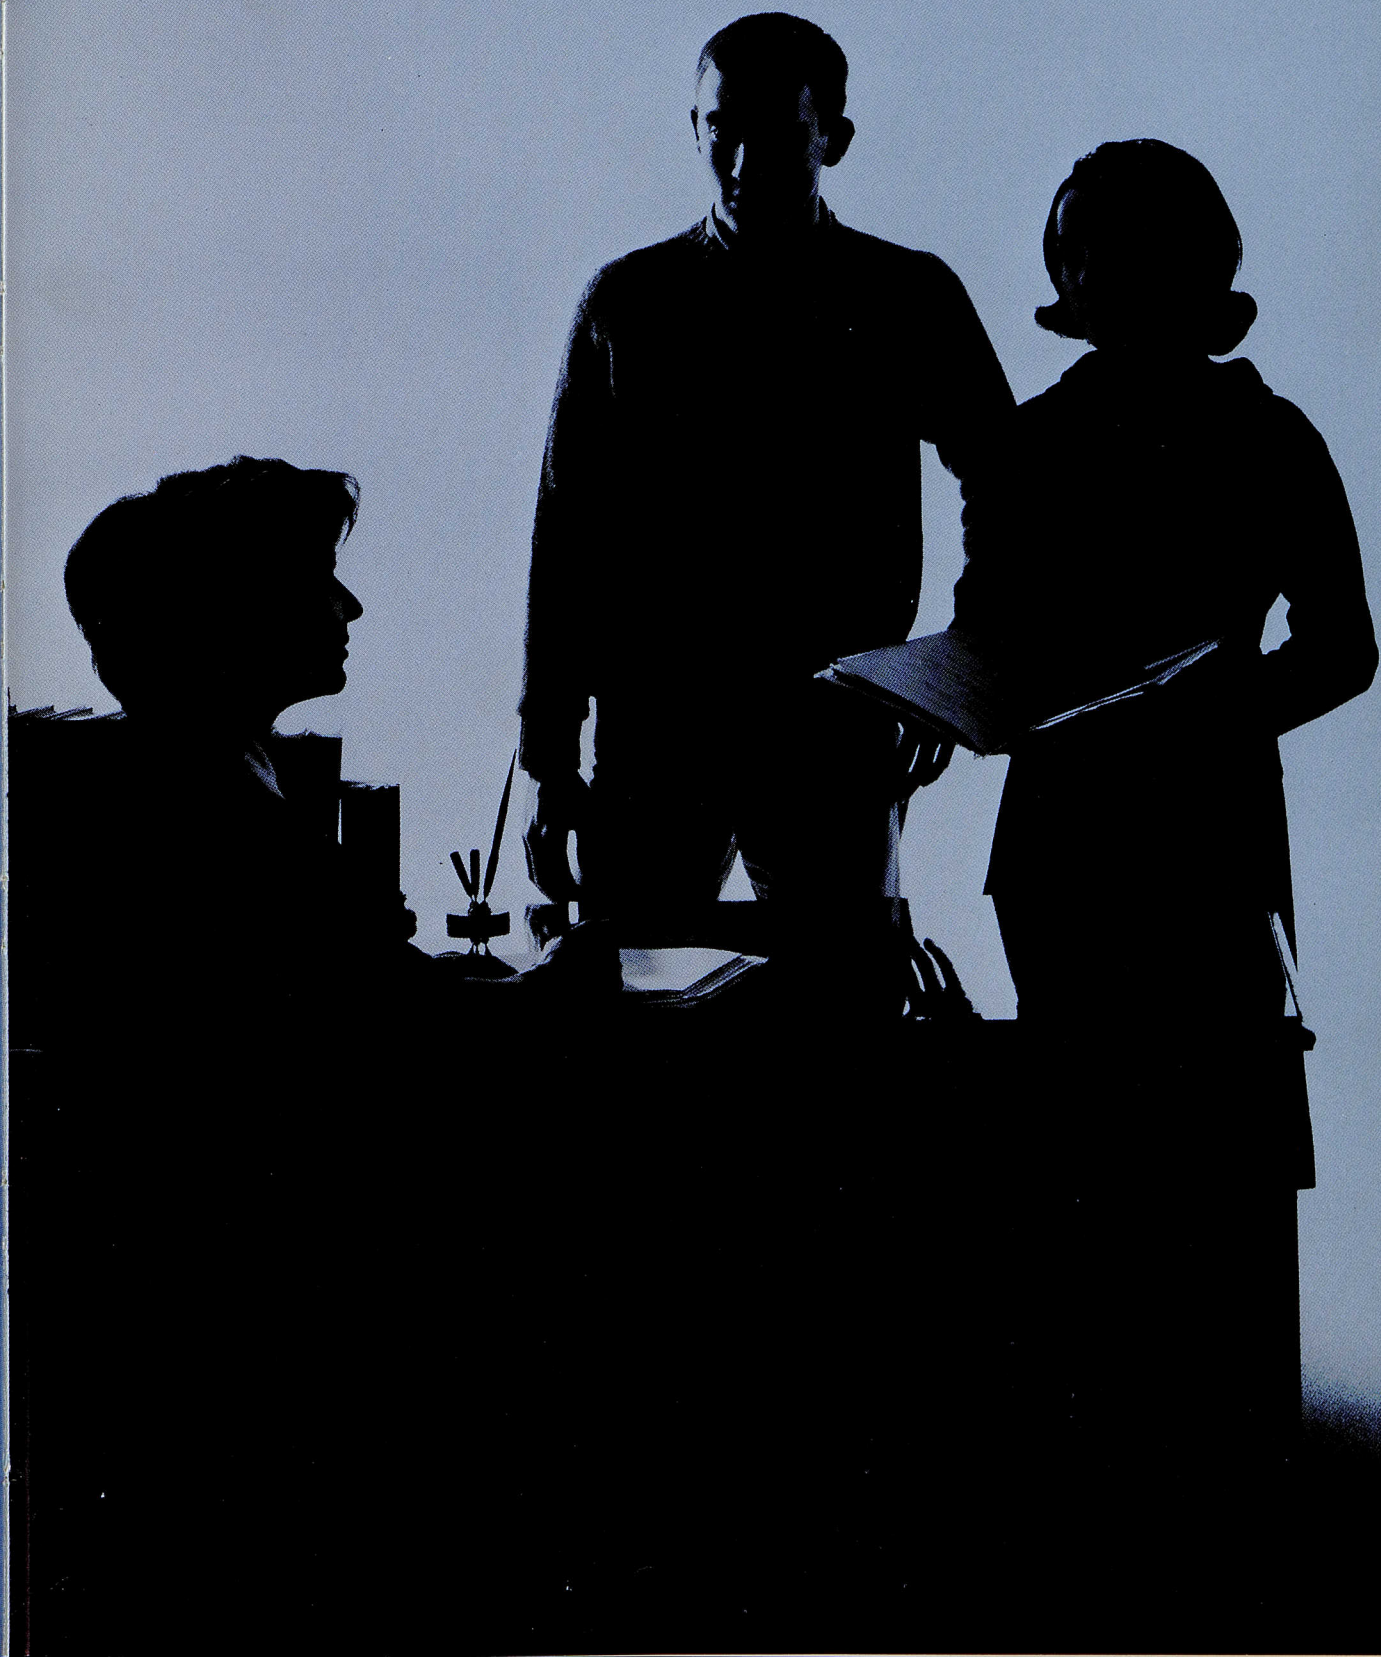

Life offers many avenues of learning. Whither shall we travel?

Do You Know

Dear Buffaloes,

An old man bought some apples that he found exceedingly pleasing. He found them so good that he asked his son to plant for him a tree of that variety. His son refused to plant the tree, because it would take it too long to bear fruit. His grandson refused to plant the tree for the same reason. But the old man refused to give up his dream of a fruit tree in his own yard, and *he planted his own tree*. He also lived to enjoy the fruit from the tree.

Some persons (young and old) think that education will take too long to bear fruit, and because of this idea do not ever plant the seeds of knowledge, understanding, perception of truth, or self-discipline. They do not cultivate mental, physical, or moral development. Age is not a reason for failing to spend one's time and efforts to learn, and to train, and to discipline one's self—so that the fruit of education may be sweet for the remaining years of life.

As the television comedian says "Do it!"

