

Bellaire High School Home Lunch Permit Request

Eleventh and twelfth grade students may leave Bellaire High School campus during Cardinal Hour only if parent or guardian grants written permission and students meet all requirements. Failure of students to abide by the policy and maintain good standing as a student will result in the privilege being revoked.

Students must return this request form into their alpha Assistant Principal for approval. A new ID will be issued once approval is granted.

The two absolute criteria for consideration are that the student is classified as either in 11th or 12th grade and that any NGs from the final Spring 2018 report card are addressed. In addition, the following criteria may be considered when determining whether a student is eligible for a Home Lunch Permit.

- **The amount of tardies to class.**
- **Any serious discipline incidents from the 2017-18 school yr.**
- **A student's final grades from the 2018 spring semester.**

My son/daughter _____ has my permission to eat lunch at home. I relieve the Houston Independent School district of all responsibility for his/her safety. All HISD rules of conduct apply during this interim of the day. I understand that if my child goes to lunch any place other than, home he/she will be in violation of the Houston and Harris County's daytime curfew which may result in a citation being issued by the police if the student is apprehended. If a student has an excessive number of tardies for 5th period this privilege will be revoked.

I have reviewed the school conditions above for maintaining this privilege and agree the Assistant Principal will terminate the permit at any time if my child does not continue to meet these conditions. I understand another application must be completed the following semester to have the privilege reinstated once it is terminated. I understand a new student ID must be purchased for \$5.00 if the privilege is reinstated.
