#### Dedication

Mr. Niemi, you have been a true friend to us. Hou have overlooked our forgetfulness, our carelessness, and our inconsideration. Hou have made us look within ourselves and laugh; you have pushed us farther along on this road to maturity. Hour calm resolution and your perspective of life have taken away our anger and substituted understanding. As a very small token of our sincerest appreciation, we, the staff of the 1967 Buffalo, have dedicated our year-book to you.

The plan was for a structure (it needed to be strong).

There was a need for learning, the building must stand long.

This was a dream born of need to pace our growing land;

Our leaders felt the burden of meeting this demand.

A building—just a building—stood complete,
With yet the challenges of time to meet.
The stage was set; the tools already here
"Which way to go?", the question of the year.

Tradition has endowed itself among our hallowed halls.

Loyalty to country—names in bronze upon the wall—

Are those who went in valor when they heard the Nation call.

Our trophies tell a story of the ones who passed the test.

They rose to meet the challenge and proved the team the best.

These men of might and muscle had a message to convey,

That spirit was behind them and their motto was fair play.

The ring upon the finger is Tradition from the start.

To us, the grateful seniors, its design is known by heart.

For during every senior year, the ring has played a part.

Stevenson and Bayless are the names of those who led

This mighty school to greatness, down the road that knows our tread.

Their spirit and ambition they have given willingly,

And all of us can echo, "This, I know, they did for me."

Of clubs, we have many, which Milby does host.

Their aims, their objectives, of these we do boast.

Of their spirit and projects we've nothing to hide.

And knowing the hurdles they've taken in stride,

We have for these clubs the greatest of pride.

Tradition is Charlie, that staunch Buffalo.

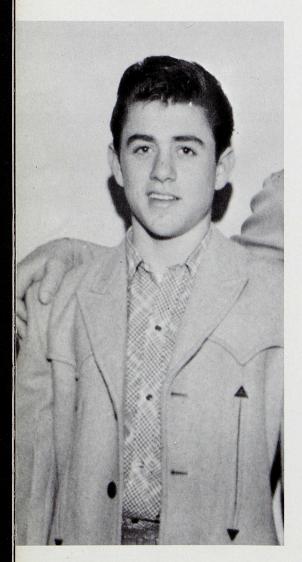

And when we are here, how could spirits be low?

We show him at games, for the faithful to see,

He leads our Tradition—his name is Charlie.

Schools are made great by Traditions they hold,
And all of us know, that our greatness so bold,
Has been thus achieved by our plans and ambitions,
For Milby is great . . . it's Milby's Tradition.

# A Kife So Kull, And Het So Houng . . .

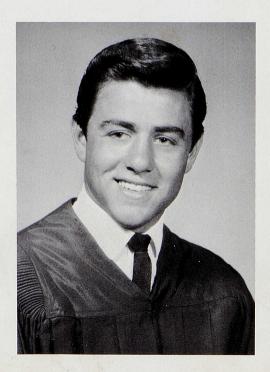

This was the life of Sammy Frank Rezzoffi, or Dimpy to those who knew him and those who called him a friend.

