Free course Developing career resilience

Do you sometimes wish you were more resilient when faced with changes at work? Do you have career plans but feel unsure about progressing with them? If you do, then this free course, *developing career resilience*, will help you to build your resilience and approach career-related change with greater confidence and motivation.

Course learning outcomes

After studying this course, you should be able to:

- understand the concept of career resilience and assess your own position
- recognize a range of external challenges and their potential to impact on your working life
- use a variety of tactics and techniques that can enhance your career resilience
- identify any external support you might need to build your career resilience
- set yourself appropriate career resilience goals and describe the actions required to achieve them.

Free course Personal branding for career success

The way you present yourself to your employers, both current and future, plays a crucial part in career success and satisfaction. If you get it right, it can enhance your profile at work, helping you to win interesting projects, promotions, and the respect of your colleagues. It will also increase your chances of being the successful candidate at job interviews.

This free badged course, *Personal branding for career success*, will help you to pick your way through the concept of personal branding, developing, and refining your own brand, and choosing tools and tactics that allow you to present yourself to current and future employers in an authentic and effective way.

After studying this course, you should be able to:

- describe what personal branding is and understand how the concept can help you in your career
- understand how relevant marketing techniques and tactics can be applied to branding a person
- define your own, authentic personal brand and know who you want to market it to and why
- promote yourself effectively to employers, both in your workplace and beyond
- devise an appropriate plan of action to develop and promote your personal brand and enhance your career.

2022 High School Hotel Summer Camp

Texas Hotel & Lodging Association is offering a 3-day Summer Internship for high school students to learn about Lodging and Resort Management career paths.

There are two opportunities to participate in these intensive, fun, and interactive Hotel Summer Camps. One camp will be in Houston (Hilton University of Houston on June 7, 8, & 9) and the other will be in Dallas (Westin Galleria on June 22, 23, & 24).

Hotel Summer Camp Registration for students and teachers may be paid with the Texas Education Agency (TEA) 2021-22 Summer Career and Technical Education grant funds. School districts must submit a letter of interest to the TEA by March 28, 2022, to secure grant funds.

For assistance in writing such a letter of interest, additional details, and registration forms for these events, please contact Debbie Wieland, THLA Education Outreach & Foundation Director at dwieland@texaslodging.com or at 512-474-2996.

Camp registration forms will be available on this web page on May 1, 2022 or after the TEA 2021-22 Summer Career and Technical Education grant awards have been announced.

3 Strategies to Close Learning Gaps Over the Summer

Monday, Apr. 25 @ 3 pm

Recent news and reports reveal that educators' worst fears about student learning loss have been realized in many parts of the country. In response, schools and districts are considering several intervention models, including high-intensity summer school programs.

This timely edWebinar will explore three proven strategies for accelerating learning growth in reading and math through short, intense periods of instruction.

Attendees will gain valuable information about how to reignite students' motivation through personalized instruction. Join us to see how you can help students in every learning environment get back on track for success this summer by providing them with engaging, adaptive, leveled lessons.
