Fast. Easy. Affordable.

65%
of Texas
residents qualified
for insurance tax
credits last year.

Ready to find out how easy it is?

We'll help you find a plan to fit your budget—one that covers emergencies, doctor visits, prescriptions, hospitalization and maternity care. Pre-existing conditions, too.

Last year the average American paid only \$82/month for their new Marketplace insurance premium—and many paid less.

Our trained pros make it easy. And the support is *free*.

Enduring Values. Inspired Performance.™

Want to do it fast & easy?

Here's what to bring.

When you apply for coverage in the Health Insurance Marketplace, you'll need to provide some information about you and your household, including things like income and any insurance you currently have.

Use this checklist to help you gather what you need to apply for coverage.

- Social Security Numbers for all household members (and any immigration documents)**
- Employer and income information for every member of your household (for example, from pay stubs or W-2 forms—wage and tax statements)**
- Current health insurance plan information for everyone in the household**
