# Welcome to our School Family

## A Message from the Principal

Dear Families,

Welcome to the 2022 - 23 school year! Fonwood Early Childhood Center is committed to the Houston Independent School District's promise to provide a fair and equitable education for all children and to make sure that all high school graduates are college and career ready. Congratulations for taking the most important step in your child's education. The learning begins here!

Fonwood ECC is the best Early Childhood Center for parents in the North Forest area because we offer a strong academic foundation for their students in language and literacy, mathematics, and social emotional development. Our campus values each child by capitalizing on their strengths and building a strong foundation for a rapidly changing world. Fonwood provides a positive learning experience for all of our students through the Three Cheers for PreK curriculum along with supplemental resources and through the Conscious Discipline Program that encourages social and emotional development through self-regulation.

You are your child's first teacher. Parents, teachers, and administrators must join together as partners to make sure that the seeds for success are planted early. Please read the information in this handbook carefully. Highlight important dates and plan to be present at all Parents Actively Working (PAW) / Family Literacy Night (FLN) events. Your presence is mandatory. I encourage you to become a Volunteer in Public Schools (RAPTOR) so that you can lend a helping hand on field trips, during lunch, or in one of our offices. Make yourself available to your child's teacher.

I'm excited about having you and your Tiger Cub join the Fonwood family. Get ready for an educational journey that you will cherish for years to come!

The Parent Handbook has been prepared to help answer any questions you might have about Fonwood Early Childhood Education Center. If you have any questions that are not answered by the handbook, please feel free to call our school at 713-633-0781.

Wishing you well,

*Shanedra Burkhalter*

Principal

---

### Parent Concerns/Resolving Concerns

---

When you have a concern about a school policy or employee, follow the steps outlined below to resolve the issue in a productive and positive manner.

1. Contact your child's teacher first. If you do not feel comfortable discussing the issue with your child's teacher, schedule an appointment with your child's team leader.
2. If the problem persists, contact the principal or teacher specialist by calling the main office and leaving a message. An administrator will return your call and schedule a meeting, if necessary.
3. If you have an issue that compromises your child's safety, call the school immediately to schedule an appointment with campus administration. Do not allow this problem to continue.

**We are here to serve you!**

Review all information that your child's teacher shares with you during the Teacher Meet and Greet every night so that your child can learn school procedures as quickly as possible. Explain to your child that it is important for him/her to be a good listener so that directions can be understood and followed.

Your child will bring home a **First Day Envelope on August 22, 2022**. Parents are required to complete all forms and return them to your child's teacher the next day.

Parents will be allowed to walk students to class on the child's first day of school **ONLY**. School administrators will be available to answer your questions and address any concerns. We are here to help!

---

## **HISD Student Code of Conduct and Fonwood Student Discipline Policies**

---

### **Code of Student Conduct**

---

Fonwood ECC is committed to academic success for every student. Students are expected to respect their peers, all staff members, volunteers, and other adults at all times. Students who disrupt the operation of the school interfere with the rights of others or damage school or personal property will be held accountable for their behavior.

All students and parents will have access to the HISD Code of Student Conduct, which describes disciplinary offenses and how the school district addresses them. The school will maintain safety for all students as well as maintain a balance between the rights of individual students and teachers. Parents are required to sign for the receipt of the Student Code of Conduct.

### **Student Discipline**

---

Fonwood ECC will use Conscious Discipline, a research-based comprehensive self-regulation program that combines social and emotional learning with discipline and guidance. Built on a foundation of current brain research, the School Family is constructed from safety, connection and problem-solving.

Conscious Discipline empowers adults to consciously respond to daily conflict, transforming it into an opportunity to teach critical life skills to children. It is the premier program that:

- Integrates classroom management with social-emotional learning
- Utilizes everyday events as the social-emotional curriculum
- Addresses the adult's emotional intelligence as well as the child's

Conscious Discipline is a way of organizing schools and classrooms around the concept of a School Family. Each member of the family—both adult and child—learns the skills needed to successfully manage life tasks such as learning,

forming relationships, communicating effectively, being sensitive to others' needs and getting along with others.