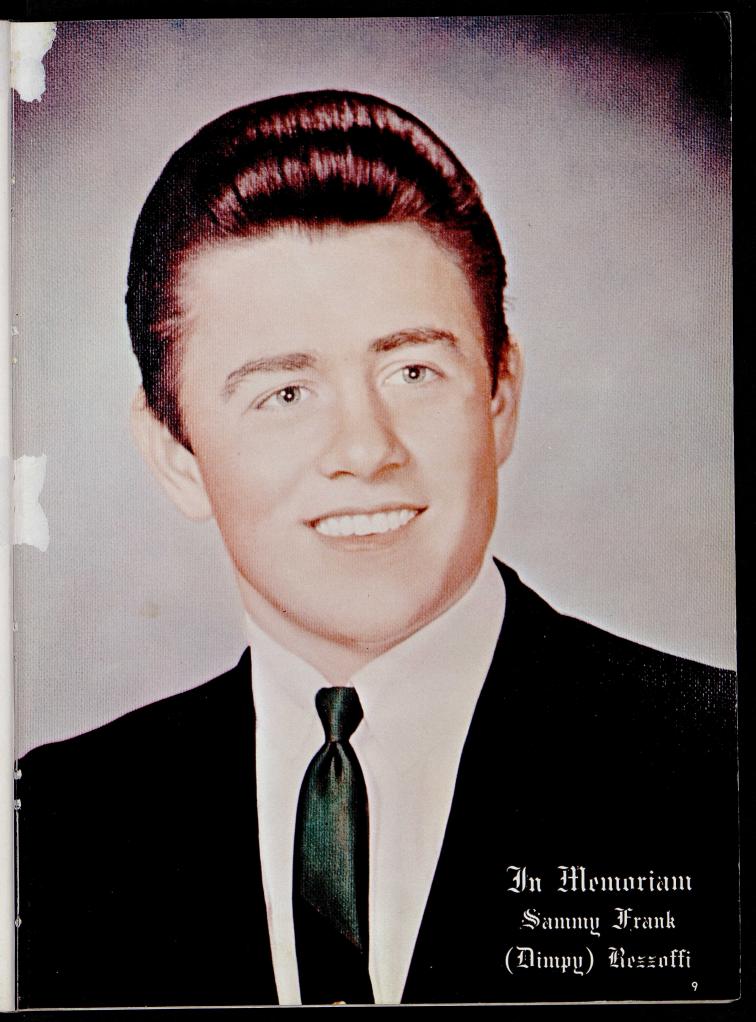

We all knew Dimpy as a boy of neat physical appearance; and he seemed to possess a subtle pride in his immaculate dress.

He seemed always to be busy, and the honors rarely passed him by—Little Mr. Houston, Baby Oiler, Varsity football player, recipient of the Lyon's Club Sportsmanship Award, Runner-Up Most Handsome for two consecutive years, a champion roller skater. Busy as he was, Dimpy was able to maintain a "B" overall average.

Everyone knew Dimpy. Even if they didn't know his name, they knew him by that friendly "Hi! How are ya?" A friend once said of him, "Everyone liked Dimpy, he had such a friendly personality."

Dimpy was young, too young to die as he did. He had to leave too many things unsaid and undone; but, his memory is a bright one, a clear one, and a happy one.

## Mr. Bayless Offers Advice to the Youth of Today

Dear Buffaloes,

Advice comes from all places and all people. Dieticians tell us what we should eat and what the results should be. Doctors advise us about our physical activities. All this should result in physical well-being.

My advice to you is to keep your hearts and minds on noble and high things. As Paul said in his letter to the Philippians: "... whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things."

Yours for a finer year, Roscoe Bayless

Our budding principal, Mr. Roscoe Bayless.

"I've had two reports from Charlie on you, Calvin."

A very wise man once told me that the best students in town go to Milby High School. I found this to be true then and I find that it is true now. Even though I was aware of this before, I never appreciated it like I have this year. Your conduct at school and at athletic contests has been excellent. I have heard many compliments on your good behavior throughout this year and it makes me very proud to be a part of Milby.

To the Seniors that are graduating, I wish you the very best of luck. To the undergraduates that are coming back, I am looking forward to another fine year.

Mr. Claude Brinkley

#### Our New Assistant Principal

Our new assistant principal Mr. Claude Brinkley

#### Our Honorable Bean

A friendly smile and a congenial "Good morning" characterizes our own Mrs. Williamson. Whether one is being reprimanded for missing too much school, or just in for a friendly chat, Mrs. Williamson displays a friendly, but firm, attitude.

Without our dean, there would be total chaos, as to school attendance, and without attending, how could we learn.

Thank you, Mrs. Williamson, for your sincerity and your patience.

