ENRICHMENT FOR ALL STUDENTS: A Free On-Demand Course!

From Foundational Methods to Practical Strategies

The Schoolwide Enrichment Model focuses on enrichment for all students through high levels of engagement and the use of enjoyable and challenging learning experiences that are constructed around students' interests, learning styles, and preferred modes of expression.

Renzulli Learning takes the foundational methods of SEM and enables teachers to put it into practice in the classroom, every day. This free course will prepare you to utilize SEM and Renzulli Learning the most efficiently and effectively. Users who complete the entire course successfully will receive a certificate of completion from the [University of Connecticut worth 9 professional development contact hours.](#)

We are here to support you in your enrichment and differentiation efforts, whether it is for a few students, a whole class, or your entire school!