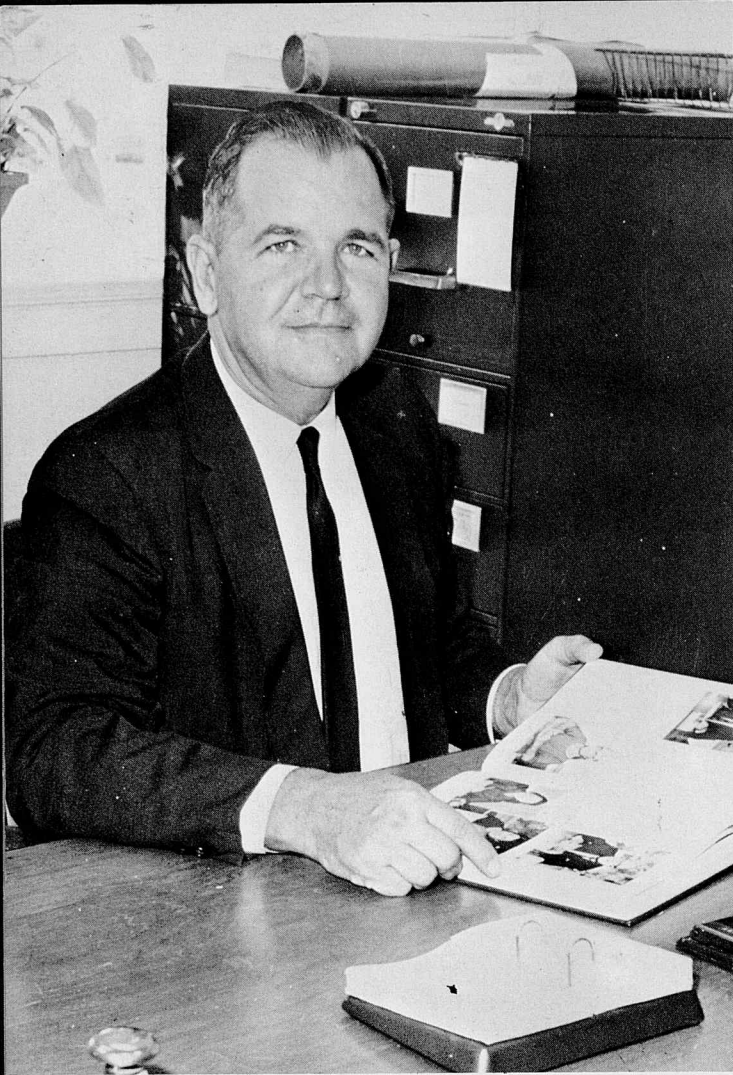

Best wishes,
Roscoe Bayless

Our Assistant Principal

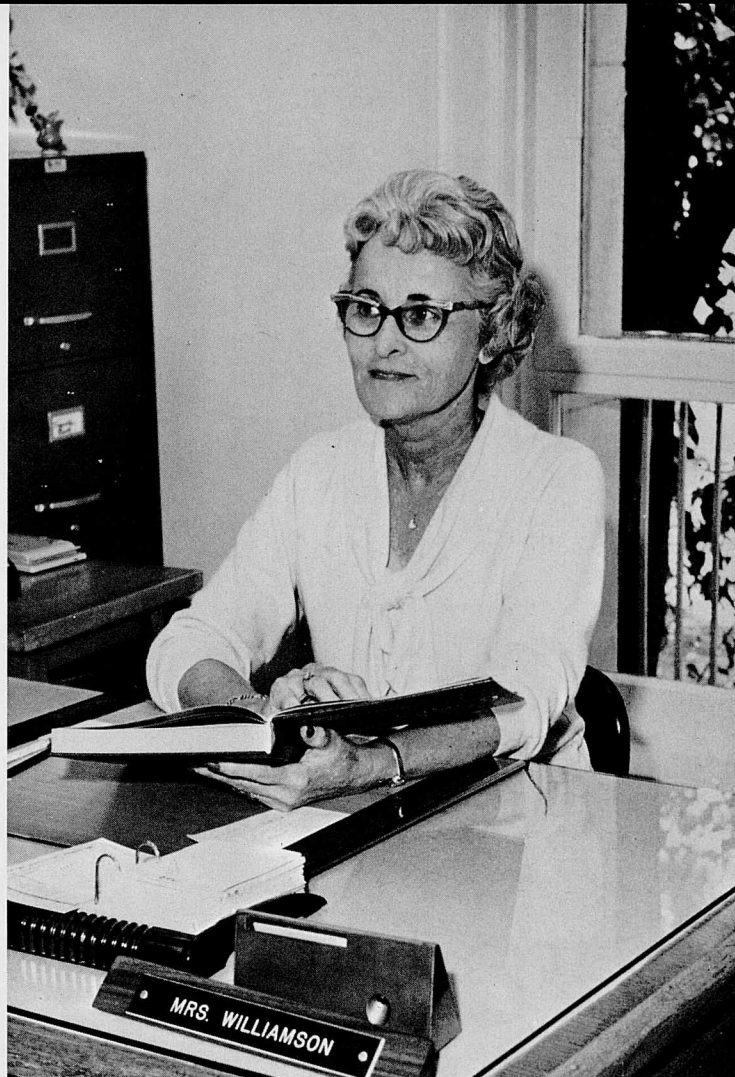

Mr. Henry C. Smith

In life it is important that everyone acquire a well "rounded" education. An important part of a well "rounded" education is learning to "give and to take." One of the greatest assets in life is the ability to get along with one's fellowmen. This is the reason that many famous athletes become leaders; they have become disciplined, much of it self discipline, to the extent that they can give and take. As a result, they are able to get along with their fellowmen. I wish that each student would follow this example.

CHARLES H. MILBY HIGH SCHOOL—

- The school with years and years of interesting history.
 - The home of Charlie Buffalo.
 - The school chuckfull of tradition.
 - The student body with effervescent school spirit.
 - The home of the friendly Coed Cadettes, Ragnots, and Girl's Booster Club.
 - Where each day brings a new challenge.
 - Where students give their very best in loyalty.