School climate impacts all achievement. The culture of a school can foster bullying, blame and cliques, or it can build cooperation, willingness, and responsibility. The School Family builds connections between families and schools, teachers and teachers, teachers and students, and students and students to ensure the optimal development of all. These connections provide the three essential ingredients for school success:

- 1) **A willingness to learn:** Without willingness, each interaction becomes a power struggle instead of a learning opportunity. The School Family brings all children, especially the most difficult, to a place of willingness through a sense of belonging.
- 2) **Impulse control:** Connection with others is the construct that literally wires the brain for impulse control. Disconnected children are disruptive. External reward/punishment systems cannot improve a child's ability to self-regulate because they are not designed to teach new skills. The School Family uses connection to internally encourage impulse control and teaches self-regulation skills in context.
- 3) **Attention:** Our attention system is sensitive to stress and becomes engaged with positive emotions. The School Family reduces stress while creating an atmosphere of caring, encouragement and meaningful contributions. These components are essential for children to develop and apply sustained attention.

## Commitments

Please do not send any money that is not sealed and labeled.

## **Restroom Procedures**

---

**Fonwood students must be toilet-trained.** It is the responsibility of the parent to inform the teacher and nurse, of students with special restroom needs. Students

may have accidents while becoming accustomed to the restroom schedules. Therefore, parents are required to keep an extra uniform, underwear, and socks in the student's backpack. Please send extra clothes in a big Ziploc bag.

Whenever possible, teachers will help the student clean up and change clothes so that they do not have to leave the classroom. Students without a change of clothes will have the parent/guardian contacted to bring a new set of clothes.

## Attendance/Tardies

---

As students transition from home or daycare to formal school, attendance and punctuality are important components to success. Parents are responsible to ensure consistent attendance in school and model the importance of punctuality by having students at school on time. Missing multiple days and chronic tardiness harms a student's ability to learn at the pace matching their peers. Excessive absences or tardies can result in truant notices, parent conferences, and home visits from school personnel.

Students may have no more than 10 unexcused absences during the school year. Exceeding this number will result in administrative intervention. If a student will be absent from school due to an emergency or illness, please contact the school by 9:30 a.m.

A dated written excuse and/or note must be sent to the teacher for each day a child is absent within 3 days after the student returns from an absence.

- Families have the option to complete an absence form that will be sent home when your child returns to school. **If a note or the form is not returned within three days, the absence will be recorded as unexcused.**
- The families of students who have excessive absences (excused and unexcused) will be required to attend a mandatory meeting with the principal. If the school is unable to contact the families of students with excessive absences, an attendance clerk and other campus personnel will visit the home to make contact.
- If a student misses more than 3 consecutive days, a note from a medical professional is required. If a student misses due to a death in the family, a funeral program or death notice must be presented.

Students must be on campus by 9:30 a.m. to be considered present for the day. Students are tardy at 8:00 a.m. **If a student arrives after 8:00 a.m., they must be escorted into the school and an adult must sign them in, in the main office.**

Acceptable excuses for absences include:

- Personal illness
- Sickness or death in the immediate family
- Quarantine; example: head lice
- Severe weather conditions making travel dangerous
- Emergencies or unusual circumstances recognized by the principal or designated person
- Participation in school activities with permission of the principal

According to the Texas Compulsory School Attendance Law (TEC.Sec.25.095) if a student has three unexcused absences a notice letter will be issued to the parent. The notice of unexcused absences must inform the parent of the:

- Duty to monitor student's attendance and require student to attend school
- Parent's subject to criminal prosecution (TEC Sec 25.093)
- Request conference to discuss absences

Every week and month Fonwood will reward students and parents for perfect attendance. We will also reward students and parents throughout the school year. To qualify for perfect attendance, students need to be in school every day. Even if students are absent due to an excused absence, they do not qualify for perfect attendance.

