ATTENDANCE INCENTIVES FOR THE MONTH OF MARCH

Study after study confirms the value of high-quality early childhood experience for developing the cognitive, social and emotional skills that children need to succeed in Kindergarten. But, unless children attend these programs on a regular basis, they are not likely to benefit fully. At Fonwood, we reward students who come to school regularly because we believe that attendance in Pre-K lays the foundation for a child's future attendance habits and academic performance.

Every month, students who have PERFECT ATTENDANCE will be rewarded!