 - Where there is pride in scholastic achievement.
- All this and more is Charles H. Milby High School to me.

Guidance Key to

Although it involves a lot of hard work, a career in guidance provides a maximum of self-satisfaction in knowing that others have been helped as a result of these efforts. Much of the success and happiness in life, during and after high school, must be attributed to these dedicated counselors.

They build a solid foundation for the youth of Milby High School and the leaders of tomorrow.

Some of the members of the Art Club use one of their free days to attend the art museum.

The Milby Art Club is organized for the purpose of increasing the appreciation and influence of art in the school. An artist's palette is the club's symbol. To aid the school, the members make posters, stage decorations, and signs for the other clubs and the faculty.

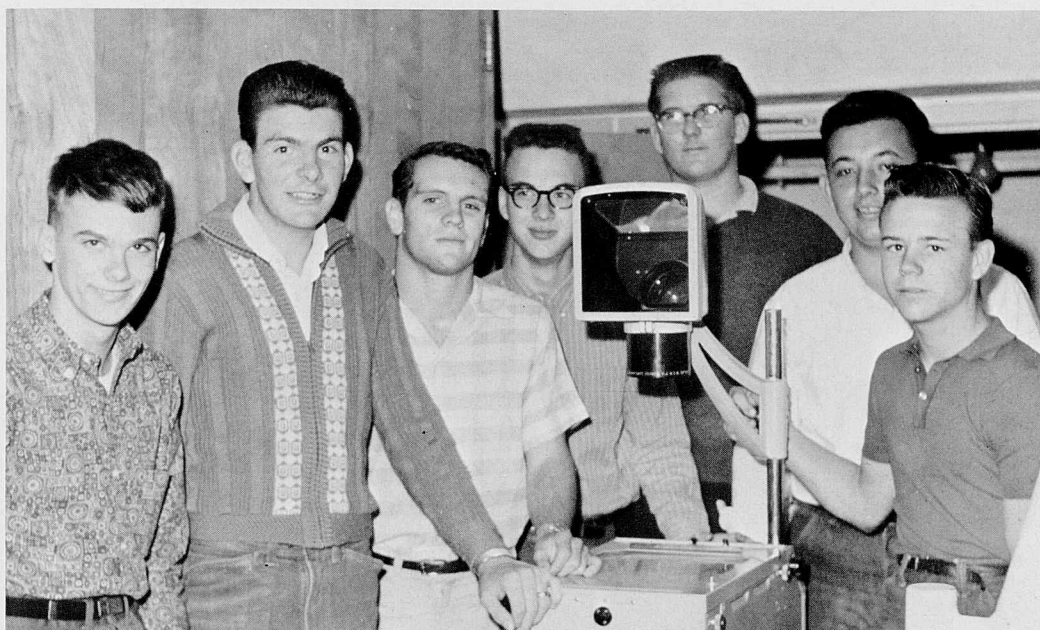

Activities of the club consisted of trips to the Museum of Fine Arts, private art studios, art exhibits at Milby, and a spring picnic.