Our Dean, Mrs. Dona Williamson

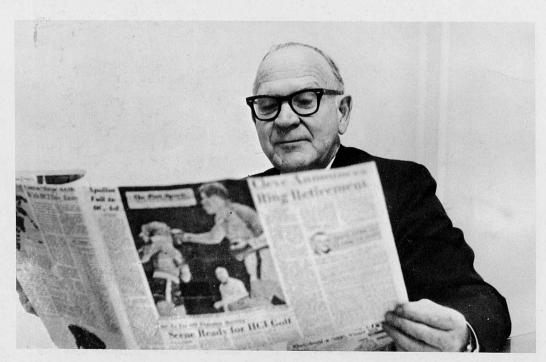

The Dean displays her unusual strength.

Mrs. Gladys Price

Dedication best describes the three counselors of Milby High. In order for one to obtain knowledge—knowledge of opportunity—he must seek guidance from a professional. Our three counselors are truly professionals, for they spend much time and effort showing us "the light" of knowledge. Facts and ideas, learned through their own experiences, are cheerfully related to us, any time, and any place, as we may request.

Mr. G. E. McWhirter

#### The Key In A Brighter Huture

To these three dedicated people, who deny themselves much to give us a helping hand, we must say—

Thanks again.

Mrs. Janie Patterson

"Look, Lucky, it's about time you learned who's the boss of this outfit!!"

The 1966 Milby Homecoming was not the excitement of just one day or one football game. Ideas were taking focus and plans were being made many months in advance of the date set for our big celebration. During the summer, Milby students gathered at bake sales and come-as-you-are breakfasts to raise money to finance the Homecoming activities.

The Day began with a mass bicycle ride to school, ending at the front steps in time for a pep rally. During the Day, Milby Ex'es roamed the festively decorated halls, visiting old teachers and reminiscing times past. That night at the Homecoming football game with Austin, Pam Glen was crowned Homecoming Queen. At the Homecoming Dance after the game, students and Ex'es rocked amidst football mums and colored crepe paper to the swinging sounds of the Chapter V Band.

### Krom a Tragedy to a Comedy

On the first weekend of the fall semester, tragedy struck Milby's Drama Department. The Blackfriars' Theater, painstakingly built by drama students, was totally destroyed by a fire caused by faulty electrical wiring. Because of the concern of drama enthusiasts in the community, construction began immediately on the new Phoenix Theatre. The theatre was so named for the mythical Phoenix that rose from the ashes to new heights of greatness.

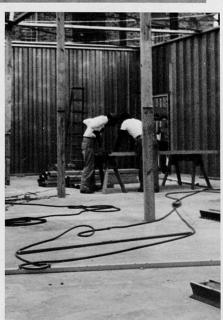

The charred remains of the Blackfriars' Theater stood as a challenge to all Milby students with a love for culture and drama.

Milby's Chapter of Allied Youth stands alone in the city of Houston but shares its views with colleges in the surrounding area, because AY Clubs are connected with college level Allied Youth Alumni.

AY spreads its influence throughout the school year with various projects—the annual AY Carnival, the Sadie Hawkins Dance during the spring term, and the sale of plastic book covers. Also, the idea of another Kiddie Party this year has arisen.

Our Allied Youth Chapter is active in various conferences in the United States and the Texas area. In the past years, they have attended International Conferences in Washington, D.C., and Pennsylvania and Texas' own Southwest Conference in Fort Worth.

## Buffalo – Heads

Building a yearbook from the ground up is not the easiest job in the world, as the staff of the 1967 BUFFALO can testify. All sorts of unknown obstacles greet the optimistic staffers the very first day of school. There are ads to sell, a quota of yearbooks for each staffer to sell, and, of course, pictures to be scheduled. But the staff meets these hurdles and overcomes them.

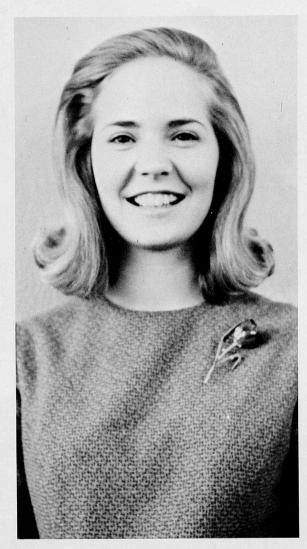

The members of a yearbook staff are an unusual group of students. For most of the year they are a conscientious group of journalism students, but when a deadline approaches, they become a hair-tearing teeth gritting, pencil chewing group of Dr. Jekylls and Mr. Hydes.

