The Title 1, Part A program is a federally funded program that provides financial assistance to school districts and schools with high percentages of students from low-income families.

The Title 1 Part A program is intended to help ensure that all children meet challenging state academic standards, regardless of economic status. The program’s goal is to provide all students with the opportunity to receive a fair, equitable and high-quality education.

At Lamar High School, Title 1 funds are used to supplement our current programs. Specifically, for the 2019-2020 school year, funds will be applied to the following:

- A. 1 Counselor Salary
- B. Before and After School Tutorials
- C. Materials and Supplies
- D. Field Lesson – Group 4 Science Project to U of H (all 11th graders)

Lamar High School is a school – wide Title 1 program, and all students are entitled for services through Title1. As Title 1 Coordinator, I work closely with parents and staff to facilitate the success of our program.