Though it is only a single school period each day, the Buff Band means more to its members than only a report card grade. They practice during the summer so that they will be prepared to exhibit their best marching at the football games. At the end of the season,

they begin to practice for the long concert season filled with contests, hours of individual practice, and endless performances. Because the members spend hours of time in rehearsals, they will obtain their goal—satisfaction.

"Buffalo" Heads

Creating a yearbook is a much harder task than it might seem. Basic channels of order and authority must be informed: financial responsibilities resolved; and a feeling of unity infused into the complex and numerous processes needed for a yearbook. All of these before the field work begins.

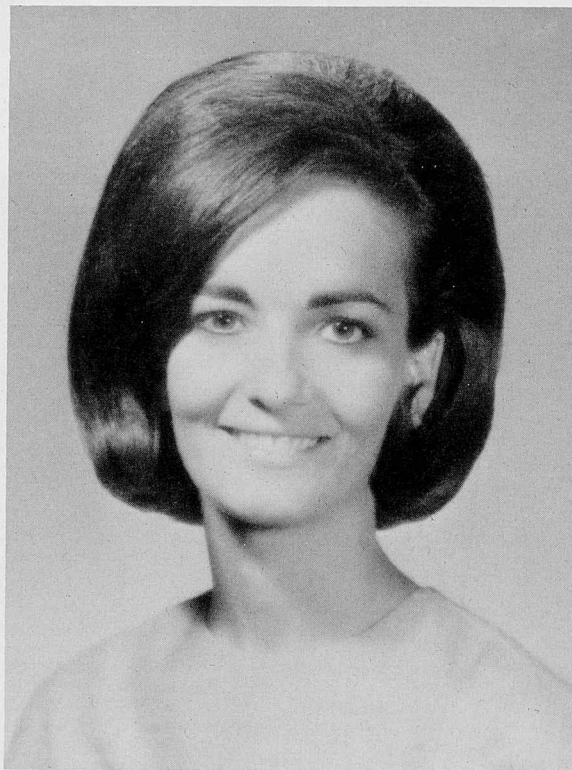

The endless searching for the right words and pictures, the probing for new ideas and situations with which to represent Milby.

At last, after months of work, some of it spread over long intervals, some of it squeezed into brief hours, the yearbook is ready.

It is no wonder that the staff feels not only satisfied, but also EXHAUSTED with THE 1966 BUFFALO.

Barbara Byrd Editor-in-Chief

BARBARA BYRD smiles in spite of the multiplicity of responsibility she bears as editor of the '66 BUFFALO. Coordinating the various aspects of the yearbook required calmness in the face of anxiety, imagination in carrying out new ideas, and versatility.

Always there when we needed her to lend a helping hand, MISS ANN HASTON, editorial sponsor, guided the staff through a hectic, but successful year.

MRS. CLYDE PERKINS, Financial Advisor, with her mathematical precision and incomparable organization, performs the seemingly impossible task of financing BUFFALO.

Unlike most clubs, Milby's Golden "M" Chorus and Milby's Girls Chorus meet as a regular class during the day and offer $\frac{1}{2}$ credit toward graduation.

These music students, conducted by Mr. James McConnell, not only learn music for performances but also develop a deep appreciation for and a wider knowledge of music.

They have performed throughout the year at assemblies, in concert at Christmas and at contest in the spring. One of their highlights of the year was the singing of Christmas carols in the halls.

Milby is indeed proud of several of their students who have obtained membership in the All-State and All-Region Choirs.

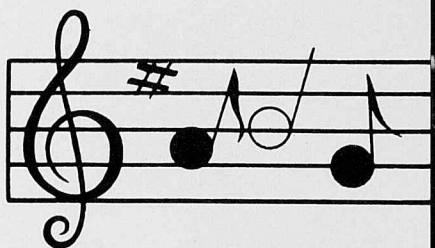

Milby's Quartet consists of Carl Harkrider, Ronnie Springer, Mr. James McConnell, Gary Henderson, and David White.

Dixie Radliff
Major

Enthusiasm, pride, and quality mark the character of the Coed Cadettes. Under the leadership of Mrs. Pidcoke, sponsor, Dixie Radliff, Major, and under the musical direction of Mr. Seastrand, the Coed's fast-moving whirl of events continued all year.

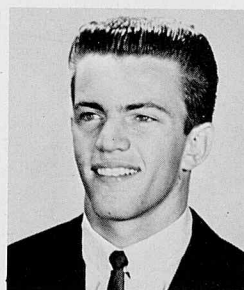

The coed projects each year provide service to school and community. The Coeds publish the school directory, sell candy for the athletic team, and give the annual football banquet, and jointly sponsor the Herd Hoedown.

The Cadettes raise funds for Coed functions through two main projects: sale of magazines and ads for the Herd. Other projects throughout the year provide enough money to help pay for the football and basketball blazers, the senior trip, and the extensive upkeep of instruments and uniforms.

Chess: The Sport of Kings

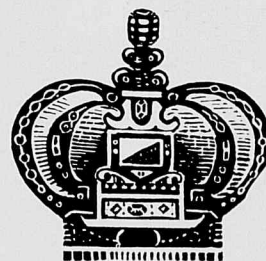

Milby's Chess Club, sponsored by Mrs. Barbara Menton, stimulates young minds and intellects. Although a relatively new club at Milby, the Chess Club participates in school activities and tournaments. At present, the club is trying to promote tournaments with other schools. The Chess Club meets every Monday after school in Mrs. Menton's room. Although small in number, the members of the club are very zealous about participating in the sport of kings.

LAWRENCE DORSETT

The purpose of debate is the promotion of good citizenship. Debate teaches the way to logical thinking. Members of Debate give time, energy, and effort in putting forth a sound, convincing argument. Debate is active in most school functions, especially the A.Y. Carnival. Debate, sponsored by Mr. Lawrence Dorsett, represents Milby at speech tournaments throughout the year.