It is this frantic and exhausted group that brought you the 1967 BUFFALO. We tried our best.

With inexhaustible patience and helpful ideas, BUFFALO sponsor MISS ANN HASTON guided the staff through another exciting year.

SHERRY GOOD, EDITOR-in-CHIEF of the '67 BUFFALO, smiles in spite of the great responsibility she bears in coordinating the work of many into an attractive and colorful yearbook.

### Chorus Aevelops

Milby's Golden "M" Chorus and Milby's Girls' Chorus are offered during school hours as a regular ½ credit course.

While Mr. James McConnell directs his singing students during class and at various performances, the students develop a greater knowledge of music and an appreciation for singing.

Throughout the school year Milby's Golden "M"

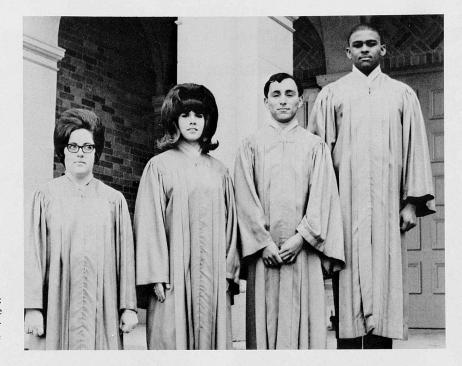

and Girls' Chorus have performed at many activities. Among these were the "Gay Ninties" program, the many Christmas assemblies, Christmas Caroling during the school day, the U.I.L. Choral Music contests—both as a group and in solo and ensemble, the Spring Concerts with the Band and Orchestra, and many others where they were asked to provide enjoyable music.

"... And entering, ladies and gentlemen, from the north end of the field ..."

This familiar sound has echoed through the Milby stands time and again this year, reminding football fans of the outstanding, high-stepping Coed Cadettes. In addition to performing at football and basketball games, Coeds support the baseball team and sell candy to aid the athletic department. Coeds also serve their community in various projects such as selling poppies and appearing at local civic affairs. Other projects for the year have included a Smorgasbord, a book review, candy sales, and climaxing the year with a glorious senior trip to the Bahama Islands.

This has been one of their most successful years and they were proud to represent Milby High School in their high-stepping fashion.

#### Cheerleaders

The sole objective of the Buff Cheerleaders is to arouse enthusiasm among the many Milby supporters.

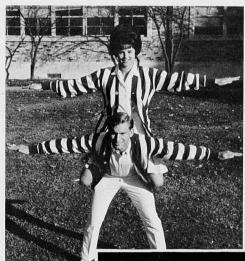

To prepare for this task, the Buff Cheerleaders attended the National Cheerleader School held at S.M.U., in Dallas. Practices every night during the summer paid off as Milby's team, for the eleventh straight year, received first place honors in Divisional Competition. In Open Competition, consisting of more than one thousand schools, from several states, Milby's cheerleaders placed first for the second consecutive year.

Leading cheers during football, basketball, and baseball seasons led to an exciting year for the Milby cheerleaders.

Distributive Education means business learning. To keep up with their academic program, DE students attend their morning classes and then it's off to their jobs in local business.

Milby's DE department has a two year course of study. The first year basic selling, business mathematics, business communications and business and store organization are taught. In the second year of study they are taught advanced selling, sales promotion, retail credit, merchandising, and economics in distribution. The school supply store, "Charlie", gives students retail practice at Milby itself.

Every Wednesday morning each week the Milby Chapter of the Future Farmers of American holds its meetings. At these meetings, plans for the chapter are made and club business is discussed. The sole purpose of the club's existence is the development of agricultural leadership, cooperation, and citizenship.

Over at "the pens" activities revolve around livestock projects. Many hours are spent there to learn first hand about vocational agriculture. Each year at rodeo time, Gulfgate is the site of the livestock exhibit which is later entered for sale in the Houston FFA show.

