- Throughout the processional and recessional
- While crossing the stage to receive their diploma

To maintain the integrity of the ceremony, the following behaviors are strictly prohibited:

- Poses, flips, dances, pranks, or hand gestures (except for a handshake while receiving the diploma).

❖ For Guests

We kindly ask all guests to support a respectful and orderly environment by following these guidelines:

- Remain seated for the entire ceremony, including during the presentation of diplomas and the recessional.
- Silence all cell phones and refrain from phone conversations during the ceremony.
- Do not toss objects in the air, as this can cause disruption and safety hazards.
