A-Rated 7 Star Distinction Campus

## SDMC Meeting Minutes

Thursday, November 16, 2023 (PLC room at 4pm)

➤ **Welcome and Sharing**

➤ **SIP**

- There were minor modifications made to the language used such as changing SPOT to T-TESS.
- For Key Action 3, the growth targets are set by the State but that information hasn't yet been released.

➤ **School Updates**

- **No additional budget**
- **Vacancies in Math, Technology, SPED, and Theater**

- Mr. Harris resigned so we are looking for a 7<sup>th</sup> grade math teacher.
- A Technology teacher has been hired.
- Dr. K resigned. We need a theater or dance teacher to meet the Fine Arts requirement.

- **Verizon Contract**

- The contract with Verizon has ended. The campus did callouts and sent emails so that we can get a count of how many students/families don't have access to the internet at home. A letter with a QR code will be sent home as well.
- We will consider offering a study hall after school to provide a safe place for students to complete their online assignments.

- **Special Education Folder Review**

- The folder review by the State went really well.

➤ **Other concerns (Robinson)**

- **Will students be able to wear a high school crew neck sweater like they were allowed to while promoting their future HS in previous years. Students were also allowed to wear high school and college shirts on Fridays.**
  - The committee will create a calendar for spirit attire on Fridays such as high school/college shirts on First Fridays.
- **People bringing their pets (specifically dogs) to work with them.**
  - Mr. Knittle will research the rules/policies about this and give feedback at a later date.

- **The Level Zero policy in the hallway has led to more behavioral issues in the classroom.**  
This is a district policy that we have to abide by. We will look for other ways to support classroom behaviors/management.

**Next Meeting Date: February 19, 2024**