## **Immunizations/Illness/Medication**

---

Houston ISD complies with Texas state laws on vaccinations; therefore, any student delinquent with immunizations must be excluded by law. Students who have begun the "catch up" immunization process may be enrolled provisionally for 30 days in HISD.

Students who become ill or suffer an injury at school will be sent to the nurse's office. Students with fever 100.4 or greater, vomiting, diarrhea, or rashes may not return to school until well or they have a doctor's release. Students must be fever free for 24 hours without medication before returning to school. Students who contract contagious illnesses such as pink eye, chicken pox, lice, ringworm, etc. will be sent home and may not return until the condition has resolved.

The nurse/school personnel will give immediate first aid to any student sustaining injury or severe illness. Parents will be contacted regarding the injury/illness.

Parents will transport their child to a medical facility unless the child's condition requires immediate transportation. In this case, school personnel will call EMS/ambulance for transport. The nurse will require parents to complete a Health Inventory so that the school is aware of important health concerns, such as severe allergies or breathing problems that children might have.

Any student requiring medication, including over the counter (OTC), during school hours must have a current physician release in the nurse's office. **Do not give medications to your child to take at school.** This includes cough drops. Only the nurse and designated personnel will administer medication to students. Please see that the nurse receives the Medication Release Form. ***Students should have current contact and emergency phone numbers at all times.***

## **Breakfast, Lunch and Snack**

---

Breakfast and lunch are FREE to all students. Breakfast will be served in the classrooms from 7:30 a.m. to 8:00 a.m.

The same rules for behavior apply in the cafeteria as in the classroom. Students are expected to remain quiet in line and keep hands to themselves. Classes will sit together at their assigned tables. Students are allowed to talk quietly and may leave their table only with permission. For safety reasons, students are not permitted to use the restroom during lunch except in case of an emergency. Teachers will provide the opportunity for them to go to the restroom prior to going to the cafeteria for lunch.

Students may bring a sack lunch or parents may bring a lunch. However, students and parents cannot share food with other students.

Students will have a snack during the afternoon hours. Snacks cannot be provided to students during lunch. Parents will be asked to sign up to bring snacks on the classroom snack calendar. Please do not send cookies, candies, sodas, etc. Refer to the Foods of Minimal Nutritional Value Policy at: [www.fns.usda.gov/cnd/menu/fmnv.htm](http://www.fns.usda.gov/cnd/menu/fmnv.htm) for allowable snacks.

## **Today I've Got Everything Ready (TIGER) Folder/Homework**

---

Students will receive a TIGER binder that will be sent home every day. The TIGER binder will contain homework, a Daily Communication Log sheet, a weekly newsletter (Wednesday) and communications from school. Students will be assigned homework as a means of encouraging independent study, establishing good work habits, and reinforcing basic subject skills. **Homework is regularly assigned Monday – Thursday.** It is each student's responsibility to complete homework assignments and meet all deadlines. Parents will also receive a homework calendar of activities to do daily work with students.

Each student will receive a Daily Communication Log each day. This Daily Communication Log helps teachers keep in communication with parents. **Please make sure to sign your student's Daily Communication Log every night.** All students are encouraged to read or be read to at least 15 minutes each night. Questions about homework should be directed to the classroom teacher.

## **Report Cards and Progress Reports**

---

The Prekindergarten Progression of Skills is the report card for Prekindergarten. The report card is an official part of the student academic transcript. It is sent home every 6 weeks: **October 7, 2022; November 11, 2022; January 13, 2023; March 3, 2023; April 20, 2023; May 31, 2023.** This report provides information regarding student academic and social skills. Progress reports will be sent home the 3rd week between each Report Card.

