## SCHOOL OVERVIEW

Eastwood Academy is an award-winning college preparatory high school southeast of downtown Houston. Eastwood Academy's students take a rigorous college-preparatory curriculum and complete 80 hours of community volunteer work prior to graduation. Our students enroll and complete dual credit courses. Eastwood is very proud to have a strong and competitive AP program.

At Eastwood Academy, we know that an excellent education can give you the skills you need to succeed in both college and in your professional career. In addition to our nationally recognized college preparatory program, our students participate in field trips to universities, attend lectures given by community leaders, participate in relevant internships and have access to several full-time counselors to help guide them in all areas of academic life. We offer Pre-SAT, ACT and SAT college entrance exam courses that ensure our students achieve the scores they need to get into their chosen university. We equip all of our students with the skills, the experiences, and the intellect to develop into internationally minded people who recognize their common humanity and shared guardianship of our Eastwood community, the East End community, and the planet.

<sup>1</sup>These data reflect 2022-2023 advanced course offerings. In Houston ISD, an advanced course is defined as any Pre-AP, AP, Pre-IB, IB, Dual Credit, or Dual Enrollment w/ UT OnRamps offering. We did not list them, but some schools started offering their own versions of PreAP courses, called HISD Advanced Courses in 2020 when CollegeBoard trademarked the PreAP name.

<sup>2</sup> These data reflect Class of 2022 indicators from National Student Clearinghouse (NSC) data. The out-of-state, 4-year, & 2-year percentages reflect the total graduating class.
