

# Ready for class?

## Laptop in class

You must have your laptop in class every day.

## Laptop in case

Your laptop should live in its school-issued case 100% of the time to prevent accidents.

## Laptop charged

Your laptop should be fully charged when you arrive to school. Plug in your laptop every evening.

## Laptop cared for

Prevent your laptop from becoming cracked or damaged.

## Laptop backed up

Save your files on your OneDrive or USB, so you never lose important work.

# Caring for Your Laptop

**Secure your laptop at all times.**

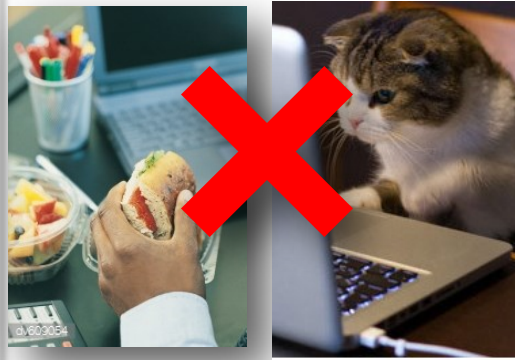

**Remove everything before closing your lid.**

**Keep your laptop clean.**

**Keep your laptop away from food, drinks & pets.**
