

# Harvard Eagle's Nest Parents: Schoolpay begins August 1!

Schoolpay is set up for you to register and purchase all items via your credit card. This is the only method of payment Harvard Eagle's Nest is accepting. We will not be accepting any hard copies of any documents. Everything is set up on schoolpay. You will be required to enter all fields when logging on and selecting your items.

Should you have any questions regarding schoolpay troubleshooting, click on the help button on schoolpay. They will assist you very quickly. The EN Staff is unable to assist you with any troubleshooting on schoolpay.

\*\*\*Note that Schoolpay charges their customers a convenience fee. This convenience fee covers the costs of your transactions. Visa, Mastercard, and Discover charge a fee each time a transaction is processed. In addition, the district is charged a fee for using the software. Harvard Elementary does not receive any form of payment from the convenience fee assessed to you.

**All payments are to be submitted via schoolpay.  
Checks, Money Orders and Cash are not accepted.**

The schoolpay link is:

<https://www.schoolpay.com/link/heeaglesnest>

When you click on the link you will log into your account OR create an account if you do not have one already. At the time you submit your payment, Schoolpay sends you an automated email verifying your payment via a receipt.

Thank you!
