Priceless Gifts Were Given

During our high school years, there have been many times when we have needed help and guidance. It was during these times that we found we could always depend on Mr. Corder. Whenever we needed advice, he could always be counted on to give us wise counsel and the answers to our questions. He taught us good citizenship, respect, and honor in addition to helping us gain unity as a class. To you, Mr. Corder, we, the staff, dedicate the 1968 MILBY BUFFALO to you in return for the priceless gifts of knowledge and inspiration you have bestowed upon us.

Indispensable Sponsor

How could a bewildered group of students with little to offer except an undying desire to get out of work, ever complete the monumental task of compiling a yearbook.

Only with the constant help and guidance provided by you, Mrs. Limerick, could we ever have finished our task. Thank You.

Milby's Effervescent

Mr. Roscoe Bayless, principal of Milby, busy with his daily duties

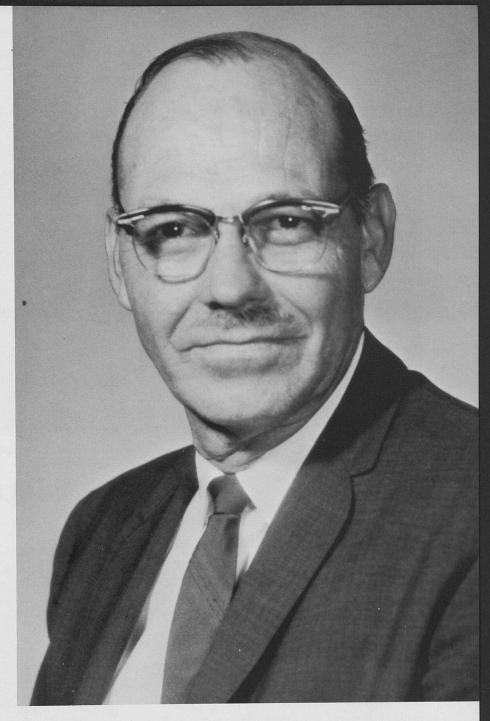

Milby's principal, Mr. Roscoe Bayless, is truly effervescent. He is always there to aid in any way. He works closely with students and teachers alike—always trying to keep things running smoothly.

Mr. Bayless not only is an asset to our school as principal, but also to our community as an outstanding citizen.

A Diligent Assistant

Mr. Brinkley pauses from judging a Favorites Contest.

In his second year as the assistant principal, Mr. Claude Brinkley has proven he is capable of the responsibilities of this job. Although most of his time is consumed in correcting the unruly students of Milby, Mr. Brinkley still finds time to aid the many social functions of our school.

Mr. Brinkley, we salute you and appreciate your counseling.

Our Dean: Friend And Adviser

Milby is truly fortunate to have such a fine Dean as Mrs. Williamson.

The Dean is always there to help in any and all cases whether it is to correct a student for a misdeed or to choose an outstanding student.

No place is there a finer more trustworthy friend and adviser than Mrs. Dona Williamson.

Mrs. Williamson writes another permit.

. . . And Knowledge Shared

Mrs. Gladys Price, junior counselor

Milby has three counselors. However, with the school growing at such a rapid rate their burden is an ever-increasing one.

These three, Mrs. Gladys Price, Mrs. Janie Pat-

terson, and Mr. George Mc Whirter, have counseled almost every student at Milby, and we are so very grateful.

Comfort And Care

My head hurts, my ear aches, my finger's cut; all of these are familiar sounds to Milby's efficient nurse, Mrs. Mary Jo Hulsey.

Being burdened with the jobs of keeping each student's MEDICAL RECORD straight, giving eye tests, and helping with the annual T.B. tests, Mrs. Hulsey still manages to be polite and keep a friendly personality.

A.Y. is sponsored by Mrs. E. Dorsett and Mrs. L. Myrick. This year was one of the most successful in the club's history. The annual A.Y. Carnival and Variety Show was held and was a tremendous success. Also Allied Youth sponsored a Sadie Hawkins Dance which was held at Petro Tex. Training For The Business World

Distributive Education is a vocational course for juniors and seniors that gives double credit because it requires double time. The students spend one hour in the D.E. class, plus taking two or three "solids" such as English, history, or civics, and math or science. He or she receives automatic P.E. credit, and leaves school at noon each day to report to an assigned training station. The course is designed to give on-the-job training in wholesale, retail, and service selling.

"Get Kooth"

Such was the cry of the most productive students at Milby, members of the National Honor Society. The slogan "Get Kooth" implies a policy of launching social activities for the club itself throughout the year. Trips to musicals at the Houston Music Theater and various other activities were planned. The requirements for membership in the N.H.S. are 3.5 or better grade average, with not more than two C averages. Excellent conduct is also a must.

