Thank You for a Great School Year!

As we prepare to close this unprecedented but challenging school year, we want to celebrate the amazing job that our students, families, and teachers have done in response to the current COVID 19 situation. We want to thank everyone for their hard work and perseverance in latching on to a new way of learning, teaching, communicating, and growing through our Distance Learning program. Thank you all for your willingness to finish the school year strong despite the circumstances.

We know there are still many questions and uncertainties at this point, and while we share these sentiments, there are several things we do know:

- We will offer a virtual summer school program from June 8 to July 2, 2020, Monday through Thursday, from 9:00 a.m. to 11:00 a.m.
- We will keep the school open for registration during the month of June.
- We will continue to work diligently to prepare for a safe and strong start to the 2020-2021 school year for our incoming students and families.
- We will continue to communicate and keep parents and students informed as we progress over the next few weeks.

We will miss all of you! Have a great summer!
