CAPELLA UNIVERSITY

Complimentary Professional Development (February 2021)

With professional development options, you will earn **FREE** clock hours at no initial costs. Capella has developed professional development courses in the areas of instructional technology, course design, and leading and coaching to help hone your skills. Foundational courses that focus on setting up, designing, and enhancing instructional materials and methods with technology in modern classrooms. You have 60 days to complete these courses. Apply these learnings toward a Capella degree program to help you save time and money.

Explore the **FREE** online course topics by clicking the titles below or [HERE](#).

Texas A&M AgriLife is still offering a new distance education program through the Expanded Food and Nutrition Education Program specifically for our 6th–12th grade students! Our “Healthy Teens, Healthy Future” curriculum focuses on helping youth audiences develop healthy eating habits, increase their physical activity, practice food safety, and develop skills for basic food preparation. This program is completely [FREE](#) for ALL CTE students and CTE teachers. Please email Khadija Ghaffar (information below) for more information and scheduling.

Audience / Grades 6-12

Ag Animal Science (Livestock Production); Ag (Food Science and Technology)
Health Science (Exercise Science and Wellness); Hospitality (Culinary Arts)
Human Services (Health & Wellness; Family and Community Services)
All other interested middle school teens and high school teens; interested CTE Instructors

Benefits

TEK-Aligned; 6 Lesson Series; led by an Expanded Food and Nutrition Education Program (EFNEP) educator for no more than 30 minutes each; taught one on one or with a small group at a convenient time for the participants. Click [HERE](#) for FREE course information.

Choose from a variety of online courses that count as training hours for professional development for childcare providers. Courses specifically for CDA Training and CDA Renewal are also available. Visit [HERE](#) or click on the course titles below to explore courses.

Attention: Education and Training CTE Teachers

If you find any of the Texas A&M courses beneficial for your professional growth, please ask your campus administration to consider using allocated funds to purchase for you.

Note: To continue offering high-quality online training, the price of many of the Texas A&M courses will be increasing over the next several weeks. This includes charging a fee for courses that were previously free. The fees generated from the online courses will enable us to develop new trainings and help cover hosting costs. Thank you for your understanding as we strive to continue to provide you with convenient, affordable, and high-quality online training.

Many AgriLife courses offer continuing education units in Texas. We offer credits for childcare providers and more. All programs provide objective, practical, and science-based information.
