

AXIOM APP CHECKIN2WORK

Employees should:

1. Visit <https://www.checkin2work.com/> to set up their account and get started.
2. Log on to CheckIn2Work using their work account username and password (HISD email address and the password used to log on to their work computer or Office365 websites).
3. Employees can watch a helpful training video [here](#).
4. To download app:
 - **Android devices** go to Google Play Store to download the app.
 - **Apple devices** go to App Store to download the device
5. Click on search area and type axiom to do find the Axiom app.

6. After downloading open the app and follow the steps to setup your HISD profile in there.

Other ways to access Axion

If you don't want to use the mobile app we have another options to complete your daily self-attestation.

- **By phone call:** call this number to do your daily registration (713) 556-7280
- **By a web portal:** Go to Axion website <https://portal.axiomllc.com> and complete you daily questionnaire.

Please contact me at rarauco@houstonisd.org or call me to 486-201 if you need assistance.

HISD Additional Support

For issues with their sign-up, contact by email to <mailto:SUP-P-Ort@checkin2work.com>.

If you need additional help, please email to Bridget Moore at bmoore1@houstonisd.org to send your request.
