

Mickey Leland College Prep Academy

SPORTS PAPERWORK INSRUCTIONS

Hello Parents,

The following paperwork needs to be completed once every school year. Sports are offered for grades **7th-12th only, 6th grader are not eligible for UIL sports.** All this paperwork **MUST** be filled out, **NO EXCEPTIONS**, for your son to have an opportunity to try out for any of the various UIL sports offered at Mickey Leland.

The following U.I.L. sports are offered to 7th/8th graders at Leland;

- Cross Country
- Basketball
- Soccer
- Track.
- Baseball (this is a club sports and not affiliated with the UIL)

The following U.I.L sports are offered to 9th-12th graders at Leland;

- Cross Country (Varsity)
- Basketball (Varsity, JV)
- Baseball (Varsity)
- Track (Varsity)

1. Pre-Participation Medical Evaluation

Every school year, Mickey Leland athletes must complete a medical examination by a licensed physician. The examination must be signed by the doctor, parent, and student. The physical must be completed on the official UIL Preparticipation Medical Evaluation form. ***No other form will be accepted.*** Parents please fill out the medical history side of the physical form for your child. ***Please make sure you and your child both sign the physical form.*** Parents, please make a copy of your child's physical for your records. Parents please take your child to the doctor during the summer break and have it ready to turn in when school starts.

2. H.I.S.D. \$35 Insurance or WAIVER

The H.I.S.D. insurance will cost \$35 dollars and is **non-refundable** if your son does not make the team. This is a one-time fee, is good for the entire school year, and covers your child for every UIL sport offered at Mickey Leland. The H.I.S.D. insurance does not cover club sports (MS baseball). H.I.S.D. insurance is secondary to any other personal insurance you have on your child. However, if your personal insurance on your child is C.H.I.P., Medicaid, Military, or other government insurance then the H.I.S.D. Insurance would be your primary insurance. H.I.S.D Athletic Department strongly suggests you purchase this vital **catastrophic coverage** for the welfare of your child. This insurance can only be used for an UIL sports related injury. To purchase the H.I.S.D. insurance for your child please contact the head coach for that sport and pay \$35.00 dollars. Parents, you may only pay by cash.

Insurance Waiver

Parents if your child is covered with your personal insurance you may choose to waive the \$35-dollar fee and complete an insurance waiver. To complete an insurance waiver a parent or legal-guardian must fill out the waiver form with black ink and have it notarized by a notary or have it signed by a Mickey Leland administrator. ***Mickey Leland will need a copy of your insurance card.***

3. Pervious Athletics Participation Form (HS ONLY)

All incoming high school students must have a P.A.P.F. on file with the district. Parents are to complete the ENTIRE front page as well as sections I and II on the backside. For freshman, Section III is to be completed by their middle school coach and assigned administrator. If your son has transferred to Leland from another high school, that high school coach and assigned administrator must complete section III.

4. Parent Approval

This form needs to be completely filled out. You do not need to have it notarized, it can be signed by an administrator. If you purchased HISD insurance, please write "HISD Insurance" on the insurance provider line.

5. Media Release

6. Acknowledgement of UIL rules

7. Concussion Agreement

8. Steroid Agreement (HS ONLY)

Parents, please complete the following (8) items and turn them into the Mickey Leland Athletics Department. It is best practice to get this all done during the summer months as to not risk missing a try out date due to incomplete paperwork.

Thank you,

Zane Laker
Athletics Coordinator