The social highlight of the school year for the FFA is the Herd Hoedown, held annually in December. The annual western dance, sponsored jointly by FFA and Coeds, presents one Milby girl with the title of FFA sweetheart.

# Today—Teachers Tomorrow

Stimulating student interest in the field of education is the byword for Milby's Future Teachers of America. At the meetings every Friday morning, planned programs and guest speakers stimulate young minds about the possibilities of teaching as a career.

Each fall, new members are accepted into the club at an induction tea. Each year, the Clara McLendon Scholarship is awarded to a deserving senior member of the club. This year, the club sent representatives to the District Convention. At the convention, a Milby girl was elected to a district office. Representatives also plan to attend the State Convention in San Antonio.

The annual banquet is the spring highlight of the year.

# Proud Traditions

Studying the various aspects of German culture is the main purpose of the German club.

Under the sponsorship of Mrs. Ingeborg Ingham, the club listens to guest speakers and views films on typical German life.

Founded in 1960, the club now has about 40 members, who in addition to these activities, each year participate in the TAGS Convention, which enables them to listen to and speak conversational German, and in the Allied Youth Carnival, where their Hoffbrauhaus, or rootbeer garden, is always a great success.

The club's annual Christmas party is celebrated in one of the many homes for under privileged children. The happy faces of these children is more than enough reward.

# Vitalized in German Club

The biggest event of the German club is the trip to the TAGS convention, which is held at various colleges around the state. Last year the convention was held in Lubbock at Texas Tech. The long bus ride and the stay at a motel is only half the fun of the trip. There is a chance for fellowship with other German students from all over the state. While at the convention there are plenty of opportunities to sample rare German foods and be entertained by German folk dancing groups. Each year several colleges and high schools put on plays. Milby always make a good showing at the convention with their plays under the direction of Mrs. Ingham.

Pep rallies and a few of the activities prior to the Homecoming game welcome back Milby Ex's. So far this year, Interact has cleaned up Charlie Buffalo in the hall and plans to re-paint the flag pole. At its first meeting the club was presented a \$100 check. The club meets every Wednesday in the speech shack at 7:00 P.M. under the sponsorship of Mr. Lamkin, a member of Rotary and a teacher at Milby.

Key Club is an organization in action. Its members carry out many service projects for school and community.

During the year, such activities as a luncheon for the sponsoring Kiwanis Club and the annual "Door and Room Decoration Contest" at Christmas when the club provided the school tree, helped to stimulate member interest in unselfish service and leadership training.

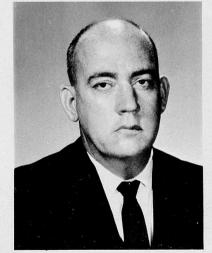

This year's Key Club has been a very exciting club for the leaders of the school to participate in.

The Latin Club started its busy year by participating in the A.Y. Carnival. This year's club sponsored an authentic Roman Garden complete with chariots. Money making projects for the year included cake and fudge sales which were very successful. Again this year the big event was the Annual State Convention. Milby teamed with Furr High School in chartering a bus for the

For some years the Spanish department has been without representation among Milby's clubs. Now, thanks to the students and teachers, Milby has a Spanish Club to be proud of.

The credit of a successful club goes to the officers and sponsors, Miss Requenes and Miss Kutac, for their understanding and interest in the promotion of the Spanish Club.

To be a "conquistador" of the Spanish language is the goal of every member. Not only do they deal with the spoken word but the cultural aspect of the language as well. In the coming years they hope to participate in the numerous activities of Milby High School. The members of the Spanish Club wish you "Buena Suerte" in the coming years.

Bill Keese PRESIDENT

Organized to encourage student participation in school activities, the Milby Student Council emphasizes citizenship, coordinates the various school club, and strives to promote better faculty-student relationships.

Among the numerous projects which occupied Student Council's time throughout this school year were sponsoring Sophomore Orientation, assisting with orders for senior rings and invitations, opening assemblies, sponsoring the juke box, reading of morning announcements and conducting all schoolwide elections.

Membership is composed of one representative elected from each homeroom. The Student Council meets once every other week.

