## TEACHER APPRAISAL AND DEVELOPMENT SYSTEM

A Quick Overview of the Online Training for New Teachers

## NOT FOR PUBLICATION OR DISTRIBUTION. WELCOME

## HISD Teacher Career Development CULTIVATING EFFECTIVE EDUCATORS

## **NOT FOR PUBLICATION OR DISTRIBUTIO** WHAT TO EXPECT

- All teachers in HISD are evaluated under a unique program, specific only to HISD.
- The Teacher Appraisal and Development System (TADS) program is a coaching and collaborative platform designed to ensure your most effective self both professionally and instructionally at all times.
- Double check with your school leader to ensure you are going to be appraised under TADS and not the non-teacher appraisal system.

## NOT FOR PUBLICATION OR DISTRIBUTION. WHAT TO EXPECT

- This year's training will be completed asynchronously through OneSource.
- TADS Training is mandated by Board Policy so make it a priority to complete.
- You will want to plan for an entire half day to complete the training.
- You have 15 school days to complete the training from your official start date.

## NOT FOR PUBLICATION OR DISTRIBUTION. THE TRAINING ITSELF

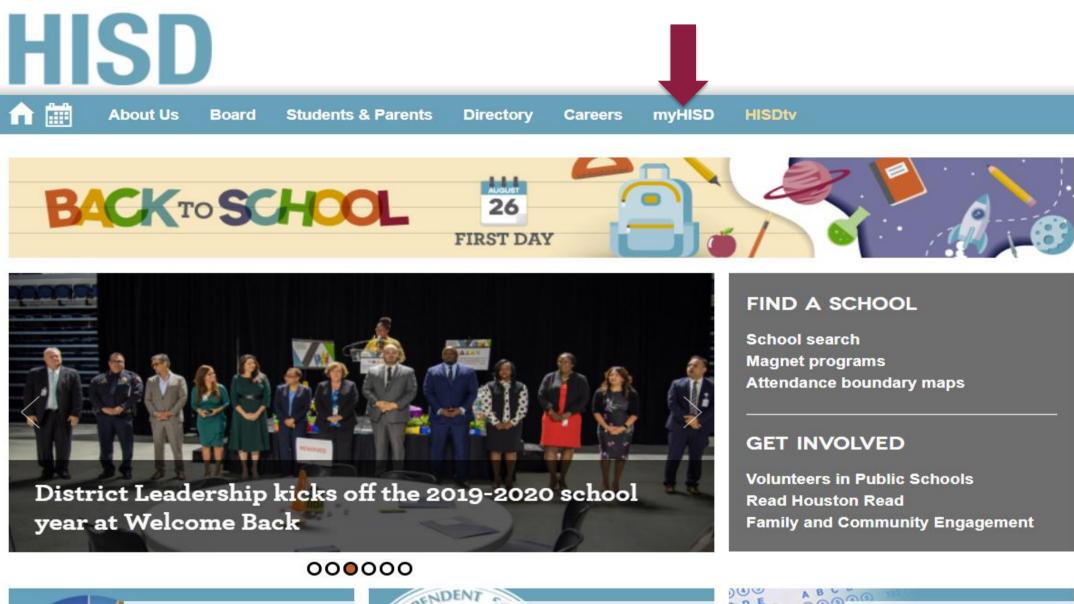

- Access the TADS New Teacher Training 21-22 via OneSource. The course # is 1454074 and the title is PD\_TADS 2021-22 New Teacher Training Online.
- The course is self-paced; you can expect to take between 4 to 6 hours complete it, depending on your individual pacing.

## Step 1: Go to www.houstonisd.org. Click on myHISD.

### GLOBAL DISTRICT IN A GLOBAL CITY

- In order to successfully complete the course, you must exit the course at the end of Module 3 (Professional Expectations & Student Performance) and complete the course survey. If this step is not completed, you WILL NOT receive course completion credit.
- Here is a screenshop of what you can expect to see at the end of the course.

## A GLOBAL DISTRICT IN A GLOBAL CITY

#### MODULE 3: PROFESSIONAL EXPECTATIONS & STUDENT PERFORMANCE

This completes the overview of Professional Expectations and Student Performance.

As mentioned in the training, Professional Expectations makes up 20% of a teacher's final appraisal rating. Student Performance, when used as a component of the appraisal system, has a weight of 30%. If a teacher does not teach a course which qualifies for the Student Performance component, the weight of Professional Expectations shifts to 30%.

You have completed the lesson portion of the course. Click the Exit Lesson button, then click Return to Content Structure. You must complete the course survey to receive credit for this course.

- Once you have exited the final lesson, you will be returned to the content structure screen.
- Access the End of Course survey and complete the survey in it's entirety to receive credit.
- Here is a screenshot of what you can expect to see when attempting to access the End of Course survey.

## NOT FOR PUBLICATION OR DISTRIBUTION. CHECK FOR COURSE COMPLETION

- Once you have completed the course survey (enabled at the end of the course), you can check your course completion status in OneSource.
- In the HISTORY section, click View All. Look for the course title listed.
- It is always recommended you download and print a copy of your course completion certificate for your records.
