Committees

- Safety – November Drill: Fire Drill 11/23 (tornado drill if bad weather); December Drill: whatever we don't do in November 12/15; safety inspection: things off wall, cut-out on door, doors closed; the slide: wall off permanently with plywood; think about where students will go in the morning in the new building, a floor plan will be brought to the next meeting, how do we monitor who enters the building in the morning?
- Technology – Google Apps For Education: network through Condit, email, share through GoogleDocs, alternate devices to get to be one to one, ex: Chromebook, for fifth grade or bring your own device program
- Budget – budget is set, 679 is officially our enrollment for funding purposes

2016-2017 Proposed Calendar

- Early Release on Wednesdays, Fridays could cause significant attendance issues
- Option to look into: Extend the day so that our early release days can be full PD days,

Uniform Survey Results

- We will gather specifics about prices of uniforms;
- We will look at a simpler dress code policy.
- Possibly seek out the people who did not vote – nearly 200 families

Comments

- New building on schedule; move over summer; summer school off-campus
- Earned nearly \$49,000 from Boosterthon