The Texas Association of Student Councils Convention, held this spring in Laredo, helped to bring this year's Student Council a profitable and enjoyable end.

Charter members of the OEA of Texas are students enrolled in the Vocational Office classes—a new addition this year to the Business Department. These students are seniors, who are majoring in business, and receiving on-the-job training in offices in addition to their regular school program.

Activities included several field trips and sponsorship of an Open House for the busi-

ness department classes and faculty. Highlights of the year were the Employer-Employee Banquet held in the Crystal Ballroom of the Rice Hotel and the Youth Leadership Conference in San Antonio, attended by a large delegation.

## Mayfarers Promote Holk Music

The Wayfarers, a club organized this year, are promoting traditional and contemporary folk music in Milby. The club meets both formally, at school, for business meetings, and informally, in the homes of different members for social gatherings. With the conflicting tones of multiple guitars, banjos, and harmonicas, these meetings usually become chaotic. This is promoting folk music? However, with its many successful projects in the past, and many more planned in the future, this club has earned a unique position on the roster of the clubs at Milby.

Milby combined the passing of David Thompson and the running of Donnie Evans and Ronnie Taylor to jolt the highly touted Lamar, 24-14. Milby took the opening kickoff and drove 64 yards in 13 plays for a TD, Thompson pitching to Taylor for the score. A fumble recovery by Dunn set up the second Buff marker, with Thompson going the final 8 yards. Lamar came back with the two touchdowns in the second period and grabbed a 14-12 lead. But the Redskin lead was short lived as Thompson herded the Buffs 80 yards in 10 plays for the touchdown by Taylor from 17 yards out. Milby, in the third period, drove 66 yards in 12 plays for the final touchdown. Evans fumbled over the goal, but tackle Walker jumped on the ball for the score.

Munger picks up big yardage as Evans prepares to make a down field block.

Milby gets ready for a second and short yardage play.

Milby quarterback Thompson whipped three passes to end Strunk in succession, the last one good for a touchdown, to give the Buffs a 12-6 triumph over South Houston's Trojans. With 8:53 gone in the third quarter, Milby safety man Willis intercepted a Trojan pass and romped to the South Houston's 38 to set up the winning tally. Thompson flipping to Strunk on the 17, then zeroed in on him on the 7. His TD heave was tipped into Strunk's hands by a Trojan defender. Milby scored first when fullback Evans ripped off a 21-yard touchdown run. Trojan quarterback Moon flipped nine yards to end Archer for the Trojan score.

Top rusher, Donnie Evans, racks up more yardage for Milby.

Milby was bombed out of the unbeaten ranks, 50-0, Friday night at Dyer Field. Milby had packed a perfect 2-0 mark into the intracity feud, while Lee was all even at 1-1. Milby fullback Donnie Evans supplied the only Buff thrills, going 36 yards in eight carries. Milby's top quarterback, David Thompson, was hurt in the first half and David Munger took over. The Buffs hit on five of 27 passes for 61 yards.

### Milhy Blasts Madison

Munger and Thompson each passed for two touchdowns as Milby's aroused Buffs buried Madison under a 22-point fourth period spurt and hooked the Marlins, 36-6. Madison's main threat was a 40-yard shot from Corley. Munger put Milby on the scoreboard first with a pass interception and a 32-yard dash into the end zone. Milby drove 54 yards in three plays to go back ahead, 14-6. The payoff was Munger passing to Scott eight yards downfield, who pitched to Bracci. The play covered 42 yards. The Buffs collected 14 of their 22 points in a 66 second hitch. Thompson passes to Bracci for a ten yard TD. Two plays later, Madison's main ground punch fumbled and Burrer gave it to Milby at the Marlin two. Thompson hit Bracci for the touchdown and for the two points. The Buffs marched 61 yards in seven plays for another touchdown.

