Reopening Plan

▶ https://www.houstonisd.org/ParentCourse

▶ www.houstonisd.org/Reopening
Starting with the second six weeks of the 2020-2021 school year, HISD families will be required to select either in-person or virtual instruction for students. Parents will have from Monday, September 21, through Friday, September 25, to make their selection through the HISD Connect Parent Portal “Forms” section. Parents will be able to log in and select in-person or virtual learning for the school year. This process will ensure campuses can begin planning for physical space, staffing, and scheduling. Once a selection is made, the choice is valid for the entire school year. However, there will be opportunities to change a selection throughout the year, if needed. Please ensure that parents have the necessary access codes to create HISD Connect Parent Portal accounts and complete the online form. Parents will contact their campus if they have not received their codes. Parents may choose to call their campus directly to make their selection, so please be prepared to receive and process these requests. Districtwide communications were distributed this morning to all parents notifying them of this process. For more information, go to HoustonISD.org/LearningOption.