## **Parties, Celebrations and Birthdays**

---

Fonwood will host many events throughout the school year. Those events include but are not limited to school programs in December (Holiday Program) and May (PK Promotion Program), carnival, and classroom celebration. Parents will be issued four tickets for the Holiday Program and four tickets for the PK Promotion Program. Parents may assist in classroom and school celebrations once cleared by Rapture (VIPS) program.

food items, including cake, cookies, or cupcakes. Treat bags may be given and should not include candy. Erasers, stickers, pencils, goldfish, and books are acceptable treats. Healthy treats provided in treat bags must be individually and commercially wrapped.

Parents and families are encouraged to pre-register for events that require Raptor clearance. A pre-registration form will be sent home prior to the event. Each form will ask for a name, date of birth and identification/driver's license number. When you arrive with your identification, we will have your visitor pass readily available for you.

## Campus Safety

---

### Visitors

---

Prominent notices will be posted on campus requiring all visitors to report to the Main Office to sign in. This applies to parents, other HISD employees, volunteers, and other visitors. All visitors must present state or official identification to receive a pass to visit the campus. Visitors must sign out in the Main Office before leaving campus.

### Drills

---

Monthly drills are conducted as required by state law to practice procedures in case of a fire, disaster, inclement weather, or intruder in the building.

### Securing School Property

---

Fonwood relies heavily on friends and neighbors in the area to report to the HISD Police Department, **713-892-7777**, any unusual or suspicious activity after school hours. The HISD armed police officers are on patrol duty at night and on the weekend. Please assist us in securing our school and property so that our children can continue to enjoy a healthy and safe school environment.

### Teacher/Principal Appointments

---

Parents are always welcome to visit the school to observe. Visits to classrooms during instructional time are always permitted. Visits will not be permitted if their duration or frequency interferes with the delivery of instruction. Parents may schedule parent/teacher conferences during teachers' planning periods. Call the Main Office to schedule appointments with your child's teachers.

Parents may meet with an administrator at any time. The chart on page 9 may help you determine if your concern may be resolved by reaching out to others on campus as well. Please keep in mind that the principal or administrator may already have appointments or meetings scheduled.

Appointments can be made in the Main Office and should be scheduled at least one day in advance if the matter is not urgent. Contact the school immediately to speak with the principal or her designee about matters that may jeopardize your child's safety.

## Lunch Visits

**Parents may have lunch with their student on the last Friday of every month for 30 minutes during the lunch period.** Parents must sign in at the Main Office and will be escorted to the cafeteria to sit with their student. Parents may not interact with or share food with other students. Parents must remain in the cafeteria for the entire 30 minutes and will be escorted back to the Main Office once lunch is finished. Parents may not conference with teachers during the lunch visit. Fonwood staff must maintain safety in the cafeteria and will not have time to interact with parents. Parents will be responsible for any other children that accompany the parent to Fonwood. Fonwood will not be liable for any injuries or accidents sustained by non-Fonwood students. These are the Fridays that are scheduled for Parent Lunch visits:

## Field Lessons

---

Field lessons are scheduled during the school year to support classroom activities for the Pre-kindergarten program. These trips are designed to supplement different aspects of the classroom curriculum and to introduce students to community resources. For every field lesson, permission slips will be sent home by the teacher to be signed and returned. No student will be allowed to go on a trip without written permission on the appropriate field trip form. A high standard of conduct is expected of students who participate in field lesson activities.

Classroom teachers may choose to invite up to (2) parents to assist during these trips. *Parents that go as a chaperone are not allowed to bring other children.* Parents may be asked to attend and supervise their student on field lessons. **\*\*Parents must be RAPTOR (VIPS) certified to attend.** Students who attend a field lesson with their class must return to school with the same group. **Parents will not be able to take or pick up students from field trip locations. ## Child Custody and Visitation

---

### **Issues involving child custody and visitation and parental rights, privileges, duties, and powers**

When a new student enrolls in an HISD school, the principal or her designee should ensure that the person enrolling the child is authorized to do so. HISD complies with the law established by the State of Texas.