The serious activities of the N.H.S. are devoted to delivering Christmas baskets to underprivileged families. Also, a \$100 scholarship is given to the most active girl and boy in the club. The principal moneymaking projects for the year were a dance in January and the annual Singing Valentines in February. "Get Kooth!" "Get Smart!"

Membership in Milby's National Forensic League requires participation. Its members meet their rough competition with long hours of instruction behind them.

Mr. Thompson and his students this year attended tournaments in Corpus Christi, Goliad, Beaumont, and Arkansas. They brought home many awards. By attending these tournaments, members earned service points and gained knowledge and experience.

The Music Department Boasts A Fine Orchestra

This year's orchestra is a strong, well-rounded organization. The members are proud to be a vital part of Milby's outstanding music department.

The Milby Orchestra can not only boast of an excellent organization, but also of a few All-State and All-Region musicians. The Orchestra and all of Milby are proud of these students and the outstanding job they have done. These talented musicians have worked hard and the Orchestra is proud of the recognition they have brought the organization and the school.

Mr. Seastrand and his musicians also added to school activities by providing music at varied events. These have included Christmas programs, P.T.A. meetings, and Music Concerts. The Orchestra also provides music at the January Commencement exercises for mid-term graduation.

Boosting Spirit With Rock And Soul

The Milby Pep Band is a proud and reserved organization of dedicated young musicians who enjoy raising a ruckus and making lots of noise. Long a traditional part of football and basketball games, the Pep Band's fame has now spread city-wide as they were invited this year to provide money-giving music for a United Fund luncheon in the Rice Hotel. Students from Milby, as well as every other school in the city, have enjoyed listening to this group during all sorts of time-outs and breaks. The Milby Pep Band has done an outstanding job this year and we are proud of them.

Charles, Ronnie, David, George, Jony, and Keith take a quiet break.

Rodeo Club's First Year Is Termed Successful

The Rodeo Club is designed to promote the old time rodeo tradition. In addition to enjoying an honest sport and competing for prizes and honors, the members work together to build friendship as an organized group. They learn the difficult rodeo skills and how to work and care for animals. The goals of this newly organized club include helping to promote leadership among young people, promoting school spirit, and working together to build friendship.

The Rodeo Club's activities include a banquet, and fund-raising functions for the rodeo they plan on having this summer.

Youth for Christ is an organization dedicated to bringing Christian fellowship to student and faculty at Milby.

During the first of the year, the club began to fade away as many of the members lost interest. In the month of December a majestic advent happened, Milby became engulfed in a revival!! Continuing through the year, the Milby Youth for Christ endeavored to bring the Word Of God closer to the students and faculty members of Milby.

At meetings some of the programs include Christian leaders speaking, students testifying, films, panel discussions, or Gospel singing.

Speed Carries Bears By Milby

The Buff Varsity was favored to win their season opener but were rudely disappointed. San Jacinto, with the help of new districting, proceeded to upset and soundly thrash the stunned Buffs. Long the doormat in District 9-4A, San Jacinto left the handwriting on the scoreboard that they would let no one walk over them this season, including the Milby team. The less aggressive Buffs' were too slow to match the speedy Bear backs. The Buffs' lone score came during a burst of excitement late in the fourth period. After connecting with halfback Tony Bracci for a 37-yard pass play, David Munger kept and snuck over from the two-yard line. The pass for the two-point conversion was long and the game ended there, Milby 6-San Jacinto 39.

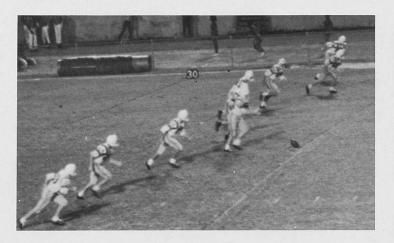

The 1967 Varsity waits for the beginning of new season.

The Coaches are forced to watch their team submit to a stronger San Jacinto team.

Lyn McShane gathers up a Worthing kick-off and heads upfield.

Again the Buffs were favored and again their errors proved their undoing. Worthing's recovery of 3 Milby fumbles and interception of 4 David Munger passes were more than enough to stop the determined Milby offense. While the offense was trying to cross the opponents goal, the defense was having trouble trying to contain Worthing's big Robert Evans who scored two of the three touchdowns. This game proved very deadly as Buff casualties began to pile up. Standouts for the Buffs were: Brian Dunn who blocked a Colt PAT, and Pat Bales who smeared the final two-point try.

Raiders Nip Buffs By 14-6

The newspapermen who predict football scores will never be the same. After losing their first two starts, which they were supposed to win, the Buffs let the lowly Sterling team humble them by a 14-6 score. All the scoring was crowded into the first and all the excitement into the second half. The first Raider score came in the initial moments, but the try for the point after was blocked by the charging Buff front line. The Buff's score came as the reward of a 77-yd. drive in the second quarter, ending in a 3-yd. touchdown run by quarterback David Munger. The long drive was sparked by completed passes to first Brian Dunn for 24yds., then to Billy Sadler for 11, and again to Dunn for 16.

