TIPS TO EXPEDITE DROP OFF IN AM

1. Have your child ready to exit the car.
2. Have your child open their own door. (We have some staff members outside to assist children, but we cannot open every car door.)
3. Drop off early, school doors open at 7am.
4. Communicate with school/teacher if your child will go home differently, i.e. bus riders going home as car riders.

Thank you for your assistance in keeping all of our children safe!
