

2022 LANIER BASEBALL

Dear Lanier Parents and Student-Athletes,

Lanier Baseball will start our 2022 season next week. The season consists of practices, about 10 regular season games, and concludes with the HISD Middle School Baseball Championship Tournament. The season runs from February through April.

All eligible student-athletes must complete their Register My Athlete profile www.registtermyle.com before tryouts. If a player makes the team, I ask that he make Lanier Baseball a priority over other extra-curricular activities. With multiple games during the week, it helps to have everyone available when needed.

Tryouts will be **Tuesday and Thursday February 8th and 10th at Burnett Bayland Park (6000 Chimney Rock Rd. Houston, TX 77081) from 4:30 – 6 pm. Pitchers and catchers will try out Wednesday February 9th from 4:15 – 5:30 pm at Lanier MS.**

Thank you for your interest in Lanier Baseball and we look forward to working with you and your child. If you have any questions, please email me at SCABELL@houstonisd.org

Coach Cabell

What to expect this season:

- Practices and Games will be played Monday – Thursday from 4:30 – 6:00 pm. All games will begin as close to 4:30 as possible; however, we will have at least two night games due to field availability.
- Players who make the team will each pay a \$200 fee that will cover field rental, umpire fees, game jersey, cap, socks, belt, game balls, and tournament fees.

Academic Policy

Our first priority is to ensure that each athlete is successful in academics as well as on the field. Student athletes must maintain a grade of 70 or above in each of his classes. Grades below a 70 will result in the no pass / no play rule. If a student fails to maintain a 70 average, he must sit out until the next reporting period grades are available. The athlete should still attend practice but is not able to play in any games.

Athletes can miss practice if they need to go to tutoring or to receive outside academic help; however, the athlete must notify a coach before practice or game time. We also encourage good behavior in the classroom. Unacceptable behavior in the classroom can result in reduction in playing time, suspension from the team, or removal from the team.

Being Late or Missing Practice or Games

Upon making the team, each athlete / parent will be given contact information for the coaches. If a player will be late or miss practice or games, he is responsible for contacting a coach **BEFORE** the start of scheduled practice or game time. A team Remind will be set up when the team is selected.

Playing Time

No athlete is guaranteed playing time during games. Based on the substitution rules set by HISD baseball organization, we will try to play as many players as possible during our games.

Transportation

As a club sport, the Lanier does not provide bus service to practices or games. Parents must arrange for transportation to and from all activities.

Practice / Game times are scheduled Monday - Thursday during the season from February through April from 4:30pm – 6:00 pm. This year we do not have a designated home field but will use Burnett Bayland Park, Linkwood Park or opponents team facility. The season concludes with the HISD Championship Tournament in mid - April.

Burnett Bayland Park 6000 Chimney Rock Rd. Houston, TX 77081.

Linkwood Field is located at 3699 Norris, Houston, TX 77025.

Fees

Middle school baseball is not funded by HISD or the UIL, therefore Lanier baseball must ask for some assistance from players to keep our program running. The fee will be \$200. The fee is only required for those players that make the team.

If there are any questions, please contact Coach Cabell at SCABELL@houstonisd.org
