## IB TRANSFER CHECKLIST

December 14, 2022

Dear Parents and Students,

Thank you for your interest in our IB Middle Years Programme. The MYP is a challenging framework that encourages students to make practical connections between their studies and the real world. The MYP aims to help students develop their personal understanding, their emerging sense of self and their responsibility in their community. Students take action when they apply what they are learning in the classroom and beyond. IB learners strive to be caring members of the community who demonstrate a commitment to service, thereby making a positive difference to the lives of others and the environment. All IB MYP students are required to take classes in all 8 content areas:

\* **Language and Literature**

\* **The Arts**

\* **Mathematics**

\* **Design**

\* **Science**

\* **Language Acquisition**

\* **Individuals and Societies**

\* **Physical Education**

IB MYP students can also be placed in Vanguard classes, if they qualify.

Please be sure to complete the following **IB Transfer Checklist** to complete your application for the 2023-2024 school year and forward all documents to our IB Coordinator, Mrs. Lynn Graham. All documents must be **received** no later than January 31, 2023.
