WHAT SHOULD I EXPECT AT A ROAD SHOW?

Every campus has its own, unique plan for how to best use the extra resources that will be available for students and families on Road Show day.

Generally speaking, however, the volunteers helping with Road Shows across all HISD campuses will be helping students and families complete FAFSAs/TASFAs through one-on-one appointments, answering questions and supporting small groups or drop-in appointments, or supervising and assisting students working in a computer lab to create FSA IDs or work on the student pages of the FAFSA/TASFA.

There may be other structures set up by the campus hosting the event that will need volunteer support, so the flexibility of our volunteers is greatly appreciated!
