INTEGRATED
CURRICULUM

Each semester, we provide a
new thematic unit to keep
children engaged while learning
new vocabulary and structures.

Our goal is to help children
achieve fluency by incorporating
meaningful cultural elements to
our thematic units, such as
traditions, food, festivals, art
and history of different countries.

Visit our website to learn more.

Professionally trained and experienced college-educated, native-speaking language teaching professionals.

10,000 + children have participated in our foreign language programs.

Culturally enriched lessons designed by language teaching experts to ignite students' interest and curiosity for other cultures.

Fun, interactive, highly engaging and student-centered curriculum aligned with the American Council on the Teaching of Foreign Languages.

Storytelling is a central part of our lessons and a way for teachers to introduce new cultural elements.

Emphasis is placed on the development of conversational skills.

Contact us to receive access to our
online resources with listening activities,
printable resources and much more!
