Classroom Teacher Liliana Juarez 

Classroom Teacher Alexandra Morgan *Teacher* 

Wraparound resource specialist Andrea Llerena *wraparound resource specialist* 

Classroom Teacher Aleida Eubank 

Lecturer Miles Flowers *Lecturer* 

SDMC Meeting Minutes

Wednesday May 31, 2023

1:30 PM – 2:00 PM

7. Welcome

F. Hernandez: Welcome and thank you for joining us today for our 4th Quarter SDMC meeting. We have a few items on the agenda for today to close out the SDMC for this school year. Once again, thank you and lets get started.

8. Summer School

- List of Recommended students

The list of students that need to attend summer school should be finalized by the end of today. Students will need to attend summer school if they failed a STAAR EOC, have an NG, or need Credit Recovery in a core class. Ms. Sladana and Mr. Flowers will be making the notification call on Thursday and Friday of this week.

- Notification call

Mr. Flowers will make all phone calls and Ms. Saldana will support Mr. Flowers with parents/guardians who only speak Spanish.

- 9th Grade Bridge Camp

Incoming 9th grade students that have completed the enrollment process will be invited to attend 9th Grade Bridge Camp. This camp will take place during the week of June 12 to June 15. Mr. Flowers and Ms. Saldana will make the phone call to invite students to the 9th Grade Bridge Camp on Monday June 5 and will composite a list of student confirmed to attend. Once we have a list of all the

confirmed students, that list will be shared with the Summer School teachers hosting the Bridge Camp.

- Questions ?

9. Master Schedule Update (Summer School & SY 2023-2024)

- Summer School

The master schedule for Summer School has been finalized and should be ready to enroll students by tomorrow, June 1st. Once students have been enrolled in their Summer School courses, schedules will be printed and distributed to the first period teacher for the first day of school.

- SY 2023-2024

Once summer school get fully underway, we will begin to work on the Master Schedule for the 2023-2024 school year. The Master schedule will follow the guidance we have agreed upon in our previous SDMC meetings (A, B, & C Days).

- Questions?

10. SEL:

- Wraparound Services (Ms. Llerena)

Thank you for submitting SAFs and please continue to submit them as the need comes up. I know it is the end of the year and things can get a little hectic, but please continue refer students. We will continue to provide Wraparound services for students through out the duration of Summer School.

- ESSER funds and orders

The orders placed through our ESSER funds have started to come in, but we are still waiting on some of the big ticket items to come in. Hopefully, everything comes in over the summer so it can be ready for our students in August.

- Purple, SAFs, & SATC

11. Assessment

- STAAR EOC Results

The STAAR EOC results are in and it looks like we will be at or about the same as last year. For accountability purposes, we still have to wait for the district to add or remove students who have moved during the school year, but that should have minimal impact on the overall results.

- TSI

TSI testing rounds have begun, with the higher priority students already tested.

TSI testing will continue towards the end of summer school in preparation to have as many students as possible enrolled in dual credit classes next school year.

12. Looking Ahead to 2023-2024

Based on feedback from faculty and staff, parents, and other district personnel, we will be implementing some changes to the day-to-day policies and procedure in an effort to provide the best possible opportunity for success to our students. More on this to come once when we return in August.