The unbeaten Bellaire team simply used the underpowered Buffs as a steppingstone in their path toward the District title. Sparked by their powerful fullback Pat Curry who ran for 108 yds. and two touchdowns, the Cardinals scored a touchdown in each quarter and only missed 1 of 7 points after. For the winless Buffs this was their fourth straight defeat and the third in District play. By going scoreless for four quarters, Milby has only been able to dent their opponents' goalline twice during this season.

Westbury Rebels Down Milby, 12-0

Facing a stout Rebel defense that allowed only 4-yds. rushing during the first half, the injury riddled Milby offense could not amount a drive of any sort against such odds. The Buffalo defense was a bit more successful as they held the point hungry Rebels to only 12 points, the fewest they have allowed any team all season. A new punt kicker was found in Dana Drew and he had plenty of opportunity to be seen as the Buffs had to punt 10 times. Bill Brindley, Frank Vazuez, Tommy Burrer, Jeff Rombs, and Mitch Thibodeaux played outstanding defense.

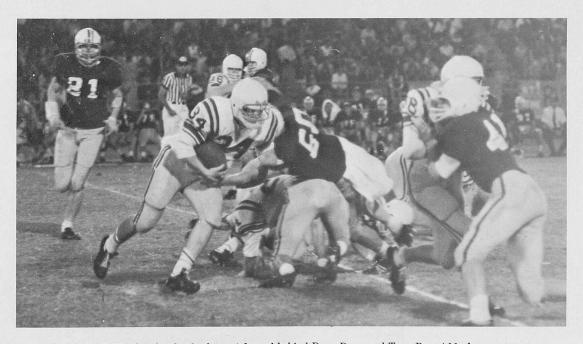

The weary Milby offense, after being constantly thwarted on the ground, takes a needed rest.

Jones Rumbles To Easy 41-7 Victory Over Milby

The Buffs entered their Homecoming game with apprehensions but had their fears compounded by a fierce Falcon offense. The Jone's large score was due mainly to one Ray Ragone, the offensive workhorse. But the stubborn Buffs surprised everyone by scoring in the first 3 minutes of play. After a Jone's fumble was covered

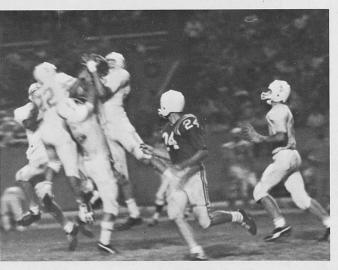

by an alert Milby defense on Jones' 34-yd. line it took the fired-up offense only 5 plays to score. The 6-points came on a busted pass play that Dana Drew decided to run. Drew also made the point after good for the final 41-7 score.

Halfback Tony Bracci watches four Jones defenders fight for his pass.

Touchdown! Milby!

Safety Dana Drew snares a Falcon aerial and steals 6 points, Jeff Rombs blocks to insure a runback.

David Munger Passes Milby To 1st Win, 34-0

What can ya' say? What happened? Our offense seems to have come alive at last. The juniors and sophomores that were brought up from the J.V. played winning ball for the tired Varsity. And David Munger came back from the dead to lead the avengers. He threw two touchdown passes on screen passes to halfback Homer Harris, one went for 70-yds. Munger also threw for another to end Nathan that was good for 46-yds. and six points. David Smith provided the ground game by running for 2 more touchdowns.

Yates Lions Crush Milby Buffs, 35-14

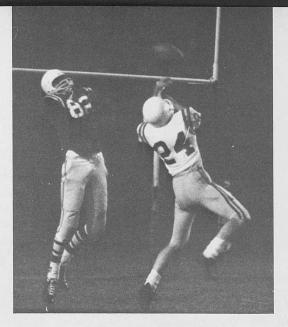

The Buffs again felt the sting of defeat at the hands of the Yates Lions. After tasting victory the week before, Milby resumed its role of scapegoat by losing 35-14. Yates scored all 25 of its points in the first half on 5 touchdowns and a safety. The safety occurred when Tony Bracci was caught in the end-zone on a kick-off. The two Buff scores came on blocked punts by Nathan Hale. In the third quarter the blocked punt was picked up and lugged to the goal by Brian Dunn. The second one was taken by Greg Smith. These two runs were of 48 and 45-yds. Dana Drew converted on both goals to make the final 14.