### ***Rights, Privileges, Duties, and Powers of a Conservator as of April 20, 1995, Texas Family Code § 153.071***

If both parents are appointed as conservators of a child, the court will specify the rights and duties of each parent that are to be exercised (1) by each parent ***independently***, (2) by ***joint agreement*** of the parents and/or parties to the proceeding, and (3) ***exclusively*** by one parent. These rights should be specified in the Court's Order. A Court may only limit the rights and duties of a parent appointed as a conservator after making a written finding that such a limitation is in the best interests of the child.

### **Unless limited by a Court Order, both parents have the following rights, at all times:**

- ◆ to receive information from the other parent concerning the health, education, and welfare of the child.
- ◆ to confer with the other parent to the extent possible before deciding concerning the health, education, and welfare of the child.
- ◆ access to medical, dental, psychological, and educational records of the child.

## **Parent & Community Involvement**

---

Parent and community involvement provide strong, positive forces in the academic success of students at Fonwood Early Childhood Center. Research has shown that students benefit when parents, schools, and community members work together collaboratively. As a parent, there are many ways to be involved in your child's education. The next few pages will describe opportunities provided at Fonwood.

## **Parent-Teacher Conferences**

---

During Parent-Teacher conferences parents work with their school family (teachers and other parents of the classroom) to practice ways to help prepare their children for academic success when students come home. Families have an opportunity to review skills your child is learning, look at how your child is progressing, set goals for your child, and take-home fun activities to practice with your child. By the end of each Parent-Teacher Conference, parents will have a firm understanding of 1) what their student is learning, 2) how their student is progressing, and 3) how family members can help students continue learning when at home.

## **Family Literacy Night (FLN)**

---

Engaging with students through enthusiastic reading that brings characters to life and asking them questions while reading teaches students skills that are crucial to being academically successful. Monthly Family Literacy Nights (FLN) provides families with an opportunity to learn more and practice these skills while visiting the school library. It also provides families an opportunity to check out books to read at home and engage in practices that will make students life-long readers.

## **Parent Engagement Incentives**

---

Parents that attend events at Fonwood ECC will have their name entered into a raffle for their participation. The raffle winner will be announced at the end of that event.

## “JUST PLAYING”

When I am building in the block room,  
Please don't say, "I'm just playing."  
For, you see, I'm learning as I play  
About balance and shapes.

When I'm getting all dressed up,  
Setting the table, caring for the babies,  
Don't get the idea I'm "just playing".  
I may be a mother or a father someday.

Or standing at an easel, or molding and shaping clay,  
Please don't let me hear you say, "He's just playing"

For you see, I'm Learning as I play.  
I'm expressing myself and being creative,  
I may be an artist or an inventor someday.

When you see me sitting in a chair  
"Reading to an imaginary audience,  
Please don't laugh and think I'm, "just playing"  
For, you see, I'm learning as I play.  
I may be a teacher someday.

When you see me combing the bushes for bugs,  
Or packing my pockets with choice things I find,  
Don't pass it off as "just playing".  
For, you see, I'm learning as I play.  
I may be a scientist someday.

When you see me engrossed in a puzzle,  
Or "plaything" at my school,  
Please don't feel the time is wasted in "play"  
For, you see, I'm learning as I play.  
I'm learning to solve problems and concentrate.  
I may be in business someday.

When you see me cooking or tasting foods,  
Please don't think that because I enjoy it, it is just "play"  
For, you see, I'm learning as I play  
I'm learning how my body works.

I may be a doctor, nurse, or athlete someday.  
When you ask me what I've done at school today,  
And I say "I played",

Please don't misunderstand me  
For, you see, I'm learning as I play.  
I'm learning to be successful in work.

I'm preparing for tomorrow.  
Today, I'm a child and my work is play!
