4th Grade  
Remer's Rockets

## 3 words to describe me:

- Passionate
- Grateful
- Proud (to be an Owl!)

## 2 things to know:

- I grew up in Wisconsin and I love to spend summers there with family. However, Houston winters are my favorite!
- I love to be outdoors whenever possible. The highlight of my summer was traveling to Yosemite National Park.

## 1 wish I have for your child:

- I hope your child looks forward to coming to school and finds a love for learning!

# Expectations for the Classroom

- **Respect Myself**

- Be respectful to myself, property, and my own learning.

- **Respect Others**

- Use kind words and actions. Treat others as you want to be treated.

- **Respect Learning**

- Work collaboratively by teaching and learning from each other. Respect the learning environments by demonstrating the 3 R's.

- **Respect Property**

- Keep our hands and feet to ourselves. Help keep our school clean and ready for learning.

# Attendance & Tardies

---

- If your child is absent, please send a written note within 3 days of the absence. All absences will be considered unexcused until a written note is received. If your child will miss school due to a doctor appointment, they must return with a note from the doctor in order for the absence to be excused. Do remember, however, that as much as we want your child here everyday, do not send a child who is truly sick.
- Tardies: Please have your child at school on time; we begin instruction promptly at 8:00 a.m. If your child is not in the classroom by 8:00, he/she will be considered tardy. When your child is tardy, he/she must get a tardy slip from the front office before coming to class. Also, be advised, after 7 tardies throughout the 9 weeks, a conduct grade will be lowered. (ex: “E” to an “S”, “S” to a “P”, etc.)

# Conduct & Discipline

---

- All students begin each day with an E in conduct and will adhere to the school-wide Lovett Code of Conduct and grade level behavior matrix. All conduct cuts will be recorded on a clipboard that travels between our two classrooms.
- Every Monday, your child will receive a take home folder that indicates their conduct for the previous week. Please sign acknowledgement of your child's weekly conduct grade and return on Tuesday.
- Daily Conduct Policy
  - Every student starts the day with an "E"
  - 1st: Warning is given
  - 2nd: Conduct drops to an "S"
  - 3rd: Conduct grade drops to a "P"
  - 4th: Conduct grade drops to a "U"

# growth mindset ways to help your child

## TALK ABOUT IT

Talk with your child about his or her day, but guide the discussion by asking questions like:

- Did you make a mistake today? What did you learn?
- What did you do that was difficult today?

## ENCOURAGE FAILURE (say what?!)

Your child needs to know that failure can (and often does) happen and **it is okay!** Remind her that each time she fails and tries again, her brain is growing stronger! Don't step in to prevent your child's failure - this is how she learns to persevere in the face of challenges.

## THE BRAIN CAN GROW!

Remind your child that **his or her intelligence is not fixed.** Remind her that when things are difficult, her brain grows if she persists through the challenge. Each time she learns something new, her brain is making new connections. Your child needs to know this is possible!

## HELP THEM CHANGE THEIR DIALOGUE

The way your child talks to himself makes a huge impact on his mindset. If he says, "This is too hard!" help him change that to "I can't do this yet, but I will keep trying." Give him the words to say when he is feeling defeated by modeling it yourself!

## PRAISE THE PROCESS

Instead of saying, "You're so smart!" praise effort, goal setting, persisting through challenges, or being creative. You can say something like:

- "Wow! You must have worked really hard on this!"
