SDMC Agenda 9.7.2016

Members in Attendance: Paula Pete, Kristen Fjeldal, Kathryn Gratwick, Sonu Mathew, Dan Greenberg

Leader in Me Lighthouse Team in Attendance: Lacey Grimm, Michelle Driscoll, Vanessa Borths, Kristen Fjeldal, Morgan Bryan, Andrea Schultz, Paula Pete, Kari Beissner

1. Welcome – introductions of members of the team
2. School Improvement Plan 2015-2016 Goals
 - a. Mr. Greenberg reviewed and explained key strategies for each goal
 - b. Ms. Driscoll suggests CPR training or certification for staff; could also be done online; Sonu states that parents may also like to be trained as well
 - c. Do we do a check-in mid-year? we can check in at mid-year for some of them; some of them you have to wait until the end of the year
3. Morning Arrival
 - a. Parent concern regarding breakfast: morning is unsafe because there are so many unaccounted adults in the multi-purpose room/cafeteria; parent recommendation: parent says goodbye at the door and student goes into the building – teachers are in agreement; VIPS cleared parents can be in the learning commons; at 7:50 parents can enter building with student; we do not want parents to not feel welcome in our campus; Sonu and Katharine are in agreement due to safety; it will start Monday
 - b. S. Rice Carpool Lane and SpEd bus: will have to stop carpool to allow the students to get on and off the bus
4. Standing SDMC Committee Report

a. Safety: Lauren Hall: fire and tornado drill last week – went well, risk management visited

- i. Lock down drill – unscheduled; waiting for blinds/shades
- ii. Risk management conducted a drill trying to get into the building – our campus scored “Excellent”.
- iii. Drill for September - secure campus or lockdown drill
- iv. Arrival concerns – talk to students about not letting anyone in the building in the AM; for lunch parents meet students in the cafeteria and say goodbye in Main Street hallway
- v. Carpool – parents texting while driving; and parents using handicap spaces for drop-off
- vi. 2nd crossing guard will come after traffic is studied and current crossing guard will move to carpool area

5. There were no comments, concerns, & questions at this time