Debate

In the Act

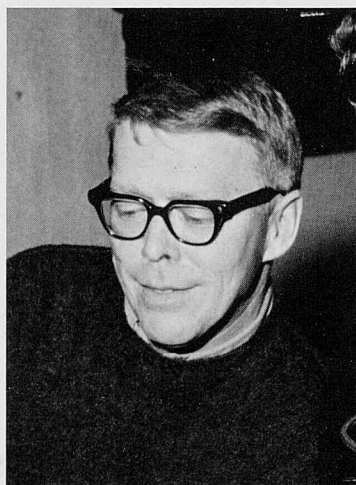

The reality of an actor can be depicted only by looking past the layers of make-up and the disguise of fantasy used to display a character. The Thespians, Milby's fine group of artistic persons, are composed mostly of juniors and seniors who have fulfilled the prerequisites of spending their time on and off the stage and also of having a thorough knowledge of practically every phase of stage activities. The Blackfriars are the service organization of the theatre and consist of people who have the warmth that show people are noted for. Among the plays presented were "The Diary of Anne Frank", "See How They Run", "House of Bernarda Alba", and the senior one-act plays.

Le Circle Francais, the club compiled of the second year French students, and Les Apprentis, the club for the first year students, began their seventh year with the hope of increasing the students' knowledge of France. Films and slides were shown to illustrate the legends, customs, habits, studies, and characteristics of the French people.

In the A.Y. Carnival, the French Clubs presented their annual French Cafe, Cafe de Gait. Students performed French songs and dances to entertain the customers. At the end of the year, a banquet for both clubs was held at Maxim's in downtown Houston with a program put on by the students themselves. This proved to be a very fruitful year for Le Circle Francais and Les Apprentis.

The Plowboy Pack

Future Farmers of America is one of the most industrious organizations to be established in Milby. The boys involved in this club are not only members but also participants. Those boys are the future food producers of the country. They work during school and after school as well as on the weekends receiving instruction in their vocation. Under the supervision of Mr. Wright, the boys enter their projects into various stock shows leaving with top honors in each category. Walking away from their animals, the boys carry with them knowledge, vocation and a personal pride in their accomplishments.

Future Teachers of America is dedicated to stimulating student interest in the field of education. Each Tuesday morning the Milby F.T.A. provides both boys and girls an opportunity of exploring the possibilities of teaching as a career. Planned programs and guest speakers provide a source of information about teaching.

The A.Y. Carnival, cake sales, and other money-raising projects help to finance the Clara McLeondon Scholarship, which is awarded to a deserving senior in the club. Representatives from the club attend the District Convention held in Houston and the State Convention held in Austin. The annual banquet in the spring highlights the end of the year for the club.

The one main purpose of the German Club is to acquaint the members with the native customs and language.

Meetings are held twice a month at the home of a club member. A typical meeting is opened with the recitation of the club motto. Then in German the minutes are read and approved. The program follows the business. Usually, the programs include native speakers, visitation to other high school German clubs, and work in club projects.

One of their outstanding activities is having a booth in the Allied Youth Carnival.

Bisonettes Boost Spirit

The Girls' Booster Club's main objective is to promote school spirit in all Milby activities.

The main activity sponsored by Booster Club is the Winter Whirl. The club also sponsors a booth in the A.Y. Carnival, the basketball banquet, and a style show in the spring.

Girls seeking admission to the club are known as Charlies. They must have a 3.5 grade average and no lower than a G in conduct. They are selected for membership on the basis of merits, club vote, oral interviews in the presence of the officers and sponsors, Charlie tests and Charlie captain's evaluation.

Homecoming '65

Homecoming Co-Chairmen Cindy Scott and Mike Freeman pose with the Homecoming golden buffalo.

"Looking Forward With A Backward Glance" was the theme for this year's Homecoming. Homecoming is an expression which conveys memories of past high school days along with future hopes and dreams. Many an "Ex" whose face had long been forgotten arrived and renewed old acquaintances and made some new ones.

The day which was to be filled with anxiety, enthusiasm, and fun started off with the traditional bicycle ride. The pep rally which quickly followed heightened the rising tide of enthusiasm. All the hard work and planning was put to an end with the crowning of Dixie Radliff as Homecoming Queen.

We Work With Metals

1965-1966 Members

Mr. Fitzgerald, officers, and sweetheart

Repairing all types of equipment is an important service for the school performed by the I.M.C. Building better workers for the future, developing character, and improving the basic skills and fundamentals of the art of metals, are important services for its members. These goals are achieved through programs designed to improve safety habits of working men, and to build stronger minds and bodies. However, the most important benefits that members derive from club membership are leadership qualities, valuable in future job situation.

Promoting Better Relations

Junior Red Cross Members

"Promoting better relations among the young people of the world by extending aid to the ill and less fortunate," is the motto of the Red Cross. A foreign exchange book was made by club members this year. This book contained a complete chronicle of the school year and was sent to Teipei Senior High School in Teipei, Formosa. In return, the club received a book from their school, telling about their school activities and curriculum.

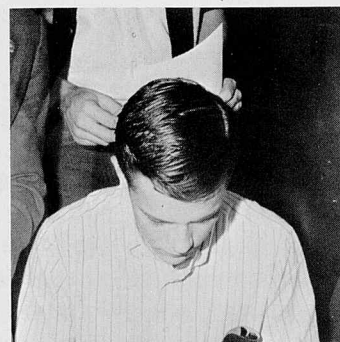

Other Red Cross activities included projects such as making center pieces, Easter baskets, and party favors for use at hospital parties.

Key Club

Key Club is an organization in action. Its members carry out many service projects for school and community.

During the year, such activities as assembly programs, a luncheon for the sponsoring Kiwanis Club, the annual "Door and Room Decoration Contest" at Christmas, and the selling of peanut brittle, help to stimulate member interest in unselfish service and leadership.

