ATTENTION: FONWOOD FAMILIES

We are very fortunate to have a full-time nurse to ensure that our students' health and well-being while in school is being monitored. Nurse Ivory holds a very important role in supporting the academic success of all our students. Below are some reminders that Nurse Ivory wants to impart to all of our Fonwood families as we continue to stay vigilant in the face of COVID 19.

- If you suspect your child is sick or is not feeling well, please keep him/her at home. Failing to do so puts other students and their teachers at risk.
- If your child has a medical condition related to bladder or bowel control, please provide Nurse Ivory with a medical statement from your child's doctor as required by HISD.
- A written permission from parents must be on file if a student needs assistance to change from his/her soiled clothes after a restroom accident. Otherwise, parents will be called to the school to change the child. A permission form will be sent home this week for this purpose.

At the completion of the Winter Break, we look forward to welcoming our Fonwood Cubs Back to campus on **Monday, January 4, 2020**. We hope that everyone has a safe Winter Break.