The Austin Mustangs spoiled Milby's Homecoming, 13 to 6, in the annual east end feud before 5,200 fans. The Mustangs, playing without five regulars who were put off the team for disciplinary reasons, drove 55 yards for a second quarter touchdown, with 6:18 left in the first half. On the second half kickoff, Austin recovered Strunk's fumble at the Milby 43 to set up the second Pony TD, to put Austin up by 13-0. Milby put together a 41-yard scoring drive in the fourth period, with fullback Donnie Evans blasting over from the one. A 29yard pass from David Thompson to Bobby Scott was the big play in the surge. Milby's lone touchdown came with only three seconds left on the clock. The Buffs drove to the Austin 21 early in the fourth period but Austin picked off a Thompson pass in the end zone to chill Milby.

Milby, bouncing back from a homecoming defeat, shut out the Sterling Raiders 34 to 0. Milby scored in the first quarter marching 38 yards in eight plays, ending in a Thompson to Strunk pass. Steve Hampton's extra point kick was no good for the 6-0 lead. In the second period the Buffs took over a Sterling punt at the Raiders' 43 and after four plays they were in the opposition's end zone once again, with 3:20 showing. The scoring play was a 25 yard gallop by Milby's Tony Bracci. Quarterback David Munger kept around the right end for the two point conversion and a 14-0 lead. The Buffs scored in the second period when Ronnie Taylor intercepted a Raider pass at Sterling's 48 yard line. Munger passed 48 yards to Strunk for the tally, and Guess' extra point boot was good for a 21-0 lead. Milby scored twice in the third quarter. The first score came after a 49 yard drive and a 13 yard pass from Thompson to Evans. Guess' kick was good for a 28-0 lead. With 3:55 in the third period Danny Ross blocked and recovered a punt at the Sterling 21. Six plays later Taylor capped a Munger pass for the final score. Guess' kick was no good.

The fired up Milby Buffs went into the game with a 3 and 1 district record. Thompson herded the Buffs 84 yards in 12 plays passing to Evans for the TD, leaving Milby up by 6-0. Bellaire went ahead in the fourth period, 7-6, after recovering a Buff fumble at the Milby 15. Milby then drove 72 yards in 13 plays, riding the throwing of Thompson and the running of Camp, summing it up with TD pass caught by Scott, Milby led 12-7. However, Milby could not hold back a 64 yard Card pass for the touchdown and a 12-14 victory. Milby had one touchdown called back, as Thompson handed to Taylor who passed back to Thompson who then passed to Evans.

Milby was nudged by Jones 7-6 in a traditional zone 1 fight. The Falcons put a scoring drive together in the third period, marching 82 yards in 7 plays to score with 17 seconds left in the quarter. The extra point was good giving Jones a 7-6 lead. Milby came roaring back on the passing of Thompson, who completed 16 of 33 passes for the night for 191 yards. Thompson drove the Buffs 64 yards in 9 plays for the TD, hitting Scott from 9 yards out for the score; Thompson had passes of 13 and 19 yards to Taylor in the drive while Bracci added a clutch 9 yard run. Milby was choked off when a Jones defender stepped in front of Strunk to bat the pass away on Milby's go-ahead pass bid, after a fourth period TD, making Jones a one point winner.

#### Note To Seniors

Well, Seniors, our time has come to leave this fair school of ours. I guess we're all wondering what those undergraduates will do without us. They seem so young and immature. I'm glad that we were never like that—Remember our first day here at Milby? The halls were gigantic, and so were the Juniors and Seniors. Remember our first class? There has never been another like it. We sat in our huge desks and trembled when our name was called. Remember how we laughed at the fellow who had gotten lost and had come in late? We had to laugh, we couldn't let anyone think we were juvenile enough to be scared on the first day of school. The days passed, we finally realized that Milby didn't cover the whole state of Texas, it's boundaries were limited to a city block. We began to feel a part of the student body. We wanted to meet everybody. Club membership was

