

Bellaire High School Home Lunch Permit Request

Eleventh and twelfth grade students may leave Bellaire High School campus during the lunch hour only if parent(s) grant written permission and students meet all requirements. Failure of students to abide by the policy and maintain good standing as a student will result in the privilege being revoked. Students must return request into alpha Assistant Principal for approval. A new ID will be issued once approval is granted.

Students must meet the following conditions in order to receive the privilege of leaving campus at lunch time. Data will be obtained from the previous semester:

- 3 or less unexcused absences in any period in previous semester
- No level III discipline violations.
- No excessive tardies.
- No failing semester grades in any class.

My son/daughter _____ has my permission to eat lunch at home. I relieve the Houston Independent School district of all responsibility for his/her safety. All HISD rules of conduct apply during this interim of the day. I understand that if my child goes to lunch any place other than, home he/she will be in violation of the Houston and Harris County's daytime curfew which may result in a citation being issued by the police if the student is apprehended. If a student is tardy for 5th period 3 times in a semester this privilege will be revoked.

I have reviewed the school conditions above for maintaining this privilege and agree the Assistant Principal will terminate the permit at any time if my child does not continue to meet these conditions. I understand another application must be completed the following semester to have the privilege reinstated once it is terminated. I understand a new student ID must be purchased for \$3.00 if the privilege is reinstated.
