SAFETY CONCERNS

- Please use CROSS WALKS/CROSSING GUARDS to cross the street. It is not safe to cross outside of the cross walk areas.
- The carpool lane is a ONE WAY LANE, enter from Atwell and exit to Stillbrook. Please watch for crossing teachers, parents, and students in the Carpool Lane.
- Please follow direction of those direct traffic, they are monitoring routes to expedite getting students to school safely and quickly.

AM DROP OFF

- **NO DROP OFF ON STILLBROOK in front of the school!**
- Drop off on carpool lane or Willowbend Gate.
- PLEASE TURN RIGHT OUT OF CARPOOL LANE TO PREVENT TRAFFIC BACKUP.

PM PICK UP

- PreK Only use Stillbrook.
- Kinder & 1st Grade and any siblings use carpool lane.
- 2nd - 5th Grade use Willowbend
- ALL MAGNET use carpool lane.
- You may turn right or left out of the carpool lane ONLY FOR PM PICKUP.

TIPS TO EXPEDITE DROP OFF IN AM

1. Have your child ready to exit the car.
2. Have your child open their own door. (We have some staff members outside to assist children, but we cannot open every car door.)
3. Drop off early, school doors open at 7am.
4. Communicate with school/teacher if your child will go home differently, i.e. bus riders going home as car riders.

Thank you for your assistance in keeping all of our children safe!
Dear Parent:

Parker Elementary is sharing this information about the district and your child’s campus with you as part of its obligations under the federal Every Student Succeeds Act of 2015 (ESSA). Federal Report Cards for the state, the district, and each of the district’s campuses are now available on the Texas Education Agency’s website at:  
https://rptsvr1.tea.texas.gov/perfreport/frc/2018/srch.html. Information on these report cards includes:

- **Part I: Student Achievement by Proficiency Level** - Provides the State of Texas Assessment of Academic Readiness (STAAR) performance and participation results for each subject area and grade level tested.

  Participation reports also include reports of the participation of Children with Individualized Education Plans (IEPs) by assessment type.

- **Part II: Student Achievement and State Academic Annual Measurable Objectives (AMOs)** - Provides the AMO outcomes and data table of STAAR performance results for each subject area tested in the accountability subset. This section also includes participation rates on STAAR for reading/English and mathematics, use of alternative assessments, plus four-year and five-year graduation rates.

- **Part III: Priority and Focus Schools** - Provides information on priority schools and focus schools. Priority schools are the lowest 5% of Title I-served campuses based on performance in reading and mathematics and graduation rates. Focus schools are 10% of Title I served campuses, not already identified as priority schools, that have the widest gaps between student group performance and safeguard targets.

- **Part IV: Teacher Quality Data** - Provides information on teacher quality in three parts:

  Part A – Percent of Teachers by Highest Degree Held – Professional qualifications of all public elementary and secondary teachers in Texas

  Part B and C – Teachers with Emergency/Provisional Credentials, Low Poverty/High Poverty Summary Reports – Percentage of all public elementary and secondary school teachers teaching with emergency or provisional credentials, disaggregated by high-poverty compared to low-poverty schools.
- **Part V: Graduates Enrolled in Texas Institution of Higher Education (IHE)** - Provides the percentage of students who enroll and begin instruction at an institution of higher education in Texas during the school year (fall or spring semester) following high school graduation.

- **Part VI: Statewide National Assessment of Educational Progress (NAEP) Results** - Provides most recent NAEP results for Texas showing reading and mathematics performance results and participation rates, disaggregated by student group.

If you have difficulty accessing the information from the website, hard copies of the reports are available at the district or campus office. If you have questions about the information, please contact Bryan Berry, Assistant Principal.

Sincerely,

Lori Frodine
