2020-2021 SCHOOL YEAR

Holly Gibson, Principal

It is with great pride that I serve as the Principal of the Middle College High School at HCC Gulfton. I am honored to be part of the MCHS-Gulfton family.

The upcoming year is going to be amazing as we continue to provide rigorous and relevant academic experiences for our students. We plan to build relationships while continuously making connections to the real-world virtually and/or in-person. As your principal, it is important to me that everyone who enters through our doors from students, teachers, and parents are excited to be here! My door is always open, and I welcome your input.

Our faculty, staff and administration are focused on providing a quality learning experience for all students through various curricular opportunities available. Our focus is preparing students for college and careers by developing essential skills and behaviors in a safe, supportive environment.

Thank you