Among some of this year's projects, Key Club had car washes, hay rides, and a basketball game against another club in order to raise money.

OFFICERS: H. Jones, Treas.; C. Wade, Pres.; N. Lutz, Parl.; G. Munneke, Publicity Chrmn.; P. Stinebower, Sec.; J. Lutz, Scrapbook.

The Junior Classical League, better known as the Charles H. Milby Latin Club, began another year with a new and qualified sponsor, Mrs. A. Smith. At the beginning of the fall semester, plans started taking shape for the annual Texas State Junior Classical League Convention to be

held in Baytown. As the convention approached, Latin speeches were memorized and costumes were pieced together. After the convention, the pace slowed down, and the Latin students looked forward to a joint meeting with the Jones Latin Club to end the year.

Let Your Brain Grow

Year after year, before and after school, and during all the class periods, dedicated people were found working hours making sure everyone found the material they needed. Not only did this club help the school out, but it also attended a convention in the fall and one in the spring to help better its members for this work.

Athletic Ability

The athletes are eligible for membership in the Lettermen's Club by earning a varsity letter in football, baseball, track, golf, tennis, or swimming.

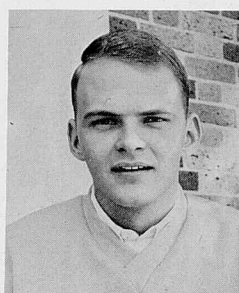

The club was organized to help athletes from the various sports become better acquainted and to promote good will among teachers and students. The organization assists the school spirit, and developing character and self-discipline. Members of the Lettermen's Club also aid in patrolling the cafeteria and halls during the lunch hours.

Journalists at Work

The PLAINSMAN staff was made up of ambitious young people who slaved to make our school paper one which was outstanding among others. Every two weeks a paper filled with lavish illustrations and newsy editorials was sold to the students of Milby.

Aspiring reporting and new experiments in typography were a few of the high points of the PLAINSMAN.

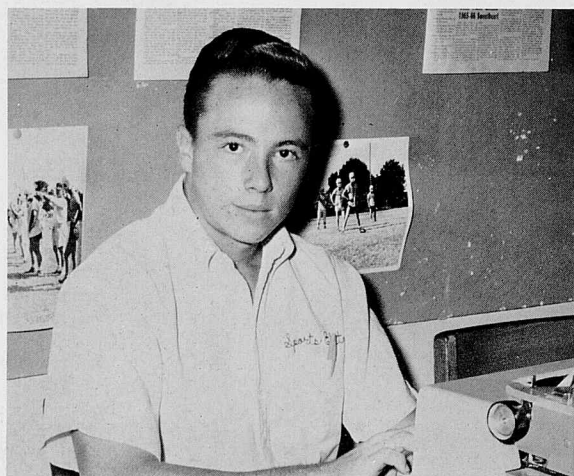

The staffers also were in charge of the Kaleidoscope, which is an all-city talent show. The students of Milby should be proud to have had such dependable staffers on the PLAINSMAN who never tired and were always ready to correct their mistakes.

Ragnots

We Are the Ragnots!

The Milby Ragnots is an all boy's club organized to promote school spirit. The 170 members meet every Wednesday morning in the auditorium. All members are required to boost all activities in which Milby students participate.

Each year the club has many activities, including the annual hayride and a booth in the Allied Youth Carnival. Ragnots also pick the lineman and back of the year.

For the first time this year, Ragnots had a senior trip and a banquet.

As service projects, Ragnots helped the cheerleaders attend cheerleader school and gave uniforms to the football trainers.

To provide enrolled Cadets with a useful background for intelligent citizenship is one of the many goals of the Reserve Officers Training Corps. Cadets are taught the important principles of leadership, of orderliness, and of general courtesy. With an instilled respect for authority, the Cadet will pass his patriotic habits to others by his actions, thereby benefiting his community greatly.

There are eight girls who are selected as sponsors of the various battalion divisions. These sponsors also handle all records and correspondence for the Cadets.

The ROTC Band participates in parades and reviews as it accompanies the various battalion. Milby is extremely proud of these hard working Cadets.

Leaders of Tomorrow

Mike Holland—*president*

The government of Milby rests in the hands of the Student Council, an organization consisting of one representative from each homeroom. The officers are elected by the student body and must have a "B" average with good conduct grades.

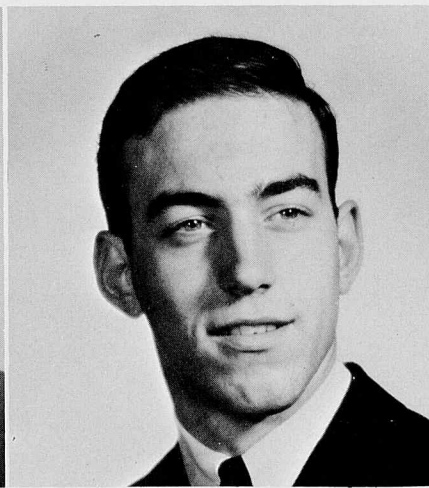

The Council provides a medium of cooperation between the faculty and the students. Students are given a chance to participate in student government and to represent Milby in many activities.

Some of the various activities Student Council is in charge of are: sophomore orientation, selling senior rings, and student elections.

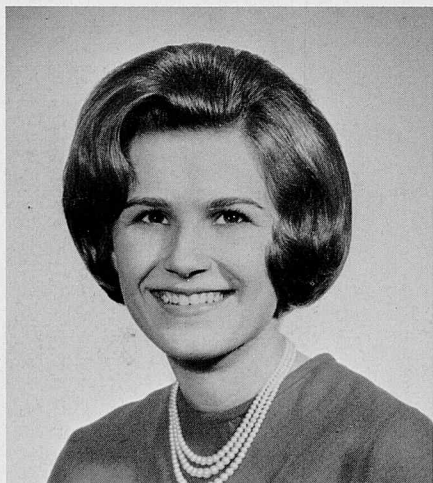

Members of the Council have an opportunity to work with groups from other schools of similar size, to grow in knowledge and organizational ability, and be of further service to the school.

