

...conmigo

...Conmigo, a mommy & me style Spanish program, introduces Spanish to young children through music, finger plays, rhymes and interactive play. Exposing children to a second language at a young age helps develop fluency, cognitive thinking and socialization. The earlier the better!

This fun and stimulating environment is open to 1-4 year olds. The 7 week sessions are held at Helms Elementary. Choose Tuesday or Friday classes. The cost is \$70 (\$50 for additional sibling) per session. Siblings under 12 months may attend free of charge. Enrollment is limited to 10 per class. Make checks payable to Helms PTA.
