

PILGRIM ACADEMY

Houston Independent School District

6302 Skyline Drive • Houston, Texas 77057

Tel. No. 713-458-4672

Diana Castillo-De Leon
Principal

Dear Parents of Pilgrim Academy,

Pilgrim Academy is a Title 1 school, and this designation offers our school federal support to assist in helping our students achieve academic success despite negative factors such as low income.

A requirement of receiving these supports is the dissemination of information to all parents regarding their rights and how to better be involved in the child's education.

This week we are sending home the following notification in compliance with our Title 1 requirements:

- **Title I Program Status Notification** – This is a notification to all parents that Pilgrim Academy is a Title 1 School, and gives a brief description of the Title 1 Program.
- **Title I Teacher & Paraprofessional Qualifications** – This document outlines the rights of parents to request the certification of teachers and paraprofessionals.
- **School Parent/Student/Teacher Compact** - This document has been reviewed and approved by the Campus Parent and Family Engagement Committee and reviewed during our Annual Title 1 Meetings. It outlines the agreements between Parents, Students, Teachers, and the School Administration to further the education of our students.
- **Campus Parent and Family Engagement Policy** - This document has been reviewed and approved by the Campus Parent and Family Engagement Committee. This outlines the rules and guidelines that the school will attempt to interact with, and support parents.

If you should have any questions about the documents or about the Title 1 program, please contact the school Title 1 coordinator: Mr. Paul Gonzales at 713-458-4672 or by email at pgonza11@houstonisd.org.
