# The Benefits of Higher Education

Talk to one of your copilots or someone else you trust about the benefits of college. Whoever you choose will be your copilot for this activity. Be sure to thank your copilot for supporting you.

## QUESTIONS FOR YOU TO ASK YOUR COPILOT:

1. If he/she went to college: How has going to college helped you in your life?

---

---

---

2. If he/she did not go to college: How do you think going to college would have helped you? Did not going to college make a difference in your life?

---

---

---

3. How do you think going to college will affect my life?

---

---

---

4. What is the most important benefit of going to college?