The Vocational Industrial Club of Texas is composed of eight districts. Each district is composed of local chapters.

The Milby Chapter is 133 Cosmetology. As a member of District III, the club attends two district meets. At one, officers are elected, and at the other, contests on hairstyling are held. District officers and winners go to the state meet to compete in state contests.

As a service to the school and community, the class performs such duties as manicures and all forms of hair care for the teachers, patrons of the community, and students.

On Sept. 11, 1965, the Milby Bufs opened their football season by beating the Lamar Redskins with outstanding defensive play and a steady ground gaining attack. The Bufs scored with 4:19 left in the first quarter and again during the 3rd period. The Bufs did not allow the 'Skins to come any closer than to the Milby 45 yard line.

Benbrook's fine run on a screen pass sets up the Buff's second score.

The mighty Milby defense, 1st in the city, starts to roll.

Undefeated Milby won their second consecutive game as they rallied past winless City Champion Jones. Milby's first tally came on a 15 yard run by Benbrook in the first quarter. O'Neal fired a pass to Kelly for the two point conversion. In the second period, Milby upped its margin to 16-0. D. Evans dove for three yards behind Parker and Fry for the score. A two point pass to McDuff raised the score. The Falcons played 'possum until the third period when they rallied for six points. Then Douty's explosive 75 yd. punt return, put the Buffs far ahead. A fourth quarter effort by Jones was not enough to surpass the Buffs.

All city defenders Kincaid, Godeke, and McDuff put the shackles on an Austin ball carrier.

Both teams display the spirit of good sportsmanship after the rivalry.

The undefeated Buffaloes swarmed over the luckless Austin Mustangs 12-7 as J. O'Neal led a balanced offense to victory. After a scoreless 1st period, O'Neal capped a 78 yd. drive with a one yard scoring plunge early in the quarter. Benbrook's kick was blocked. The Buffs scored again with 57 seconds left in the half, but the two point attempt failed. G. Petty's receivers could not hold on to his zippy passes until the fourth quarter when the Mustangs drove to the Milby 6 yard line. Austin's score came on another drive and a 20 yd. TD pass from Petty to Zaragoza with 1:15 left in the game.

James O'Neal circles right end and dives for the Buffs first score.

South Houston young Trojans surprised the Buffs and knocked them out of state contention Friday night, Oct. 2. S. H. scored on 2 long runs, the shortest of which was a 62 yd. run around end. The next was an 84 kick off return. The other Trojan score came on a 5 yd. pass from Blackwell to Archer. Milby's lone score came in the 1st Quarter on an 8 play 66 yd. drive with J. O'Neal going over from the 1.

This was Milby's first defeat of the season after three straight wins. This defeat was due mainly to injuries suffered in the previous game with Austin.

J. O'Neal is stacked up after a short gain.

O'Neal finds running room this time and goes in for the score.

Crippled Milby was plagued by the whole game and did not get a drive started until the last half. As the gun sounded, Billy Alexander caught a thirty-two yard pass from James O'Neal. But this was too late in the show to get something started and the game ended with a boring nothing to nothing score.

As in the past two games, injuries have marred the Buffs' attack. The Waltrip game was no exception. Waltrip scored on a Buff fumble and a long pass to Adams. The Buff defense held well the rest of the night even without the services of four starters. The Buff offense moved up and down the field all night and got inside the twenty yard line over a dozen times but could never seem to score. Great defense was shown by Helton, Kin-kaid, and Fry while offensive ability was shown in Alexander, O'Neal, and Douty.

Douty sweeps right end.

The Buffs were long overdue . . . after two losses and a tie, the herd unleashed a massive offensive attack on the Reagan Bulldogs. The alert Buff defense picked off 6 Reagan passes which set up four touchdowns and a field goal. Reagan scored first, driving 78 yards in 11 plays with Quarterback David Hoot going over from the one. From then on, Milby hounded the Bulldogs with

outstanding defensive play and an effective offense.

The Buffs' five scores came on a 39 yard play by Benbrook, a field goal by Kelly, two scampers of 14 and 1 yards by Douty, and a one yard keeper by O'Neal. The Buffaloes won their homecoming game with the same fervor they had displayed in their opening games.

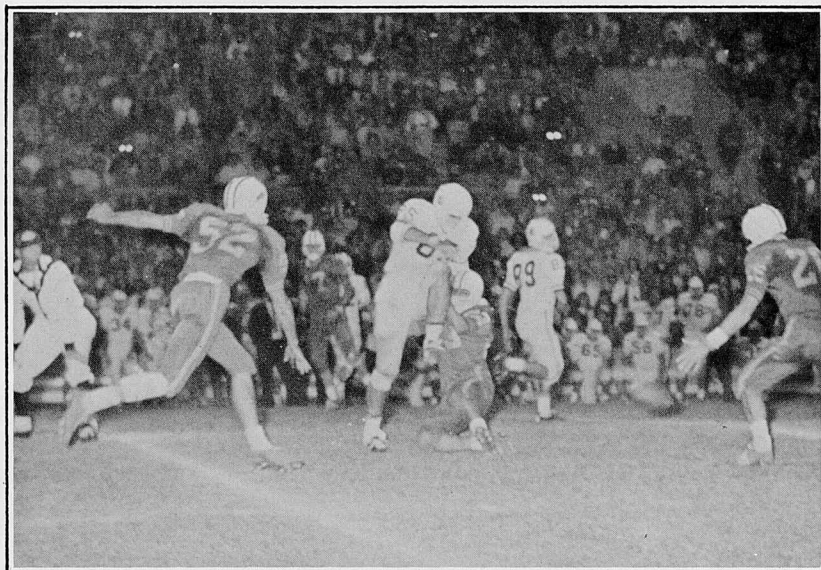

For the final play of the game, Gottsleig catches a pass from Thompson to put the ball on the 2 yd. line.

