representantes de cada clase. ¡Pero por favor contribuyan con ideas u objetos generosamente! Todas las canastas deben
ser finalizadas y entregadas a las coordinadoras antes del **11 de Noviembre.**

WHY CAN'T ALL STUDENTS ATTEND HISD PREKINDERGARTEN? MY CHILD DOES NOT MEET THE CRITERIA AND I CAN'T AFFORD PRIVATE PREKINDERGARTEN.

The Texas Legislature determines eligibility requirements for free, public Prekindergarten in Texas. When the Texas legislature established the Prekindergarten program the intent was, and still is, to provide early learning experiences to students who are most at-risk for school failure. The eligibility is therefore limited. The legislature believes that a high-quality Prekindergarten program could mitigate the impact of the at-risk characteristics, thereby assisting these students to become school ready when they enter kindergarten.

WHAT MAGNET & PROGRAM CHOICE TRANSFER PREKINDERGARTEN PROGRAMS ARE AVAILABLE IN HISD?

Prospective Prekindergarten students can be enrolled into the following Magnet programs:

- **Dual Language Program:** The dual language program provides instruction in English and Spanish. Magnet Programs: Wharton & Helms
- **Language Immersion Program:** Language Immersion programs are taught with a minimum of 50% to a maximum of 80% of daily instruction in the non-English language. Magnet Programs: Arabic Immersion & Mandarin Immersion.
- **Montessori Program:** The Montessori program emphasizes highly personalized learning for each child to develop his/her own interests and full potential. Magnet Programs: Blackshear, Garden Oaks Montessori, and Wilson Montessori.
- **English as a Second Language Program:** The ESL program is offered to students with a home language other than English or Spanish. Instruction is provided in English. Teachers in an ESL classroom have specific state certification and training to work with students learning English.
- **English Program:** The English program is provided to students whose primary language is English. All instruction in academic subjects and non-academic subjects is delivered in English.
- **PreK enrollment:** Early Childhood Centers or schools that are not magnet.

HOW DO I ENROLL MY CHILD INTO A MAGNET OR PROGRAM CHOICE TRANSFER PREKINDERGARTEN PROGRAM IN HISD?

Parent/Guardian can apply online at www.hisdchoice.com or submit a completed paper application to the Office of School Choice. Paper applications are available at houstonisd.org/Page/122068 or at your local HISD school and must be postmarked by February 28, 2019 to be considered for the lottery. A centralized lottery will be conducted for Magnet and Program Choice transfer Pre-K programs that have more **eligible** Pre-K applicants than space available. Your child must be 4 years old by September 1st of the upcoming school year.

STEP 1: Create an Account with an email at <http://hisdchoice.com/>. Applicants can apply to as many as 5 Magnet Pre-K choices out of a possible 10 Program Choice transfers. Select your school of choice and input your student's information, address, parent information, and upload a state issued Birth Certificate. Once the application has been filled out, review your application and submit it electronically. An email will be sent to confirm your application.

STEP 2: To be eligible for enrollment in a HISD non-tuition based prekindergarten program, the applicant must upload additional documents to the application. The following documents are accepted online:

- Home Language Survey
- Income verification
- Homeless or Under Conservatorship (Student Assistance Questionnaire)
- Military Identification Number

STEP 3: Rank your prekindergarten applications in priority order, from first choice to last choice. Parents will be able to adjust the order of their choices through February 28, 2020. After February 28, choices will be locked into place.

STEP 4: On May 1, HISD non-tuition Phase 1 parents will be notified of the outcome of their applications, the highest ranked program to which a child is accepted will be critical. All applications ranked below that choice will be dropped automatically. Any programs that are wait listed with a higher rank choice will remain active.

STEP 5: Applicants that receive an offered seat will have two weeks to accept the seat and make arrangements with the school to provide their proof of residence, sign the magnet entrance agreement and provide supporting documentation from Step 2.

STEP 6: If your child is not eligible for the HISD non-tuition based prekindergarten program (See Step 2) or is not 4 years old by September 1st, and you have applied for a Magnet or Program Choice transfer prekindergarten program for the 2020-2021 school year, your application will be labeled as "qualified pending" until May 31, 2020. HISD tuition-based PK 4 and HISD non-tuition will be considered on a space available basis on June 1, 2020.

DOES HISD ENROLL 3-YEAR-OLD STUDENTS IN PREKINDERGARTEN?

Campuses must enroll all eligible 4-year-old students first. If there are additional spots in Prekindergarten after all eligible and tuition paying 4-year-old students have been enrolled, applicants will be contacted by campus designated personnel for enrollment instructions.

WHAT IS TUITION-BASED PREKINDERGARTEN?

The state of Texas allows school districts to offer on a tuition basis or use other funds to provide full-day Prekindergarten classes to children not eligible for classes under Section 29.153. Districts must ensure that serving students who are not eligible for the program does not interfere with serving students who are eligible for the program. Tuition-based students can only be enrolled into an HISD Prekindergarten program once all eligible students have been enrolled on the first day of the enrollment school year. There is no guarantee a tuition-based program will be available. It is based on the enrollment of eligible students and that varies from year to year.

EMPLOYEE PREFERENCE

Campus-based employees who want to enroll their prekindergarten child(ren) at the campus at which they work for are eligible after all eligible non-tuition-based Pre-K students have been enrolled.

HOW WILL TUITION-BASED APPLICANTS BE CONTACTED FOR ENROLLMENT

Applicants will be contacted by a campus designated personnel after all eligible HISD non-tuition based prekindergarten students have enrolled after May 31, 2020. Campuses may offer seats at that time to tuition-based applicants after May 31, 2020 and retain 5% of available seats for any incoming HISD non-tuition-based students.