Wheatley Roars By Milby, 48-7

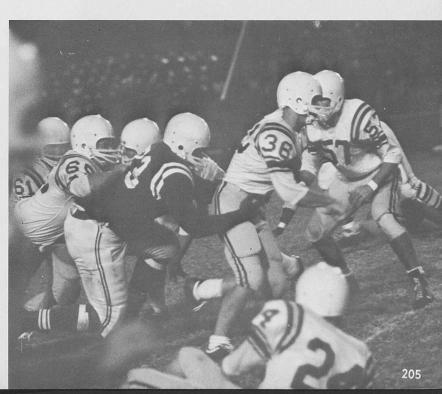

Combined with lightning fast backs and a stiff defense, Wheatley was just a little too much for the battle weary Buffs. With casualties that had been out for the last few weeks rejoining the team our chances looked bright, but the team still didn't have the muscle or the go. The Wildcats were still fighting for a shot at the District title and Buffs were just a minor obstacle in their way. Again this game the offense seemed to have lost anything they

might have found in the Madison game two weeks ago. But our defense seems to be taking lessons from the Houston Oilers as it again scored our only points. It was another blocked punt that gave us the 6 points. David Smith and Nathan Hale both were in on play with Smith blocking it and Hale pouncing on it in the endzone. Dana Drew made it one more with his successful PAT.

Austin Tromps Milby In East-End War, 42-7

The last game of the 1967 season was the last loss of the 1967 season. The weakened Buff team lost to a fair Austin that had gotten stronger as the year ended. The 5-5 Mustangs beat the Buffs with their pass combination of Hill and Mathis. The outstanding Milby pass defense just wasn't functioning. Milby's lone tally came in the fourth quarter with only 4:04 remaining. Quarterback Dana Drew moved the team 79-yds. in 12 plays with the score coming on a 2-yd. plunge by Fullback David Smith.

Trainers

1967 Football Sweetheart Paula Stinebower

Trainers Potter and Wiiliams help an injured Fat Bales while a previously injured Billy Sadler watches.

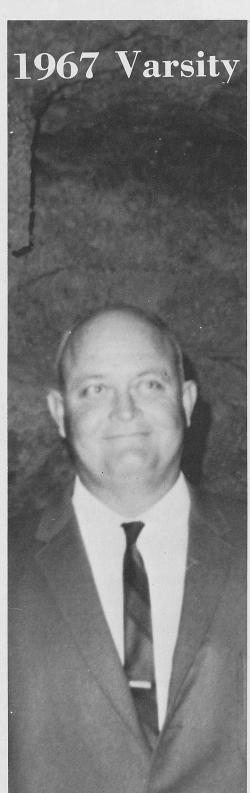

Sweetheart

A very important part of the Varsity system and a very important reward at the end of the football season are the Trainers and the Sweeth eart. Trainer for the 1967 season was Mike Williams and the Managers were Allen Smith and Steve Potter. As they had a very busy year tending to all the team's injuries, the trainer and managers had a very hard job and did a good job of it. The 1967 Varsity Sweetheart was announced at the Football Banquet as Miss Paula Stinebower.

Coaches

Although the Milby Varsity was rated by many pre-season polls as a Zone contender, injuries and sickness turned an otherwise hopeful year into an embarrassing one with a 1-9 season record. But through all the disappointments and tragedies, our coaches displayed leadership and an undying will not to let the team or the school down. The Buffalo and the student body of Milby wish to express appreciation for the undaunted spirit of its coaching staff.

The top three finally have a chance to smile as Milby scores its third touchdown in Madison rout.

Calling the play from the bench, Coaches Truelove and Shoemaker tell David the winning combination during the Worthing game.

The coaches sometimes have a chance to relax and watch next year's team play at a J.V. game.

Note To Seniors

The school year is about to come to a close. We will finally be graduating. For many, graduation will mean the end of school; for others, it will be just a break before going off to college. But, for all, it will be the beginning of a new era. For each graduating senior, it will not be the warm confines of a classroom and a helping teacher, but it will be the cold world that keeps moving without you. Many have said, "Brother, will I be glad to get out of this school!" However, I wonder whether many of us are really ready for graduation and the big step into the adult world.

The state of many students reminds me of one of Aesop's fables. It is the story of "The Ants

and the Grasshopper." Here are a few stanzas from a ballad form of it:

"Once there lived in a village green
A grasshopper, happy and gay;
And every day in the fields he was seen,
Laughing and singing away.
He had no house, for the weather was fine
And at night he slept under the moon;
Nor did he worry about the fact
That it would be winter soon.

While he would play his violin gay,
Some wise little ants would pass,
Carrying twigs and breadcrumbs and figs,
To their newly-built house in the grass.
They labored their way through the long summer days
Preparing for snow and sleet,
While Elmer, the grasshopper, sang and played
And patted his clumsy feet."

How many of us seniors are like Elmer, the grasshopper? How many of us have lain around the past three years? How many of us have laughed, played, and put off studying until "tomorrow"? Soon, winter will be coming upon each of us. Soon the big test will be before us. How many of us will pass it?

Tomorrow is gone ...