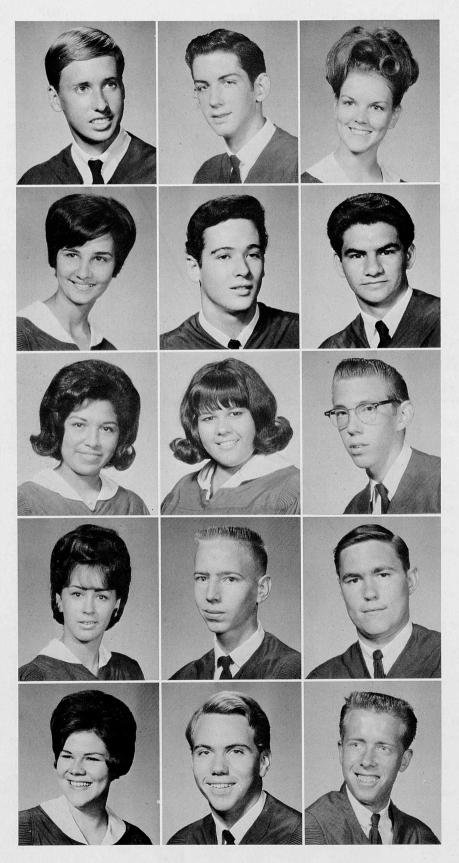

For most of us, our Junior year came next. Didn't we think we were great! All of us were in a clique, and we were proud of it. Dares were the important thing of this year. We dropped out of a few of the clubs and became more active in others. We thought that maybe the next year we could be officers. Some of us dreamed of being cheerleader so we went to every event that we could convince our parents was necessary; part of the girls wanted to wear those short Coed outfits, so they practiced and were nice to the officers, not enough of us thought of sitting on the stage at our commencement, so not enough of us stayed home and studied.

vital. We joined every club we could—we wanted to be "in."

Our big year finally came—SENIORS '1967. We laughed at those "dumb sophs" and those "childish juniors." We were on top of Milby's social ladder. We fairly well had the run of the school—we could usually make our way through the halls without a permit. Each of us began to realize what wonderful friends our teachers were. We finally realized that they were here to help us. At each event we thought, "This is our last time to see this as students of Milby." Remember our last football game, our last Winter Whirl, . . . our last year at Milby. Never have three years passed so quickly for so many. Now we are prepared to graduate to better things, for they say that high school is only one of the many stepping stones. For some, college awaits us; for others, careers. Many years lie ahead, but the years at Milby will never be forgotten. We will always remember our teachers, our friends, and our great times we had together. Graduation is also sadness.

# Editor's Page

This is the hardest page that I have ever had to do. All year I have been thinking about this Editor's Page and now that the time has actually come to write, I find that I have nothing to say. I guess that I'm supposed to tell all of you just how much fun the staff has had putting this yearbook together. Unfortunately, I have been working on the book for five solid hours, and due to my mental exhaustion, and the ridiculous hour of the morning, I find that I really can't think of too many hilarious moments. I can't say the whole year has been completely horrid—there were a few bright spots. Hey, staff, remember those summer meetings, those energetic ideas that never materialized, the fights we had about the cover, and, most of all, that memorable trip to Mr. Brinkley's office. Never before has the entire staff been sent to the assistant principal's office—it will probably become Tradition!

Before I forget, I would like to say a few words of thanks to some of the many people who have helped us this year. First, of course, I would like to tell you, Miss Haston, how much we appreciate your consideration and patience. You, Mrs. Perkins, have made this year, and your last year at Milby, so memorable. Through your mathematical genuis and careful guidance, we have managed to keep another yearbook from causing bankruptcy. Mrs. Howell, we can't leave you out either. The staff is so grateful to you for all of the many things that you have done for us. And I would like to say a special word of thanks to our new assistant principal, Mr. Claude Brinkley. For those of you not in the know, I will say that Mr. Brinkley has helped this staff so very much this year. He has given us pep talks, written permits for us, and, in general, given us the desire to put out a yearbook to really be proud of.

Now, all by myself, I would like to say "Thanks" to a most unique staff. I don't see how we did it! We've fought, we've griped, etc., etc. I'm so excited about the book—I hope that ya'll are as proud of it as I am. Thanks so very much for those wonderful ideas, and for some of those not-so-wonderful ideas; This year, now that I can think back and be glad that it's all over, really wasn't as bad as we thought it was. To next year's editor I have just five words— "Good luck. You'll need it."

To those of you who helped, my sincerest thanks; to those of you who hindered, a pox on you.
