Second Chance!

Parents/Guardians,

As you may know, Art class holds an annual fundraiser with Square 1 Art. Students draw a picture on formatted paper and then order forms are sent out for parents to purchase keepsakes of their child's artwork. This year there was an unfortunate mistake in which several students' artwork was lost. If your child did not bring home a Square 1 Art order form, you have a second chance to purchase your child's art.

Please use the Square 1 paper to create a work of art. Fill out the information on the top of the page. Then use the order form to purchase keepsakes of your child's art. Return the artwork, order form and cash or check to Ms. Dickinson by Tuesday, November 19th. The items will arrive at Parker Elementary the week before Winter Break.

Thank you,

Julie Dickinson

HELPING YOUNG WOMEN LEAP TO A NEW LEVEL

Texas Children's Hospital and Baylor College of Medicine's Department of Obstetrics and Gynecology are pleased to host Girls Elevated, an interactive day-long session for young girls and their parents. Join us for an informative, fun-filled day dedicated to creating stronger, more confident young women.

Our team of experts will help arm teen and preteen girls with the knowledge they need to navigate the changes and challenges that lie ahead. Sessions will cover important topics such as healthy relationships, body image and sexual pressures. Adults will receive expert advice on bonding with their teen, setting boundaries and talking about difficult subjects.

Be inspired by a career panel of women in health care, business, public service and education.

TOPICS INCLUDE

Normal puberty, periods and hygiene
Personal safety
Nutrition and physical activity
HPV infection

WHO SHOULD ATTEND?

- Girls ages 8-18 and their parents/caregivers
- Separate sessions for elementary, middle school, high school and adults
- Navigating risky behaviors and talking with teens
