The best time to learn a language is during early childhood.

Give the world to your child.

REGISTER TODAY.

Around the world integrated curriculum.

Each semester, we provide a new thematic unit to keep children engaged while learning new vocabulary and structures.

Our goal is to help children achieve fluency by incorporating meaningful cultural elements to our thematic units, such as traditions, food, festivals, art and history of different countries.

Contact us to receive access to our online resources with listening activities, printable resources and much more!

Professional and experienced college-educated, native-speaking language teaching professionals.

10,000+ children have participated in our foreign language programs.

Culturally enriched lessons designed by language teaching experts to ignite students’ interest and curiosity for other cultures.

Fun, interactive, highly engaging and student-centered curriculum aligned with the American Council on the Teaching of Foreign Languages.

Storytelling is a central part of our lessons and a way for teachers to introduce new cultural elements.

Emphasis is placed on the development of conversational skills.
