Academic Honesty Agreement

“Academic honesty in the International Baccalaureate (IB) is a principle informed by the attributes of the IB learner profile. In teaching, learning and assessment, academic honesty serves to promote personal integrity and engender respect of others and the integrity of their work. As stated in the IB Learner profile, all members of the IB community strive to be “principled”, acting with “integrity and honesty, with a strong sense of fairness, justice and respect for the dignity of the individual, groups, and communities,” **In all their studies students must demonstrate academic honesty and avoid any form of academic misconduct,”** (IBO.org).

As confirmed by my initials and signature I understand the following actions constitute a violation of the Academic Honesty Agreement. I understand that a violation of the Academic Honesty guidelines set forth by the International Baccalaureate Organization and Bellaire High School can result in my removal as a diploma candidate, documentation on my permanent record and notification of colleges if violation occurs after admissions. I further understand that removal of my participation in IB will invalidate my IB contract and IB transfer to Bellaire HS.
