HOUSTON PREP

WHAT?

Houston PREP is an intensive mathematics-based pre-college enrichment program, which provides educational enrichment opportunities for high ability middle and high school students.

WHY?

Explore and prepare for careers in the fields of science, technology, engineering, and mathematics. Research projects in mathematics for each summer.

WHO?

7th, 8th, or 9th grade students who are high achieving and are interested in learning about engineering and science professions.

WHEN?

June 12 –July 12, 2024
Hours: 8:30 a.m. to 2:30 p.m.

WHERE?

All program functions, except for field trips are at the University of Houston – Downtown.

COST?

Free! No tuition! Free Lunch!

In previous years, free transportation was available for Aldine, Alief, and Galena Park ISD students that attend those school districts. We will request it for the upcoming summer.