J. Kelly receives a Davis fumble early in the second period.

Quarterback James O'Neal engineered the Buffs as they derailed Davis 27-0 in a 9AAAA run-a-way at Jeppesen stadium. After Milby's first score, Guy Parker fell on a Panther fumble on the Davis 27 to give the Buffs their second scoring chance. Only five plays later, the Buffs scored on a nine yard run by O'Neal. O'Neal scored three times in the second quarter to move the Buffs into a 21-0 lead at half time. In the third quarter, O'Neal hit Kelly at the Panther 25 to make the final score 27-0.

Evans breaks up the middle for big gain.

A quick defense and steady offense gave the Buffs a 12-0 win over the Sam Houston Tigers. The Buffs scored in the 1st period on a 60 yard drive. Then in the third quarter, one touchdown was called back because of clipping. Early in the fourth period John Kelly drug two defenders over the goal with him, capping a forty-eight yard

drive. One more touchdown was called back late in the fourth quarter because the referee lost the ball in the fake to the line. The Buffs displayed team effort all the way and went home with their third district win. The next Thursday marked the climactic point of the Milby football season with the game against the Lee Generals.

Zone II Co-champions
with Lee and Waltrip

The Milby Buffaloes rolled up their seventh win of the season by soundly whipping the Lee Generals 7-0 in the mud of the Jeppesen Stadium. Coach James Truelove's rugged squad overpowered Gil Bartosh's ineffective Generals. Lee failed to make a first down and was limited to 13 yd. total offense. The Buffs' TD came midway in the third quarter on an 86 yard drive lasting 7 plays. The big play of the night came on the second play of the drive when halfback John Kelly broke several tackles and raced 51 yards through the mud. Five plays later Donny Evans bulled his way for 15 yards and six points. Kelly kicked the extra point. For the Buffs, the game was a team effort all the way with many Bisons competing despite minor injuries. The Generals represented Zone 2 because they had scored the most points against Milby and Waltrip.

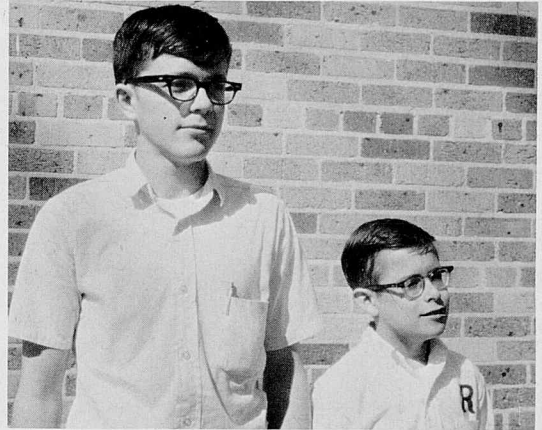

The Buffs listen to their alma mater, "Fair Milby", at the end of the season.

Coaches . . .

Coach Shoemaker is surrounded by the anxiety of the game and the players.

The Milby Varsity finished the season with an impressive 7-2-1 record. The fighting blue was No. 1 in the city in both offense and defense, with the offense averaging over 256 yds. and the defense allowing only 149 yds. The Buffalo along, with the rest of the Milby student body, would like to express its gratitude to both the players and coaches for their outstanding performance.

Trainer John Lutz and Manager Herman Taylor

Coaches Brinkley, Shoemaker, Ray, and Truelove exhibit exuberant enthusiasm.

NOTE TO THE SENIORS

"The heavens glow with a sense of accomplishment, and time stands still . . ."

A blue-robed young man hears his name called. The pomp and ceremony suddenly seem distant as he rises and walks into the past.

He is a stumbling, bumbling sophomore, unable to find his classes in his strange, new world. He is eager to learn and anticipates three exciting years.

He is a spectator and cheers as a blue and gold jersey scampers across the goal line for the winning touchdown.

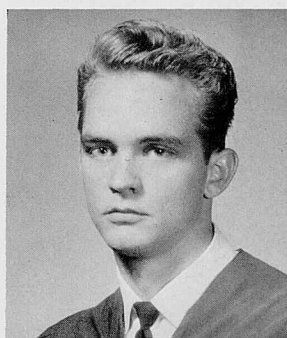

He is one of many at the annual winter formal and is filled with enjoyment at the senior prom.

He is participating in school activities, and feels as if he is a part of a group unified by school spirit.

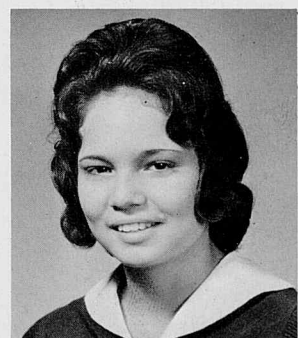

He has his problems, large and small, yet they all seem unimportant now.

The golden ring about his finger gleams in the light. As he mounts the steps to the speaker's platform, he completes the steps of the last three years.

He is not an insignificant member of the line ascending the steps. HE is singled out. HIS name is called,

Baker, Phil

Barajas, Esther

and all eyes are on HIM.

The priceless piece of paper is thrust into his hand while his other hand is shaken in a firm and friendly grasp. A voice speaks, "Congratulations." His heart throbs and surges with pride. The three years at Milby bring knowledge, joy, and many happy dreams. But they are now memories, and he is wondering . . . about a lifetime which awaits him.

Oh it was nothing "Press Box", just a contact lens!

When you think of shopping, think of
Foley's. 3 big stores always ready with
everything a student needs to be on the
winning team . . . in the classroom, at
the game . . . everywhere!
