Course:
Goal
Prepare students to higher level of math classes and apply the mathematical theories to real world problems.

Expectations
- Actively participate in class
- Have study time everyday
- Attend tutorials when needed

Academic Integrity
- Academic dishonesty on any assignment will result in consequences according to the Westside Way and Student Conduct of HISD.
**Grading:**

- Solutions should NEVER be just a single number without description or explanation. Therefore, NO WORK, NO CREDIT.
- Late homework (one workday late) will result in a 75 if completed.
- If you are absent, turn in the homework on the day you return to class for full credit.
- Missed quizzes will not be made up. The test following a quiz will replace the missing quiz.
- If a student fails a test, there will be one opportunity to retest. This retest grade will replace the failing test grade with a grade up to 80. Students must do corrections, and/or attend tutorials before retake.

**Electronics Policy:**

Personal electronic devices will be silenced put away at the beginning of each class.

Students are not allowed to charge electronic devices during class.

Violation of electronics policy will result in confiscation of the device.

**Absentee:**

Students are responsible for their own work when absent from the class. If you are absent:

- Notify the teacher in advance and make arrangements
- Get help from other students, the teacher or the HUB upon returning to class.

**Student Expectations:**

1. Be on time with your ID and computer
2. Put cell phones and head phones away
3. Respect each other, the teacher, and the classroom
4. Take care of the “Do Now” when you come in
5. Follow the instructions and ready to learn
