

We Don't Want to 'Hogg' All of Your Time...

But the Hogg Middle School Library Needs YOU!

Being a library volunteer will give you an opportunity to participate in your child's education. Volunteers can give time, goods and/or services. Along with our regular library program we will host a couple of book fair and several literacy events during the year.

If you will be volunteering on campus, you will need to complete the VIPS registration process at www.houstonisd.org/vips . You must reapply every year. Ms. Chance and Ms. Rodriguez (foyer secretary) can help you register at school, if you are having difficulty from your home computer.
